- 1) Register all 5+ members of the group at the same time in the online registration system. A single payment for all of the registrations is required, either by credit card or mailed in check.
- 2) Each of the members registers and pays individually. This requires a special discount code available only to members of your group. Contact the NESUG registrars at registration@nesug.org to obtain a discount code and additional details about this option.

Student Discounts require a current, valid student ID, to be presented upon conference check-in. Registration online must be completed and online payment or mailed in check postmarked by August 30.

The fee is \$75 per guest. Guests will receive a badge and may attend the Sunday night Opening Session and
