About The DPVA

<http://www.vademocrats.org/>

The Democratic Party of Virginia is united in its efforts to elect Democratic leaders of character, integrity, ability, vision, and commitment to delivering results for Virginians. The Democratic Party of Virginia is the party that commits to delivering fiscal responsibility, ensuring excellence in education, reinvesting in our infrastructure, preserving a social safety network, providing accessible healthcare and creating economic opportunity for all Virginians. We are dedicated to protecting our inalienable rights and constitutional freedoms that provide us the opportunity to improve the lives of others.

We will work to elect leaders that will provide change through leadership that is both commonsense and results - oriented. As Democrats we know there is more that unites us rather than divides us. Working together, we make this Commonwealth and nation a stronger and better place for all.
