

Autism Society of Alabama
TEAM DONATION TRACKER

As a team captain you will want to keep track of how much each team member has raised, as well as the overall team total in order to know how close/far you are to meeting your goal. By tracking each member you can praise those who have been successful and encourage other members to get going! Use the form below as a tool to organize your fundraising efforts and help solve the puzzle of autism spectrum disorders one step at a time!
