Parks to be Metal Detected:	Date(s) of Metal Detecting:

General Rules
1. All rules and regulations concerning Park activities shall be observed and followed.
2. Holes shall be filled and leveled immediately.
3. Ecologically sensitive areas shall not be disturbed. Metal detecting is not permitted on practice/ballfields.
4. Artifacts of historical significance shall be reported to the Parks and Recreation Department and shall become the property of the County.
5. This approval becomes effective upon signature by the Parks and Recreation Department and must be in your possession during metal detecting.

I have read the general rules and understand the conduct required of me in the Hernando County Park System.
