

### **Create a Mesopotamian Travel brochure**

Hard times have fallen on the people of our ancient world. Imagine you live in Babylon or some other ancient Mesopotamian city and must raise support for your city by way of tourism. Create a travel brochure that details interesting things about this city—include hand-drawn pictures (must be colored!), attractive titles, and descriptions of each of the areas you list. The brochure must be front and back (as detailed in the example shown to you)—totaling six sides. Include places to eat, entertainment ideas, travel interests, artifacts, etc. Also include historical facts about the city for content. BE CREATIVE!! The grading scale is as follows:

\_\_\_\_\_ 25 points for content

\_\_\_\_\_ 10 points for creativity

\_\_\_\_\_ 5 points for accuracy on interest spots (historically based)

\_\_\_\_\_ 5 points for title page

\_\_\_\_\_ 5 points for name, date, class, subject listed on the back of your brochure

*This grade is worth a total of 50 pts. It is a project grade..*
