Congratulations to all of our new officers for the 2015—2016 Columbian year. For Bob Spielman this is a special accomplishment. Not only was he elected Grand Knight, he is also a Charter Member of our Council. What does that mean? It means that he has been with our Council from the very first day, Jan 30, 1966. In January, 2016 that will make it 50 years! There were 85 Charter members, they met in a real estate office and had no money.

In the past 50 years we've come a long way. For the calendar year 2014, our Council made charitable contributions in the amount of \$103,000.00 that included Church, Community, Culture of Life and Youth. We also had almost 75,000 Volunteer hours. Council 5803, give yourselves a pat on the back but let's not rest on our laurels. Let's make our second 50 years better than the first 50.

We need the new generation of Knights to step up to the plate and work with the same faith, dedication and enthusiasm as our Charter Members did. Brother Knights, remember why we joined the Knights of Columbus and what our principles are: Charity, Unity, Fraternity and Patriotism.

The Council Installation and Turnover dinner will take place on Sunday, July 19 (see article in bulletin). Come on down to the hall to show our appreciation for GK Bob Spielman's 50 years of service to our council and to congratulate our new officers

GRAND KNIGHT REPORT

I wish to thank this past year's officers and appointees for the great job they did to continue the tradition of Council 5803.

What makes our Council 5803 an outstanding organization are all the people that keep stepping forward and take on all the responsibilities to get the job done.

During this upcoming year, we are going to acknowledge and hear from some of the people that make this council great.

There are many Knights that have been doing these tasks for a number of years and I think the new and the young will be interested in hearing about these events and how they started.

The Special Olympics are coming up at the end of the month and this council will be participating in some of the activities.

A special thanks to all that participated and made this year's CHILI COOKOFF AND CAR SHOW a great success.

You are missing out, if you are not volunteering for this event.

Bob Spielman GK

DEPUTY GRAND KNIGHT REPORT

Dear Brother Knights,

Thank you for electing me as your Deputy Grand Knight this year. I will work very hard for you and do a good job. I have a plan for this year and if elected as Grand Knight I have a plan for that year. As your program director this year I have reached out to some of our new Knights to step up this year on some council events. I am grateful to them for stepping up. I also thank all the brothers who are returning and look forward to working with all of you.

Coming up on July 19th is our installation of Officers, installing them is our worthy District Deputy Cliff Wirtz. The installation will take place in the church at 3:30. I would love to see all of you come out and show your support to our new (and year 50) Grand Knight Bob Spielman and the rest of the 2015/2016 team. After the installation we will then drive over to the Knights hall for the turnover dinner, chair by PGK Al McKinley. Please attend the installation ceremony for all our elected officers, they need our support this year.

As your DGK this year I needed to step down as the membership director. I am happy to announce that Brother Mike Mead has stepped up. Mike is the grandson of our deceased and much loved Brother Herb and recently deceased Ann Bansbach. If Mike is anything like Herb was, we are going to have great year in new members. I have promised Mike that I would work with him and mentor him this year. I hope that he has all of our support.

Yours in Christ,
Tony De Marco

WE HAD A DREAM—PART V

Russ:

I was so busy working and going to meetings at night that I didn't realize Gail's feelings. The state deputy appointed Al Bandle the Grand Knight (after all, it was his office and his name was the first name on the charter!). Most of us were young thirty-some things, with lots of energy. The average age in Simi Valley at that time was 18! The Deputy Grand Knight was Bob Taris and I was Chancellor.

Gail:

Russ was elected grand knight in June of that year 1966. If he had been busy during the spring, his meetings quadrupled after election! My folks came for a visit that summer, and I had a conversation with my dad about feeling left out. I asked him if there was any auxiliary for the wives of Knights. His reply was that there was not, and if I wanted one, I would have to start one. We had four children under 4 by this time, and when I said how busy my life was, Dad just said, "then people will say, 'I don't know how you do it'"!

