How do you join?

Fill out this form and mail in with membership dues. Or... go to www.cjlainfo.com and follow the link to fill out the membership application and pay through PayPal.

Why should you join?

You are attending jackpot shows throughout the year so why not accumulate points too? Attend as many sanctioned shows as you want to. One or all - its up to you!

What will you get out of it?

As a CJLA member, you join a great group of young people who are dedicated to raising and showing livestock. From first level to advanced, there is a place for everyone! The CJLA believes all participants in this program are equally important - therefore it is our goal to recognize and reward every member for their hard work and achievements throughout the year. Points are tabulated from January through December. The annual Award Banquet is then held for members, their families, and CJLA supporters.
