We are an independent, local organization.

We don't waste your money or efforts on national dues or projects outside the area, that have little or nothing to do with Noel.

We were formed with the encouragement of the Noel City Council. However, we are a non-governmental, non-profit corporation, and we decide for ourselves where best to focus our efforts.

We are hardy, Ozark folk... We are Missourians!
We say: **"SHOW ME!"**

If you want to sit around and talk, have a bunch of gabfests and start some kind of social club, then go ahead and call your friends and start one. But that's not what we're about...

SO, if you want to stop talking, and actually roll up your sleeves and GET SOME THINGS DONE, then come out to the next Noel Betterment Association meeting and volunteer for something you are interested in!

We need all sorts of folks with every sort of skill... Talk to us and let us know what your strengths are, and what you'd like to do, and we'll do our very best to direct your help where it is most needed and useful.

Man or woman, teen or senior citizen or anywhere in between, strong or frail of body, lifelong Noel resident or a relative newcomer...

If you can help, we'd like to know!

*A brand NEW
non-profit organization
composed entirely of
volunteers from the
Noel area, with fresh
new ideas and an
exciting new attitude!*

*What would YOU do
to make Noel
a better place
to live, to work, and to play?*

CUT ALONG DOTTED LINE

*Our goal is simply this:
To make Noel a better place
to live, work & play.*

The ways we can help make these positive changes in our pretty little Ozark town are as limitless as the imaginations of our volunteers.

We need even more strong leaders in the community who are willing and able to take on projects and see them through to completion... So we'd like to invite YOU to join with us to MAKE THAT HAPPEN!

Our association is brand new in 2011, so you can get in NOW on the "ground floor" and help direct Noel on the path to betterment.

We need people
WILLING TO WORK TOGETHER
for the good of Noel...
And we hope that's YOU.

If it is, please attend a meeting, hear what we are working on now, and if you are willing and able, please volunteer to help out with an existing project.

**All members have an equal voice,
and an equal vote.**

At our regular monthly meetings, held on the Third Thursday of every month, you can hear reports from the various committees on the progress we are making with all our projects.

You do not need to be a member to come and visit with us at a meeting. Everyone is invited, and we set aside time for public comments.

However, to have a real effect on the organization: You really need to join! (Only members may vote.)

To encourage participation, we've decided to keep the cost of membership extraordinarily **LOW** so everyone who wishes to help Noel may join without the burden of a large fee.

With a yearly membership cost of **ONLY \$10**, You (and your business or institution) can't afford to not be a part of the Noel Betterment Association!

We've studied similar community betterment organizations, and looked back at the history of other groups that were formed here in Noel in the past; and learned what works, and what doesn't.

We realize we can't please everyone all of the time, but by creating an organization that actually listens to the wants and needs of our members, and that takes a balanced approach to overcoming obstacles, we are confident we'll be here for many years to come.

***Please join with us TODAY,
and let's work together to make Noel better!***
