August 2015

Dear Parents and Athletes:

Welcome to the DC Sail High School Sailing Program!

For those who are unfamiliar with DC Sail, our mission is to promote and sustain affordable, educational, recreational and competitive sailing programs for all ages in a fun and safe environment.

This ten week course is subsidized by DC Sail, requiring a **\$485 registration**. Need-based scholarships are available. This registration fee includes a 6-month DC Sail Basic Membership, which enables team-members to have access to DC Sail's boats and other programs through the off season months.

Parent involvement is crucial to the success of our high school teams. We will need parental help in the areas of fundraising for new equipment, transportation to away varsity and junior varsity regattas, and support at our home regattas. At the pre-season meeting, we will ask that each team nominates a parent who is willing to be the main contact person on that team. This season's pre-season meeting will be held on Tuesday, August 25, 2015 at 6:00 PM, hosted at the Harbor Patrol Office located on the waterfront (550 Water Street SW, Washington, DC.)

The number of spots available with our program is limited. Both online registration and completion of the following pages, along with payment are required to complete the registration process. Deadline is August 28, 2015.

We look forward to working with parents and sailors!

2. No running, pushing, or unauthorized swimming is permitted.
3. Piers, ramps, and electric hoists are to be used only for their specified purposes.
4. Students will return boats and equipment to proper storage areas as soon as possible upon completion of the day's activities. All personal gear and items will be properly secured and the dock and ramp areas will be kept clean, neat and free from obstructions.
