<p>This submission relates to:</p> <p><input checked="" type="checkbox"/> the Exemption Application</p> <p><input type="checkbox"/> the Request to Transfer the Exemption</p> <p><input type="checkbox"/> the Notice of Reconsideration/Removal of the Exemption</p>

**PART 2 – DESCRIPTION OF THIRD PARTY SUBMISSION (CONTINUED)**

*This description should be as specific as possible.*

Under Part 4 - Terms and Conditions where "Hydro One is to provide a work schedule to the IMO listing metering installations for which they plan on upgrading or collecting alternative Metering Installation Standard Checklist data for each year for which the exemption has been granted." We would like for Hydro One or the IMO to provide a copy of this work schedule for all Metering locations to us as the MMP.

In addition in reference to those installations where the magnitude of maximum error exceeds 3.0% will the LDC's receive a credit or pay the difference in energy retroactively to Market opening when these locations are Identified by Hydro One? Note: This question does not apply to 1207 relating to Meters with 2002 seal expiry as the IMO has already addressed this issue.
