

Morgan Middle School PTSO

Volunteer Sign-up Sheet for the 2013-2014 School Year

Volunteering with the PTSO is a great way to get involved in your child's education and be aware of activities going on at the Morgan Middle School! Your membership not only helps you get to know the administration and faculty—it shows your child that their time at Middle School is important to you!

For a minimum of \$15 donation per child, your membership in the PTSO helps fund many activities, including assemblies, bussing for educational activities, and our campaign to assist teachers and students with the resources needed to aid in vital aspects of education. **THANK YOU FOR YOUR SUPPORT!**

Here are a few ways you can volunteer – Please mark all those you are willing to help with!
