If the interactions were not part of a regular schedule, you will need to estimate the frequency with which these interactions occurred during the current reporting period. Do not report "task force" in the "Other" category. If Transitional Housing Program-funded staff participated in a task force or work group, indicate that under "Meetings" by checking the frequency of the meetings and the types of organizations participating. In the last column, indicate the agencies or organizations with which you have an MOU for the purposes of the Transitional Housing Program grant.)

- Yes—answer questions 20-38
 No—skip to section E

20. Number of victims/survivors, children and other dependents served, partially served, and those seeking services who were not served

Please do not answer this question without referring to the separate instructions for further explanation and examples of how to distinguish among these categories.

(Report the following, to the best of your ability, as an unduplicated count for each category during the current reporting period. This means, for example, that each victim/survivor who sought or received services during the current reporting period should be counted only once during the current reporting period. For purposes of this question, victims/survivors are those against whom the domestic violence, dating violence, sexual assault, or stalking is directed.)

	Victims/ survivors	Children	Other dependents
A. Served: People who received the service(s) they requested, if those services were provided under your Transitional Housing Program grant	<input type="text"/>	<input type="text"/>	<input type="text"/>
B. Partially served: People who received some service(s), but not all of the services they requested, if those services were provided under your Transitional Housing Program grant	<input type="text"/>	<input type="text"/>	<input type="text"/>

21. Number of victims/survivors, children and other dependents not served or partially served solely due to lack of available housing: *(This question should only be completed by grantees who are using funds to provide housing units as described in question 9.)*

(Of the victims/survivors, children and other dependents that were reported in 20B and 20C, report those that were partially served or not served due solely to a lack of available housing. The total reported for the three categories should not exceed the total of 20B and 20C.)

(For those people reported in 20A and 20B, report on the demographics of victims/survivors, children, and other dependents. Provide the total numbers for all that apply. Because victims/survivors, children, and other dependents may identify in more than one category of race/ethnicity, the total for "Race/ethnicity" may exceed the total number of victims/survivors, children, and other dependents reported in 20A and 20B. However, the total number of victims/survivors, children, and other dependents reported under "Race/ethnicity" should not be less than the total number of victims/survivors, children, and other dependents reported in 20A and 20B. Report the total number of bed nights provided in transitional housing to victims/survivors, children, and other dependents. The term **voucher** refers to a coupon or other means whereby a client can receive the designated service or specific item [i.e. food bank voucher, child care voucher, and voucher for clothes]. 38. (Optional) Additional information

(Use the space below to discuss the effectiveness of your follow-up services funded or supported by your Transitional Housing Program grant and to provide any additional information you would like to share about your activities beyond what you have provided in the data above.
