## Volunteer information

We are looking for volunteers to assist with our market research survey at the 2013 Bristol International Balloon Fiesta. This would involve you asking our visitors a series of questions about their visit. We then take this information and put it into a survey to help us in our aim to continuously improve the fiesta experience.

Each Volunteer will be provided with water, a wristband and a lunch token for each day they attend.

Please fill in your contact details and your availability over the fiesta dates.
