

# TWO K9 NOSE WORK SEMINARS

with **Scott Williams**

**Sunday, February 28<sup>th</sup>** A fun, exciting seminar about this new, compelling sport for you and your dog to enjoy together — K9 Nose Work! Nose Work is all about your dog using his strongest sense — his sense of smell. Your dog does it all the time: sniffing to explore the world, to get acquainted, to hunt, play and learn. At last, here's a fun activity for virtually all dogs and owners to do together. You might think of it as "tracking without any ticks!"

Join us to learn more about this instinctive activity, and watch your dog "be a dog," happily, successfully exploring and locating the right scent box. Watch your dog's instincts come alive!

**Two 3-hour Working sessions am and pm.** Nosework is exciting and exhausting for your dog, so in 3 hours of work, your dog will be tired, happy, and ready for a nap!

**Working spaces limited to 14 dog/handler teams per session.**

**Unlimited auditors.**

**Come with or without your dog ... You'll learn A LOT!!** Seminar fee includes participation and handouts, continental breakfast, lunch and snack. (If you've attended our seminars in the past, you know we feed you well!).

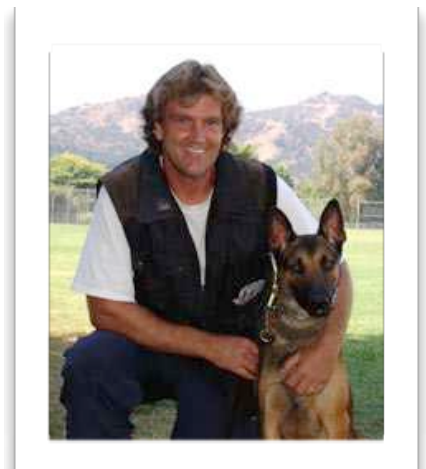

Session hours 9:00-Noon and 1:00-4:00. Lunch at noon.

Not sure if this seminar is for your dog? Email us at [info@alldogsgym.com](mailto:info@alldogsgym.com) or give us a call to talk about it.
