Immunization record cards for all: for adults, for children & teens, for a lifetime!

Immunization record cards offer healthcare professionals a way to help patients maintain a permanent record of their vaccinations. Patient-held cards are handy for patients when they enter daycare or school, change healthcare providers, or travel abroad.

We offer three record cards: adult, child & teen, and lifetime. Each is designed for a specific age group and lists all vaccines recom-

mended for people in the age group. Sized to fit in a wallet, each is brightly colored to stand out and is printed on durable rip-, smudge-, and water-proof paper.

To order record cards or any of our other essential immunization resources, print out and mail or fax the form below, or place your order online at www.immunize.org/shop.
