Paraflex Classic Umbrella System from ShadeScapes

Retail Price List (MSRP) - Order by Design

2011 Retail Price List (MSRP) - Good Through December 31, 2011 (2011.01)
Shipping & Handling charges subject to change.

Sensible and stylish, the Paraflex Classic Umbrella System is a product of European ingenuity. The centerpiece of this unique system is the Flexible Arm/Holder, which works much like a human arm, allowing the Paraflex umbrella to be tilted and rotated in an almost infinite adjustment range. Choose from seven Paraflex designs and have great-looking shade for many years to come!
