

## Parent Volunteer Commitment Form

Since DAAC is a family run club and volunteering is essential to its success, I acknowledge the following:

- It is expected that donations will be made to the snack bar at meets that my child is competing in.
- I understand that a \$20 fee will be added prior to the **Pentathlon and the championship** meets to help cover the cost of snack bar supplies.
- It is expected that one family member volunteer for at least half of a home meet that my child is competing in. **If a family member does not volunteer, a \$10 fee, per meet, will automatically be added to the balance of my account.**
