financial planning

The Granary, Cornbury Park,  
Charlbury, Oxfordshire OX7 3EW

## Directions

There are several entrances to Cornbury Park. You need to enter from the B4022 which runs from Charlbury to Witney. The postcode for satnav is OX7 3EW, however, it will not get you exactly to the address, so please follow the exact directions below.

From the B4022 take the turning for Southill Business Park (on the right coming from Charlbury after Finstock station – or on the left from Witney having just left Finstock). The green and yellow signs at the entrance show Bay Tree Financial Planning at the bottom section.

Follow the single track road with a few passing places. You will arrive at a set of green gates, next to a wooden stable. If you are visiting out of normal business hours the gates will be locked, please use the access code emailed to you. After coming through the gates you will pass two houses on your right. Just after the parking area for the fishing lake (on your left), take the turning on your right for Southill Business Park.

Please call me on either  
01608 813070 or  
07788 410743 if  
you need help with  
directions on the day.

This right hand turning can be seen on the picture opposite the lake edge. The turning has an immediate fork; please take the right hand one so you are next to the buildings. After a few meters there is an open gravel area on the right in front of **Higher Health & Healing**. Turn into this gravel area. Parking for the Granary is where the five cars are parked on the photo above. The Granary is the large square building in front of the cars.

Bay Tree Financial Planning is listed on the sign board. Please come in the front door (next to the sign board and NOT the outside steps) and take the stairs up to the first floor, Bay Tree Financial Planning is the door in front of you at the top of the stairs.
