

## MENS' HEALTH FOCUS – UPDATES IN UROLOGY

### Management of LUTS, BPH, ureteric stones and sexual health dysfunction in uro-oncology

Western Private Hospital & Stanlake Cancer Centre invite you to attend an evening of GP education focusing on common urological presentations in general practice.

This is a great opportunity to update your knowledge on the latest medical and surgical interventions available to treat these conditions.

Specialist Urologists practising in your area will be on hand to discuss and answer your questions.

### Program
