The Heart & Stroke Foundation of Canada has provided new guidelines for the ACLS program. New manuals have arrived. You may obtain a copy of the manual by purchasing the book at any University Health Science bookstore or you may call I-888-LAERDAL (523-7325). Please ask for David Ashbury and he will process your order and send out a book immediately. Please refer to the ACLS PROVIDER MANUAL. Cost is \$33.00 plus taxes. Also available from LAERDAL and the bookstore, is a pocketbook that is very useful to carry in your labcoat. This pocketbook does have all the information necessary for reference to all the algorhythms, drugs and dosages, MI and paediatric resuscitation. The cost of this pocketbook is \$16.95 plus taxes. Please refer to the HANDBOOK OF EMERGENCY CARDIOVASCULAR CARE. The combination of the Provider manual and pocketbook is a wise investment. Pocketbooks will also be available for purchase at the ACLS course.
