

Dear Pupil,

This is an important time for you with your GCSE examinations coming up and in making choices on which sixth form provider to select for the next two years of your education. This is a decision that should be thought about very carefully and based on information that you have gained from sixth form open evenings, interviews and discussions with staff and sixth form students. The decision you make must be right for you.

At Etone, we have arranged a number of taster lessons to provide you with an additional opportunity to experience our fantastic sixth form environment, take part in outstanding lessons with our teachers and to get a snapshot of what sixth form life could be like for you in the next academic year.

Open evening was a chance for you and your parents/carers to look around the site and to ask questions. This will be a different experience. You will have the opportunity to opt for and take part in up to 3 taster lessons. The aim is to give you a small taste of what sixth form life at Etone College will be like.

If you are interested then please complete the form below and return it to the reception of Etone College Sixth Form by Monday 16th March 2015. The taster lessons will take place on Wednesday 18th March 2015.

I look forward to meeting you at the taster evening.

Yours sincerely

Mr Mitchell (Assistant Headteacher)
