

**CONSENT, RELEASE, HOLD HARMLESS AND AUTHORIZATION TO REPRODUCE PHYSICAL LIKENESS**

As used below, "NASA" shall mean National Aeronautics and Space Administration, as represented by Ames Research Center, and its officers, directors, employees, agents and assigns.

I am informed that NASA will be posting photos surrounding the NASA Quest Challenge (the "Program") and that NASA has requested that I grant it the right to post photograph(s) of me, on the NASA Quest website.

I (the undersigned) do hereby confirm the consent heretofore given NASA with respect to NASA posting my photograph me in connection with the Program, and I do hereby grant to NASA, its successors and licensees, the right to use, reproduce, distribute to the public, perform publicly and display publicly, the photographs containing my likeness and any and all revisions and reproductions thereof, in any and all media without limitation, throughout the world, and NASA shall have the right to authorize and license others to do so. I agree that NASA may record all of said photographs on tape, film or otherwise and use said photographs and recordings, including the use of my likeness therein contained, in connection with the Program, for advertising, promotion, exploitation, and any other use in connection with the Program as NASA may desire throughout the world and in perpetuity in any and all media now known or hereafter devised. NASA may use my name (first only for minor) and likeness and other information concerning me in connection with the Program at NASA's sole discretion.

I expressly acknowledge that NASA has no obligation to use my likeness or name in connection with the Program and further acknowledge that NASA may delete, edit, change, and/or rearrange all or any of the foregoing. I acknowledge that any opinion expressed by me in the Program is my own, and not the opinion of NASA.

I hereby unconditionally release NASA from and against any and all claims, liabilities, demands, actions, causes of action, costs and expenses, whatsoever, at law or in equity, known or unknown, anticipated or unanticipated, suspected or unsuspected, which I ever had, now have, or may, shall, or hereafter have by any reason, matter, cause or thing whatsoever, arising out of my photograph, the broadcast or use of such photographs, or otherwise in connection with the Program.

I represent that I am at least eighteen (18) years of age (or parent/guardian signature is below).

If participant is under 18 years of age:

I represent and warrant that I am the parent or guardian of the above-signed minor ("Minor"). I have read the foregoing agreement and am familiar with all of the terms and conditions thereof and I consent to its execution by the Minor. I agree that neither the Minor nor I will revoke or disaffirm the foregoing agreement at any time. I agree to indemnify and hold NASA, its successors and licensees, harmless from and against any and all claims, liabilities, costs or expenses, including reasonable attorney's fees which may arise from the breach or alleged breach by the Minor or me of the foregoing agreement or this agreement.
