Involvement Minister

It is amazing how fast time goes by! Another year of school has come and gone, my sons are growing facial hair, I have a few more gray hairs than yesterday. I think you know what I'm talking about That's all I am going to say about

The Villages Independence Festival is coming up again on the same day as last year, July 4th. We again are in need of volunteers to help with the parade float, serve pizza, and man the booth at the festival.

The parade starts right here in our parking lot and ends at the Memorial Drive Baptist Church where the festival is held. It is an easy two mile walk and a great deal of fun to meet and hand out goodies along the parade route. This gives us the opportunity to be a part of the community where MCOC is located. There are sign up sheets in the lobby to help us know how many will be able to help with this great community outreach.

Don't forget to put FIAT (Faith In Action Today) on your calendar for June 28th. A few of the events will include parade float preparations. singing at the Abby, VBS stage building, VBS preparation, home repair project, card writing, building project, and several more. Be watching for announcements for where you can serve. Lunch is provided.

There are many ways to serve and if you have not found a place yet, I can help. Thank you for serving with open hearts to the community and world.

# Mission Statement

The Memorial Church of Christ exists to glorify God and to develop followers of Jesus by building up the community of believers and reaching out to the community at large.

## Father's Day is next Sunday!
