

**Parent Advisory Council
Donation Request**

Why do we ask for donations?

Our fundraising efforts are broken into three categories:
Hot lunch program
Social events (Ex. Bingo and movie night)
Donations
Between these three our goal is to raise \$10,100.00

Of the money raised, we give \$8,000.00 to the school and designate where we want that money spent. For this year we have allotted:

- \$2500.00 to Classrooms Allotment:** Funds divided equally to each classroom to be used at the teacher's discretion.
- \$2000.00 to Department Allocation:** Funds divided equally to each department
- \$2500.00 to Fieldtrips:** Funds divided equally to each classroom
- \$1000.00 to Cultural:** Events and speakers promoting culture

The rest of the money raised is used for parent education events, Christmas hampers, emergency preparedness and other miscellaneous expenses.

We ask each family to consider making a donation of \$20.00 per child attending the school. You will see the results of the funds raised in lower fieldtrip costs, resources to the classrooms and supplies to departments such as music and physical education.

Please return your donation with the tear off below to your child's teacher by **Wednesday, September 24, 2008.**

Thank you for supporting the students!
