

Kentucky Royal Rangers
District POW-WOW
September 11-13, 2015

Welcome Royal Rangers,

I am excited to announce some important information for new outposts. We would love to invite you and your boys to Pow-Wow with no equipment. That's right no tents, nor any camping equipment. All you need is a grill and food for you and your boys. We can house you and your boys in cabins and before you turn in for the night from a fun packed day we'll direct you to the Council Fire where everyone will have the opportunity to grow into a closer relationship with our Lord and Savior Christ Jesus. This salvation experience is the Greatest Adventure of all. Call me today to reserve cabins for your outpost; get registered, bring all permission forms for boys and pastors approval forms for dads and commanders (leaders). We only have enough cabins to house 36 people, so you may want to act quickly and reserve cabins for your boys. Pow-Wow is a life changing experience for boys and men alike. Come and join us for a great weekend of life-changing activity and discipleship.

Our Goals

There are four goals in Royal Rangers:

1. To instruct in Bible Doctrine.
2. To challenge for Christian service.
3. To inspire a belief in the fundamental beliefs of our church.
4. To satisfy the boy's basic need for activity.

POW-WOW can be a life-changing experience, for all that attend – leaders and dads as well as boys. This will happen by allowing the Holy Spirit to move during POW-WOW. We all can be an instrument of the Holy Spirit by asking for guidance through prayer, by relaxing and enjoying this camping experience, and being tolerant of others. Jesus Christ and the Holy Spirit will lead us by His grace as we strive to evangelize, equip, and empower the next generation of men for Jesus Christ, our Master Ranger. Come let's evangelize, equip, and empower the next generation of men in a restored vision for manhood. The Greatest Adventure of All, to follow Him in Christ-like formation. (Luke 19:10)

This year's theme is more than a catchy phrase. Exciting activities like shooting bows, creating a movie or backpacking in Red River Gorge are all good, wholesome fun, but these are temporary. God intends your entire life to be a spiritual adventure with Him. We want young men and boys to realize that the greatest adventure in all life is in following Christ Jesus. In doing so, Christ like character formation will take place in their life. For Guys, adventure abounds. In fact, if you are bored in your Christian walk God has a cure—adventure. Every opportunity to obey God's word and His instructions is an invitation to adventure. Those who do except God's plan and follow Him become exceptional men and leaders God intends them to become.

KY District Royal Rangers wishes to continually improve Pow-Wow. This packet is designed as a tool to help in the basic preparation for this annual event. It contains guidelines, basic rules, necessary forms, awards criteria, and a list of activities at Pow-Wow. You are encouraged to begin equipping your boys for this event. Make this POW-WOW the event your boys will remember.

These rules are in place for everyone's safety, & so can have lots of fun during POW-WOW!

Preparation

Leaders - please take the time to read this packet carefully. Begin making plans with your outpost. Perhaps you can start to prepare the boys' heart. We will be emphasizing the boys greatest adventure in all life is to become a child of God and to follow Jesus in all life's decisions. Christ like character formation will take place in doing so. In doing so will prepare boys and young men in those tasks God has for them to carry out. God has for all, the common task of believers; He also has that custom task that only you will be invited to carry out. A Guy's Journey to Manhood is a great book written by our fearless leader Doug Marsh. I encourage you to get this book and read it for yourself. Use it as a guide in helping boys and young men to recognize and except their task as children of God. Encourage each leader and boy to get this book. At the end of each chapter there are questions relating and a time for discussion with the boys. This will help prepare the soil in their life to receive His seed as the Holy Spirit gives them increase in restored vision for manhood, and servant leadership.

One important area for your boys; Saturday evening assembly is the skit time; which can earn your outpost an additional five points towards the Grand Pow-Wow award. Exhibiting Patrol Spirit will earn even more points! Teach your boys that we want participation as well as a time of listening, worshipping, and praying. Teach them to respect the time when boys come forward to prayer time, for salvation and seeking to be filled with the Holy Spirit. Before dismissal do not leave to early or allow others to leave or joke around, but teach them to stay in an attitude of prayer and of worship. If you need to please slip out, please do so quietly. Thanks!

Marching your boys in formation with special or utility uniform with yells, cadence, and songs is a great way to gain control and motivate your boys and other outposts. In fact you can earn points toward the Grand POW-WOW award, and Patrol Spirit award.

Special uniform: Short sleeve uniforms are now authorized and encouraged. The National Royal Rangers has approved a specialty uniform. The special uniform consists of an Outpost T-shirt, "Royal Ranger related." The Kentucky District will allow the Special uniform to be worn at POW WOW for anytime. Theme costumes for patrols may be worn for skit time and assembly time only and FCF outfits anytime.

