Hold Harmless Agreement

This endorsement modifies insurance provided under the following:

Premier Marine Mariner's Choice Policy
Premier Marine Skipper's Choice Policy
Premier Marine Platinum Yacht Policy
Premier Marine Stand-Alone P&I Policy

We agree that you may sign Hold Harmless Agreements or Waiver of Subrogation agreements with marinas, yacht clubs, and similar authorities where such agreements are necessary and customary, but only in respect of moorage and storage. This policy, however, does not provide any insurance for marina, yacht club or similar authority. Furthermore, this policy does not provide coverage for any liability you may assume under any such agreement.

All other terms and conditions remain unchanged.
