

Buy a Seat Plaque and Own A Piece of Blair Stadium

The Silver-Spring Takoma Thunderbolts have built a stadium at the Montgomery Blair baseball field with permanent seating, a concession stand, and announcer's booth. You can help the team pay for costs of construction and to operate the team by purchasing a seat plaque for your father, mother, son or daughter, as a memorial to a relative, or as a gift to a friend. The plaque is 4 x 2 inches and is attached to the back of a seat.

Plaques are sold at two prices:

The Gold Level is \$250
The Silver Level is \$150

If possible, we will place the plaque at the location you request. If no location is listed, the Gold Level plaques will be placed on seats in the center section and the first two rows of the first and third base sections; the Silver Level plaques will be placed on all other seats.
