The Jersey Village High School All Sports Booster Club is hosting the **1<sup>st</sup> Annual FALCON 5K** run/walk on January 31, 2015. This event is to benefit the Jersey Village Athletics Department for all sports, as well as bringing our community together to promote a healthy, fit, and well balanced life style. We are currently in search of sponsors to help with this event including monetary and item donations. All sponsors of our event will be listed on the back of the Falcon 5k t shirt that will be given to all participants, and signs along the 5K course will also be posted.

The Jersey Village High School All Sports Booster Club is a non-profit (501c3) (Tax I.D. #76-0561945) organization that exists to encourage good sportsmanship in our athletes and to strengthen ties between athletics and our community. The Booster Club’s mission is to promote strong support of our programs from parents, families, friends, and the community to supplement equipment needs and to provide scholarships.
