You may not hold more than the equivalent of one full-time graduate appointment at any time. Before you accept additional work of any kind at Western Michigan University during this appointment, you must notify the hiring unit that offered this appointment. Note also that accepting additional work of any kind can also result in both you and the hiring unit being charged for FICA (Social Security and Medicare) against your appointment salary. In addition, some hiring units may have policies that prohibit additional employment. Under current law, graduate appointment salaries are exempt from FICA charges unless the student is enrolled less than half-time or has an additional non-student job at the university.

The tuition award is applicable only toward registered and completed credit hours in your graduate program and will pay main campus rates for actual tuition charges. The tuition award will pay for approved undergraduate, or Extended University Programs [off-campus or online] courses with approval from the Graduate College. Payment of any remaining tuition expenses and fees is the responsibility of the student. If you are the recipient of other tuition support (employer-paid, veteran's benefits, foreign sponsorship, etc.) your University tuition award may be adjusted as a result. Under no circumstances will an appointee receive a cash refund of paid tuition. Request approval from the Graduate College by submitting either of the following forms before the end of drops/adds to grad-awards@wmich.edu. The forms can be found at: http://wmich.edu/sites/default/files/attachments/u67/2015/permission-eup-online_0.pdf or <http://wmich.edu/sites/default/files/attachments/u67/2015/3000-4000Inclusion.pdf>.

Paychecks are distributed in equal biweekly installments. The salary portion of your award is subject to applicable payroll tax withholding and is reportable as income on IRS form W-2. (Certain international students may be subject to IRS form 1042-S reporting and withholding requirements.) The University no longer issues paper payroll checks. You are eligible to set up direct deposit of your check through the Payroll office; if you do not set up direct deposit, you will automatically be enrolled in the Visa® payroll card program.

All appointees are required to be enrolled full time (**6 hours per semester**) unless granted approval by the Graduate College. Appointees on partial appointment must also be enrolled full-time and pay the difference in tuition that is not covered by the tuition award. Request approval by submitting the **Permission for Under Enrollment form** to the Graduate College before the end of drops/adds to grad-awards@wmich.edu. The form can be found at: <http://wmich.edu/sites/default/files/attachments/u67/2015/underenrollment.pdf>
