

Autism Tasmania is commencing a project with Speak Out Tasmania to inform our community about the NDIS.

Extracts from these videos will be compiled and shown at the upcoming information sessions to be conducted around Tasmania. In addition people will be able to access the Autism Tasmania www.autismtas.org.au website to see the videos.

Julie from SpeakOut will be filming the videos at various locations dependent of the level of interest.

If you want to be in the photos and videos, you need to complete and sign the form over the page.

Nobody is allowed to use your photos or videos for anything except as indicated above. People can ask you if they want to use them. If they ask, you can decide if you will let them. If you say “no”, they can’t use them.

You can talk to us about this on the phone or by email. Phone 03 6231 2745 or email autism@autismtas.org.au.

Questions for Interview:

1. What were your initial expectations of the NDIS
2. What advice would you like to share about good preparation for the planning interviews
3. What tips would be useful to share to better navigate the planning process
4. How did the NDIS satisfy your or your child’s goals and aspirations
5. How could the NDIS be improved