HISTORY OF THE KNIGHTS OF COLUMBUS—PART IV

1911-1918: "Everybody Welcome, Everything Free"

As membership in the Knights of Columbus grew, the Order became increasingly known as a force for public good. Following the dedication ceremony for the Christopher Columbus Memorial Fountain in Washington, D.C., in 1912, a reporter for *The Washington Star* noted that the large number of Knights in attendance "marked anew the important position of the Knights of Columbus as an order in the social fabric of the United States."

In response to growing anti-Catholic hostility and the rise of socialism, two Knights, David Goldstein and Peter W. Collins, embarked on an extensive, 27,000-mile lecture tour throughout North America in 1914. Later that same year, the Order established the K of C Commission on Religious Prejudice. The commission's work concluded in 1917, when the United States entered World War I.

During the Great War, the Order provided rest and recreational facilities and social services to Allied servicemen of all faiths. K of C Huts throughout the United States and Europe provided religious services, supplies and recreation under the motto, "Everybody Welcome, Everything Free."

Everybody meant everybody. Whatever your race or creed, you were welcome at K of C facilities. In fact, the Order was praised by a contemporary African American historian of World War I, because "unlike the other social welfare organizations operating in the war, it never drew the color line."

As a result of the Order's wartime work, which earned high praise from Pope Benedict XV, nearly 400,000 men joined the Knights between 1917 and 1923.

1910: Notre Dame Council 1477 is chartered in the spring of 1910, becoming the first of nearly 250 college councils worldwide.

1912: With support from the Knights, the Christopher Columbus Memorial Fountain is dedicated in Washington, D.C. Some 20,000 Knights attend the ceremonies, which are overseen by President William H. Taft.

1914: Tens of thousands of copies of a "bogus oath" are circulated to defame the Knights of Columbus. The Knights, in turn, lay the groundwork for a lecture series and educational programs to combat anti-Catholic hostility. Between 1914 and 1917, the number of anti-Catholic publications drops from 60 to fewer than five.

INSURANCE REPORT

A new fraternal year is upon us. Congratulations to the newly elected and appointed council leaders. I'm sure you have a list of things that you want to accomplish during the coming year. I'm eager to help.

One of these goals is the attainment of the Star Council award, the most prestigious award the Order offers at the council level. I'm certainly committed to helping on the insurance side, but I'll be glad to help on the membership side as well.

If you know an eligible Catholic man who might be interested in joining the Order (and who among us doesn't), he's probably just waiting to be asked. I can help you, either by approaching him myself, or by "coaching" you, transferring sales skills that you can use to recruit him and other prospects. As always I'm at your service.

What would be helpful to all of us would be an early start on these those goals, rather than waiting until May or June. Let's get an early start on award season this year.

Fraternally.

Annual Bishop Fishing Trip Only 4 months to go October 1-4, 2015

I don't think it is too early to start thinking about our annual fishing trip. How many times have you said to yourself that you should go on the trip at least once? This trip should be on your bucket list. Start thinking now and be ready when the next trip comes around.

The annual Men's KCO (K of C Outdoor Club) fishing trip to the Bishop Creek area of the Eastern Sierra's is held on the 1st weekend of October (10/1/15-10/4/15).

Join me and 40-50 of your Brother Knights, friends, and families for a great weekend. In addition to the South Fork of Bishop Creek that runs through the campground, there are the South Lake, North Lake, Lake Sabrina and Intake 2 fishing areas nearby.

The event is held at the Creekside RV Park with campsites, RV sites, and trailers available for rent. **You must make your own reservation for sites.** They hold a few sites for us but they are first come-first serve. Contact the office at Creekside for a reservation of your desired site. Be sure to tell them that you will be part of our group. They may be reached at 760-873-4483.

Activities include a fishing derby with many prizes (adults and kids, depending on attendance), a BBQ Tri-Tip Dinner on Saturday Night, and card games almost every night. If we have enough interest and help we may have a Sunday morning breakfast.

Beautiful mountain (elevation 8300 ft at the campgrounds) scenery, good fishing (trout up to 5 lbs) and good people. You shouldn't pass it up. Ask anybody that has ever gone, they will tell you what a great weekend it is.

This event is open to Council and Assembly members, their families, and friends. We generally have only male guests (let your wives and daughters have a "ladies night out" with other fishing trip widows).

