

Asheville Catholic School Permission Form for Google Apps for Education and Other Online Services

By signing below, I confirm that I have read the section in the Parent/Student Handbook about Google Apps for Education (GAFE) and give permission for my child to be assigned a full Asheville Catholic GAFE account. This means my child will receive an email account, access to Google Drive, and other GAFE services provided by the school.

Under FERPA, a student's education records are protected from disclosure to third parties. My signature below confirms my consent to allow my student's education record to be stored by Google.

I understand that by participating in Google Apps for Education, information about my child will be collected and stored electronically. I also understand that my child might be enrolled in another online educational service and some basic information will be entered to create an account for their use. I have read the privacy policies associated with use of Google Apps for Education (<https://www.google.com/edu/privacy.html>) and the privacy policies for the other online services. I understand that I may ask for my child's account to be removed at any time.
