Laugh Lines.....

The year is 2020, and the U.S. has just elected the first woman, an LSU graduate, as President of the U.S. A few days after the election, Susan Boudreaux, the president-elect, calls her father to encourage him to come to the inauguration.

“I don’t think so,” he says. “Your mother isn’t as young as she used to be, and my arthritis is acting up.”

“Don’t worry, Dad. I’ll have Air Force one pick you up.”

“Well, it’s a big day, and I don’t know what we’ll wear.”

“Oh, Dad, I’ll help you both pick out something new once you’re here. My treat!”

“Susie, you know I can’t eat that rich food you’re sure to have.”

“Dad, listen, there will be a variety of food, and I’m having one caterer from New Orleans so you will find something you like.”

Reluctantly, Mr. Boudreaux agrees, and on January 20, 2020 Susan Boudreaux is being sworn in as the President of the United States.

Mr. Boudreaux leans over to a prominent senator, and says, “You see that woman with her hand on the Bible becoming the first female president?”

“Yes, I do” the senator whispers.

Mr. Boudreaux says proudly, “Her brother played football at **L.S.U.**”