Lets hope that the weather, the Edison Company, and assorted others allow for more water into South Lake, Lake Sabrina, and the creeks. Like all of California, the Eastern Sierras need water/rain/snow. Let us pray that our drought ends before we have more serious water shortages and possible rationing.

Special Note: The pond within the Creekside Campgrounds continues to be under control of the California Department of Fish and Game. They stock the pond on their schedule. All normal Fish and Game laws apply.

For more information, please contact me at a Council or Assembly Event or call me.

Knights of Columbus see fifteenth consecutive year of increased charitable giving

The Knights of Columbus have been preparing to welcome Pope Francis to the U.S. this autumn with record-setting charity, having raised more than \$173 million in 2014.

The world's largest Catholic fraternity achieved an all-time record in donations and community service hours in 2014. The Knights of Columbus raised more than \$173.5 million and served more than 71.5 million hours.

In a June 8 statement Supreme Knight Carl Anderson commented that "charity has been at the heart of the Knights' mission for the past 133 years."

According to Anderson, the Pope will see the Church in America alive "with love of God and love of neighbor, and the Knights of Columbus are excellent examples of this reality."

For the 15th consecutive year, the Knights of Columbus has increased its charitable giving.

Some major donations the fraternity has given include more than \$1 million to the Special Olympics World Games, which "will cover the cost of transportation, housing and meals for the athletes as they travel to the games, stay there during the competition, and return home," according to the statement.

Another organization the Knights of Columbus has helped tremendously is the Knights of Columbus Refugee Relief Fund, to which the fraternity donated more than \$2 million. The relief fund is using the donations to help persecuted persons in the Middle East.

"It has shocked the conscience of the world that people are systematically being purged from the region where their families have lives for millennia – simply for their faith," Anderson said.

The last ten years have shown the fraternity's immense passion for helping out in the community. Cumulatively, the Knights of Columbus has donated more than \$1.5 billion and contributed more than 600 million hours of community service supporting charities.

CHILI COOK OFF AND CAR SHOW

What a great day ! The Lord blessed us with perfect weather. Tony sold out of vendors booths, John and Gene sold out at the Car show and Tony had a great showing for chili cooks. I can't thank you all enough for all your help. I can't list everyone's names since it would fill the page. You make me proud to be part of this council. We are still paying off the bills, but it looks like we had a very profitable event again this year. We should have the final Net profit in the next couple of months.

Are You Interested in the Catholic Faith? St. Rose of Lima will soon begin a new journey in faith to share the richness of the Catholic Church and our parish family. We invite you to learn what the Church teaches, and be introduced to some of our parish members. These sessions also are opportunities for you, and others that you may wish to invite, to ask those perplexing and difficult questions you may have about the Church. These gatherings are for inquirers and are open to people who are unbaptized, as well as those who are baptized Christians from other religious backgrounds, or a baptized Catholic who has not received the Sacraments of Confirmation and Eucharist. Please give us a call if you have questions and would like further information at 805.915.4625 or email at Julia@strosesv.com.

Help children be aware of unhealthy behavior among others . Children have more opportunities to be out of your immediate sight during the summer. It's important to remind your child that if another child or adult – including people they know and trust – try to touch them inappropriately they should: Say NO and GET AWAY from any person or situation that makes them feel scared, uncomfortable or confused. Tell them to TRUST THEIR FEELINGS and be sure to TELL a trusted adult. And it's never too late to tell a trusted adult what happened. Statement on the U.S. Supreme Court Ruling in Obergefell v. Hodges
Most Reverend José H. Gomez
Archbishop of Los Angeles
June 26, 2015

The Supreme Court's decision is not a surprise. But it is disappointing and troubling.

The Court expresses some beautiful and true thoughts about the "transcendent" purposes of marriage and the importance of marriage as a "keystone" of our social order. The Court acknowledges that marriage has existed "for millennia and across civilizations."

So it is hard to understand how the Court can feel so assured that it has the power to discard and rewrite the definition of marriage that has existed since the beginning of history — as the lifelong union of one man and one woman.

