

Friendship is unnecessary, like philosophy, like art.... It has no survival value; rather it is one of those things that give value to survival.

HONESTLY, ABE

Abraham Lincoln, our 16th president, was surprisingly quotable. Here are a few of his better-known sayings.

“The best way to destroy your enemy is to make him your friend.”

“God must love the common man, He made so many of them.”

“No man is good enough to govern another man without that other’s consent.”

“It’s been my experience that people who have no vices have very few virtues.”

“No matter how much cats fight, there always seems to be plenty of kittens.”

“People who like this sort of thing will find this the sort of thing they like.”

“Public opinion in this country is everything.”

“Human action can be modified to some extent, but human nature cannot be changed.”

“A man’s legs must be long enough to reach the ground.”

“Those who deny freedom for others deserve it not for themselves.”

“My father taught me to work, but not to love it. I never did like to work, and I don’t deny it. I’d rather read, tell stories, crack jokes, talk, laugh—anything but work.”

“Tact is the ability to describe others as they see themselves.”

“The things I want to know are in books; my best friend is the man who’ll get me a book I ain’t read.”

“The man who is incapable of making a mistake is incapable of anything.”

“The ballot is stronger than the bullet.”

“As I would not be a slave, so I would not be a master. This expresses my idea of democracy.”

“The best thing about the future is that it comes only one day at a time.”

A guy walks into a bar with his dog on a leash the barman says, "Geez that's a weird dog: he's stumpy-legged, pink, and doesn't have a tail, but I bet my rottweiler would beat the heck out of it"

50 bucks is laid down. Out in the yard the rottweiler gets mauled to pieces.
Another drinker says his pit bull will win but the bet is 100 bucks.

Another trip to the yard and when it's all over there are bits of pit-bull terrier all over the place. The drinker pays up and says, "Say what breed is that anyway?" The owner says, "Until I cut his tail off and painted it pink it was the same breed as every other alligator."
