These items are to be made as Standard items as per technical drawings (avail on request from us) unless detailed otherwise on this form. I have double checked all sizes in mm and all items are "as viewed from the INSIDE" and have provided a drawing and sizes of all custom parts required. I understand some architraves and sills will be made oversized for our (the Purchasers) fitters to cut down on site to be exact. I will pay the required deposit payment to confirm this order, I understand once I have done this, no changes can be made to this order or surcharges and delays can apply. I have read and I agree with all general Terms & Conditions of sale with Affordable Timber Windows Ltd and am happy to proceed with this order.