This decision reflects a deep confusion about the meaning of marriage, the family and the human person; about individual liberty; and about the role of the courts and legislatures in our democratic system of self-government.

Archbishop
José H. Gomez

By their nature, court decisions cannot really resolve social questions that are rooted in deeply held values, history, and tradition. So the public conversation and debate about marriage will continue.

As Catholics living in this democracy, our first duty always is to love and to reflect the mercy of God to all of our neighbors.

Let us go forward in charity, confident in Jesus Christ and the truths of the Gospel. Let us continue to promote the dignity of all men and women, who are made in the image of our Creator and endowed with a transcendent value and destiny.

Let us continue to work for the good of our society and to create a culture of life and love. Remember that holy lives, good marriages, and strong families can change the world.

This is an extract from Pope Francis's encyclical on the environment, Laudato Si

The Earth, our home, is beginning to look more and more like an immense pile of filth. In many parts of the planet, the elderly lament that once beautiful landscapes are now covered with rubbish. Industrial waste and chemical products utilised in cities and agricultural areas can lead to bioaccumulation in the organisms of the local population, even when levels of toxins in those places are low. Frequently no measures are taken until after people's health has been irreversibly affected.

These problems are closely linked to a throwaway culture which affects the excluded just as it quickly reduces things to rubbish. To cite one example, most of the paper we produce is thrown away and not recycled. It is hard for us to accept that the way natural ecosystems work is exemplary: plants synthesise nutrients which feed herbivores; these in turn become food for carnivores, which produce significant quantities of organic waste which give rise to new generations of plants. But our industrial system, at the end of its cycle of production and consumption, has not developed the capacity to absorb and reuse waste and by-products. We have not yet managed to adopt a circular model of production capable of preserving resources for present and future generations, while limiting as much as possible the use of non-renewable resources, moderating their consumption, maximizing their efficient use, reusing and recycling them. A serious consideration of this issue would be one way of counteracting the throwaway culture which affects the entire planet, but it must be said that only limited progress has been made in this regard.

DEACON'S CORNER

Evangelization

When we are at work or with a group of friends, we often talk about an exciting movie we saw, a good TV show, a baseball game, or an interesting story we heard, but rarely will we hear someone speak about a great homily they had heard at Mass or a spiritual uplifting they received making a visit to the Blessed Sacrament.

Sometimes we Catholics are afraid or reluctant to speak about and share the faith we have with others whether they are Catholics or not. We tend to think that our faith is a very private thing, and therefore, that evangelization is a task only for priests and deacons.

If we look back in history, we see that the first Christians were true apostles of the gospels. Their faith gave them the gift to communicate Jesus' teachings to their co-workers, neighbors and extended family and friends.

Evangelization is not just a task for priests and deacons. It belongs to every baptized person. It belongs to every family. Yes, families are called to be missionaries. St. John Paul II said, "The future of humanity passes by the way of the family."

If we consider that the future of humanity is Jesus Christ, then we understand that the family is called to be the subject of evangelization within the church. This does not mean that they must travel to far off places where the gospel has not been preached, but that the gospel needs to be preached at home, in the work place, in the neighborhood and to extended families.

The fruits of the new evangelization will be enhanced when we develop a true covenant of vocations between priests and the families. Families are a vital part of the evangelization process. They can be missionaries with their example of life and mutual love, and also with their words. This is the way for a family to keep and grow in their faith. Pope Benedict XVI said, "Faith grows when it is lived as an experience of love received and when it is communicated as an experience of grace and joy." In other words, a family that evangelizes will stay together.

We must never be afraid or embarrassed to profess our faith. Our faith can be shared and expressed to all those whom we come into contact.

I pray that you will receive the grace to evangelize!

Deacon Terry

Knights of Columbus Bowling League

The 2014-2015 season is complete. Our 2015-2016 season will start Thursday Aug 27th with an organizational meeting to select teams, and review rules etc. The actual season opens the following week on Thursday Sept 3rd.

Think about joining us next season as a regular, a sub, or on the wait list for a regular position. We anticipate 12 teams again next season but we could increase it to 14 teams if we have enough interest.

