

August 20, 2014

Dear Parents,

Star Spellers is an extracurricular activity that encourages students to excel in spelling and is an excellent way to prepare your child for the school Spelling Bee in January. The Star Speller tests will be administered monthly and a student becomes a member of the Star Spellers Club by completing the test with 100% accuracy. The tests are comprised of 30 sight words at different levels. Students who pass the test will earn recognition and will be encouraged to try for a higher level each time.

This year Star Spellers will be offered to students before school at 8:00 a.m. in room 22. Please be prompt and do not enter the room once spelling tests have begun. The dates for Star Spellers are now listed on the BBS Extracurricular Calendar.

If you are interested in having your child participate in Star Spellers please complete the attached form and return it to the school office by September 3. Students who participated in Star Spellers previously will need to fill out a registration form if they choose to continue, however, they will begin on the level they were on last year.

Sincerely,

Mrs. Killingsworth
Third Grade Teacher
