## P&F EVENTS 2015

### **Dear Parents**

As you will be aware, St Emilie's enjoys a quality teaching and learning environment where all children from Kindy to Year 6 have access to excellent facilities and resources. Between the P&F, Board, the Staff and Leadership Team we strive to continue to make wise and discerning decisions in regard to the allocation of funds for specific purposes.

It is important to understand that our school *relies* on the funds raised by the P&F each year. The annual family levy *contributes to* helping fund some of the larger capital items every child ultimately benefits from across their years of schooling. Other monies we raise over and above the levy amount are used in a variety of ways eg class reading books, educational games, PE/sport equipment, extra ICT resources, Literacy Pro reading books, Athletics, library books, and more.

Rather than raise the P&F levy, families have the opportunity to help raise money, not just from 'within' our community but more importantly from *without it* eg at Bunnings Sausage sizzles, inviting guests to a school function eg a Quiz Night or fete, making a cake to be sold at carnivals; selling tickets and hot cross buns etc at workplaces. Every little bit helps, so we are asking that you **please get behind the P&F initiatives** and the people who will form the P&F Executive for 2015.

Ideally what we want to see happen is people volunteering to take responsibility for leading a fundraiser and/or be a 'worker bee' at one or more of these events. Rather than leaving it to just a few people, we really need each family, Kindy-Year 6 to commit and think carefully about what **YOU** are going to do to help out our school in 2015. You might also have some contacts, or access to grants, or a business that can provide us with ways of generating either money or prizes. You may have special talents that could also be used! If so, *please* let us know!

In addition to raising money, the opportunities we have to gather together as both a whole school community and at various times in smaller settings (whether at P&F meetings, parent workshops, planning events, cooking snags, at busy bees class get togethers etc) are pivotal opportunities for *building relationships*.

**Class Reps - Kindy to Year 6.** We would really like a Class Rep as a 'GO TO' person for each class, each year. This role is a great opportunity to help us to faithfully communicate and reinforce what is going on terms of the P&F to parents in your class, as well as helping to organise the occasional get together. A Nomination Form can be found at: <http://web.stemiliescps.wa.edu.au/?p=4787>

**Please *sign up* your willingness to get involved and support your school!**

**[Link to P&F Committee and Class Rep Nomination Form](#)**

Please make some time to read the [Class Rep Nomination Form](#) and [Class Rep Guide for Parents](#), which you will find on the website under 'P&F News'. Ideally, we are hoping to fill each Class Rep position as soon as possible, so if you are someone who wants to support the families in your child's class; has the good of the school at heart; are a friendly and inclusive person who is happy to get involved, then please consider nominating yourself!

<http://web.stemiliescps.wa.edu.au/?p=4787>

Many thanks for your careful consideration of how you might volunteer your time, expertise or other to our community for the good of our children and our school.

Your support of our school community is very much appreciated.