We can always use subs. Only \$3 for a sub after you pay your USBC Sanctioning fees of \$20 (estimated). Let me know if you are interested in joining as a regular bowler or substitute. Returning bowlers have priority on being a regular again. Additional new regular bowlers will be asked/allowed to bowl with the following order: being a Knight, a Knight's spouse, or part of a Knight's family (age 18 and older). Friends, neighbors, coworkers or others with an existing regular bowler as a sponsor will be considered as space allows.

VATICAN RELEASES SCHEDULE OF POPE FRANCIS' VISIT TO THE UNITED STATES

WASHINGTON—Pope Francis' apostolic journey to the United States is "a source of joy and gratitude," said the president of the U.S. Conference of Catholic Bishops in response to the release of the full visit schedule by the Vatican, June 30. THE POPE'S MONTHLY INTENTIONS

JULY

Universal: That political responsibility may be lived at all levels as a high form of charity.

Evangelization: That, amid social inequalities, Latin American Christians may bear witness to love for the poor and contribute to a more fraternal society.

CHILI COOK OFF

Thank you everyone able to work the 2015 Chili Cook off and Car Show. Your staffing of the approximate 160 positions made it possible for the St Rose of Lima community to enjoy the most cars, vendors and chili booths of our twenty-eight year event. Thank you wives and families for working at, or allowing your husbands, and fathers to work the event.

FALL BLOOD DRIVE

Please help our community by giving the gift of life at our Knights of Columbus quarterly blood drive September 19 at the St Rose of Lima parish hall Saturday September 19, 2015 from 8:30 AM to 12:30 PM.

You never know when the need for blood may come, and it's availability at our local blood bank United Blood Services is vitally important. Please call Paul Friedeborn at 805-395-1126 or 805-297-6473, or register online at UBS.

Occasional Knights of Columbus Cruise

Many people have asked me about another K of C Cruise. We have had K of C Cruises in 1989, 2008, and 2013. How many are interested in another cruise later this year or more likely next spring? The cruise would include Council and Assembly members in addition to other family and friends

Contact me if you are interested. If there is enough interest (probably 10 to 20 couples) I can start working out potential details. I try to collect as many names as possible because there is a 25-50% dropout from initial interest and final booking.

FATHER JOHN LOVE

On last June 21st. my wife and I had the privilege of going to Father John Love's 25th. Anniversary Mass. I have been a part of St. Rose of Lima one way or another since 1966. Even though I am no longer at this time a parishioner, but I have great feelings and memories of St. Rose. Father John Love's 1st. parish was St. Rose of Lima in June of 1990. He was a tremendous priest and friend here at St. Rose and through the years as many others can say. The Mass and food afterwards was just great. What was so super was also seeing so many priests and friends for his anniversary Mass. The priest's that were there were Father's Michael Jennett, Monsignor's Michael Bunny & Paul Albee. Father Jennett was at St. Rose in the late 70's and he was a Seminarian at St. Rose at that time and his 1st. parish was in Carpinteria and has been all over Ventura and Santa Barbara counties. He is now the Pastor at where the Mass for Father John was held and is Vicar of Santa Barbara & Ventura Counties. Monsignor Bunny is now retired and living in Apple Valley and helping parishes in the area, and of course Monsignor Paul Albee who is pastor at Holy Cross in Moorpark. They all look Super and it was great visiting with them, remember the Monsignor's were with Father John here At St. Rose. Those parishioners who were at the anniversary were John & Remy McKenzie Family, Rick & Peggy Cassonova, Pat & Sheila Shaffer, Mark & Bobbie Driscoll, Tim & Sara McNichol and of course my wife Jo and myself & it was great visiting with them also.

Even though we could only visit with Father John a short time, because everyone wanted a piece of him, it was great to see him honored so. The bad part he is at Santa Barbara University as the pastor for the College & he is not closer as a pastor. If any of you would like to go out to visit him I have his address. What a Great Day and it was like a class reunion from the 60's to the present.

God Bless you Father John Love and we hope you have many more anniversaries & enjoying your priesthood.

Yours in Christ

Al Mckinley
