This Speech Therapy School Holiday Program will be facilitated by our Speech Pathologists, with consultation from our Psychologists.

This group is based on the Social Thinking Model by Michelle Garcia-Winner and colleagues. It is designed to support children with strong language and learning skills develop the skills they need to become flexible social thinkers and social problem solvers. These skills can be transferred to home and school settings with the support of parents and educators.

To assist therapy staff with planning, registrations MUST be filled in by the 14th September.

E-mail registrations to autism@irabina.com or hand them to Wendy in main reception.
