

Project Peer Evaluation Form

Your Name: _____

Analysis of Algorithms & Data Structures
 COMP 482—Fall 2007

Peer evaluations are a part of each student's project grade. Please complete this form, place in a sealed envelope, and submit with your final report.

1. Using the scale below, evaluate your teammates on their contributions to researching and developing the group report.		
4	Excellent Contributor	The person significantly contributed. Without this person, the quality of our final product would have been considerably diminished.
3	Good Contributor	The person contributed. Without this person, the quality of our final products would have been diminished.
2	Marginal Contributor	The person barely contributed. Without this person, the quality of our final products would have been about the same.
1	Unsatisfactory Contributor	The person failed to contribute in any meaningful way. Other members of the group had to do more because of this person's performance. Without this person, the quality of our final products may actually have been improved.
Using the above codes, evaluate each team member (including yourself):		
Team member	Contribution to research	Contribution to report
2. Does each team member deserve the same project grade? (Circle one.)		Yes
		No
If you answered No , who should receive higher grades and why?		
If you answered No , who should receive lower grades and why?
