

2011 PBO July Travel Try-outs

Palos Baseball Organization offers travel baseball for the month of July. These all star teams enter tournaments throughout the area during this period. Usually three to four tournaments.

We will have teams at each age group from 8 year olds thru 14 year olds. Our hope is that we enough kids who want to play to field two teams at each age level.

The try-outs will be the afternoon of Sunday June 5th at the PBO Fields. Please check the website for times.

It is important that you fill out this form and read it thoroughly!

In order to play July travel, your child must be dedicated throughout the travel season. Your child cannot miss any tournaments due to family vacations Keep this in mind before deciding to try out.

There is a parent obligation for the PBO July Travel Tournament. Each parent will be required to work one concession stand shift during the tournament. PBO uses the concession stand to offset the cost of July travel for parents.

I have read the above and understand our obligation to the July travel season. I wish to register my child to try out for their respective July travel team.