Uniform of the day will be POW-WOW T-shirt if it is clean, remember look a like outpost. Additional 2014 Pow-Wow T-shirts will be available for purchase at the camp store for \$10.00 each; while supplies last. All others t-shirts will sell two for ten dollars.

Kentucky District Fire Building Contest Rules

Guide to determine size and use of tinder for fire contest.

Tinder is intended to get the fire going, not to create a tall flame, but to establish a flame for a hotter and tall flame. Refer to Royal Rangers leaders manual and the camping guide.

1. Use only the wood that has been supplied, no additions. Maximum length is 13 inches for tinder and fuel. One inch in diameter is recommended. You will need to split some of the wood smaller so it will burn faster. Any wood longer than the maximum or if used improperly will disqualify the team
2. Use matches only to start the fire (bring your own). Add no tinder to the fire after the flame has been established, unless the fire is going out.
3. Nothing can be placed under the string until starting time. Touching the strings prior to starting will loosen them and be harder to burn. Touching the strings after the fire has started will cause them to break, resulting in disqualification of the team.
4. Commanders may coach only! You are not to touch a piece of wood. Handling of the wood can only be by the two rangers on the fire line.
 - 100% cotton string works best
 - 1st string 18 inches off the ground
 - 2nd string 24 inches off the ground
 - 3rd string 36 inches off the ground
 - Space approximately 48 inches between fires

Safety is a big concern: Clear your area! Keep all wood at least 2 feet away from the fire area. Bring water to put out the fire after the contest and buckets to clean up. This is a joint task. When you win, please let the person in charge know your outpost number and all those on the team for awards.

You may have only two rangers on the fire at one time, extras can be used for wind shields if needed, may not touch wood.

Example: minimum two rangers per team

Discovery – two needed, you may have as many extras in that grade level that want to

Adventure – two needed, minimum one Adventure one or more of lower grade level if needed

Expedition – two needed, minimum one Expeditions one or more of lower grade level if needed

Adult Screening Form

In recent years, churches have been sued because of child abuse or molestation occurring in church youth or children's programs. In most of these cases, the plaintiffs allege one or both of the following:

1. The church was negligent in hiring the molester to work with minors (i.e. the church hired and/or used volunteers without any screening or evaluation).
2. The church was negligent in supervising the individual.

Completion and submission of this screening form meets one of the requirements that show the Kentucky District Royal Rangers is screening adult leaders who will be attending POW-WOW. It will be used to help provide a safe and secure environment for those boys who participate in our program and use Kentucky District facilities.

This form is to be completed and turned in upon arrival at Registration by all adults eighteen (18) years old or older, for any position involved in the supervision of boys at the Kentucky District POW-WOW.

Note!!! The Entry Way may be built at the outpost and assembled at Pow-Wow. It is to be planned and built by the boys and leaders of the outpost. Commanders will assist in design and some construction. However, allow your boys to build much of this!!! Their own work is what we are looking for and is what they will be judged on and most proud of. Let them make memories, don't make them for them.

It is an extremely difficult judgment call to say the Entry Way is totally adult built and therefore you're on your honor. Men, we are relying upon your integrity to verify that your boys helped designed and built this Entry Way. Therefore, I am asking you to sign the following statement and then post this Judging form on your Entry Way prior to the inspection on Saturday. Thank you for your cooperation in this matter.

By signing my name to this form, I testify to the fact that the boys of my outpost did most of the work and design to bring this Entry Way into existence.

"I want to challenge our leaders to grow, to reach out to influence more boys and young men than ever and do it more effectively than we ever have."

What a year it has been! We are thrilled to see the ministry grow here in Kentucky and around the world proclaiming the Good News of Jesus Christ. Through your prayers, your personal ministry of evangelism, and financial support this year and past.

But our work can't stop there... because God has commanded us to make disciples of all nations (Matthew 28:16-20). All nations! That's no small task, and what an adventure it is! There are countless people around the world who desperately need to hear the Good News of Jesus Christ. Far too many of them have no clue that God is searching them out for personal and eternal friendship full of adventure. We have millions of boys and young men to influence, so our best days must lie ahead—there eternal destiny depends on it! WE MUST INFLUENCE MORE BOYS AND YOUNG MEN THAN EVER. In 2014, we plan in restored vision for manhood to as many as possible... but we can't do this without you and your prayers! Please keep praying!!

Our small team relies on your prayer support as we seek to encourage and provide resources to influence more boys and young men than ever and do it more effectively than ever. I urge you to partner with us in prayer each and every day. Just a few minutes spent in prayer each day makes a world of difference. "With people this is impossible, but with God all things are possible" (Matthew 19:26). Thank you so much for praying!

"Ready" in His service,
