You will also use your email, and the password you create, in order to be automatically registered for a free online student portal, which is where you’ll find a digital version of your score report that can be viewed, downloaded and printed. For more information on using the student portal please visit our troubleshooting web page at: <http://www.princetonreview.com/online-help.aspx>
8. Once you have completed the process of enrolling you should receive an automated confirmation email. The Princeton Review will contact you again, closer to the test date, to remind you of your enrollment and the details of your test date.
