Year 6 Language choices in 2016

Year 6 is the beginning of an exciting new phase in student learning where other subjects are studied. In Year 6 students study a language other than English. At Cairns School of Distance Education we are fortunate to be able to offer a choice of six languages for students to choose from. It is compulsory to study a least one language from Year 5 through to Year 8. Please indicate your choice from the languages that are on offer - Chinese, French, German, Indonesian, Italian and Japanese.

Please complete the attached subject selection form.

Yours sincerely
