Super Notice of Funding Availability (SuperNOFA) for Housing and Community Development Programs

AGENCY: Office of the Secretary, HUD.

ACTION: Super Notice of Funding Availability (SuperNOFA) for Housing and Community Development Programs.

SUMMARY: This Super NOFA of Funding Availability (SuperNOFA) announces the availability of approximately **\$1,247,906,870** in HUD program funds covering nineteen (19) Housing and Community Development Programs operated and managed by the following HUD Offices: Community Planning and Development (CPD), Public and Indian Housing (PIH), Housing, Policy Development and Research (PD&R), Office of Lead Hazard Control, and Fair Housing and Equal Opportunity (FHEO). The **General Section** of this SuperNOFA contains the procedures and requirements applicable to all 19 programs. The applications for funding for these programs have been consolidated into 6 applications. The **Programs Section** of this SuperNOFA contains a description of the specific programs for which funding is made available under this SuperNOFA and additional procedures and requirements that are applicable to each.

APPLICATION DUE DATES: The information contained in this "APPLICATION DUE DATES" section applies to all programs contained in this SuperNOFA. Completed applications must be submitted to HUD no later than the deadline established for the program for which you are seeking funding. Applications may not be sent by facsimile (FAX). See the Program Chart for specific application due dates.

ADDRESSES AND APPLICATION SUBMISSION PROCEDURES: Addresses. Completed applications must be submitted to the location specified in the **Programs Section** of this SuperNOFA. When submitting your application, please refer to the **program name** for which you are seeking funding.

For Applications to HUD Headquarters. Applications to be submitted to HUD Headquarters are due at: Department of Housing and Urban Development, 451 Seventh Street, SW, Room ____ (See Program Chart or **Programs Section** for room location), Washington DC 20410.

For Applications to HUD Field Offices. For those programs for which applications are due to the HUD Field Offices, please see the **Programs Section** for the exact locations for submission.

Applications Procedures. Mailed Applications. Applications will be considered timely filed if postmarked

on or before **12:00 midnight** on the application due date and received by the designated HUD Office on or within **ten (10) days** of the application due date.

Applications Sent by Overnight/Express Mail Delivery. Applications sent by overnight delivery or express mail will be considered timely filed if received before or on the application due date, or upon submission of documentary evidence that they were placed in transit with the overnight delivery service by no later than the specified application due date.

Hand Carried Applications. **For applications submitted to HUD Headquarters,** hand carried applications delivered before and on the application due date must be brought to the specified location and room number between the hours of **8:45 am to 5:15 pm, Eastern time.** Applications hand carried **on the application due date** will be accepted in the South Lobby of the HUD Headquarters Building at the above address from **5:15 pm until 12:00 midnight, local time.** Applications due to HUD Field Office locations must be delivered to the appropriate HUD Field Office in accordance with the instructions specified in the **Programs Section** of the SuperNOFA.

For applications submitted to the HUD Field Offices, hand carried applications will be accepted during normal business hours before the application due date. On the application due date, business hours will be extended to 6:00 pm. (Please see the Appendix A to this SuperNOFA listing the hours of operations for the HUD Field Offices.)

COPIES OF APPLICATIONS TO HUD OFFICES. The **Programs Section** of this SuperNOFA may specify that to facilitate processing and review of your submission a copy of the application also be sent to an additional HUD location (for example, a copy to the HUD Field Office if the original application is to be submitted to HUD Headquarters, or a copy to HUD Headquarters, if the original application is to be submitted to a HUD Field Office). Please follow the requirements of the **Programs Section** to ensure that you submit your application to the proper location. HUD requests additional copies in order to expeditiously review your application and appreciates your assistance in providing the copies. Please note that for those applications for which copies are being submitted to the Field Offices and HUD Headquarters, timeliness of submission will be based on the time the application is received at HUD Headquarters.

FOR APPLICATION KITS, FURTHER INFORMATION AND TECHNICAL ASSISTANCE: The information contained in this section is applicable to all programs contained in this SuperNOFA.

For Application Kits and SuperNOFA User Guide. HUD is pleased to provide you with application kits and/or a guidebook to all HUD programs. When requesting an application kit, please refer to the **program name** of the application kit you are interested in receiving. Please be sure to provide your name, address (including zip code), and telephone number (including area code).

Requests for application kits should be made immediately to ensure sufficient time for application preparation. We will distribute application kits as soon as they become available.

The SuperNOFA Information Center (1-800-HUD-8929) can provide you with assistance, application kits, and guidance in determining which HUD Office(s) should receive a copy of your application.

Consolidated Application Submissions. Where an applicant can apply for funding under more than one program in this SuperNOFA, the applicant need only submit one originally signed SF-424 and one set of original signatures for the other required assurances and certifications, accompanied by the matrix contained in each application kit. As long as the applicant submits one originally signed set of these documents with an application, only

copies of these documents may be submitted with any additional application submitted by the applicant.

For Further Information. For answers to your questions about this SuperNOFA, you have several options. You may call the HUD Office or Processing Center serving your area at the telephone number listed in your program area section to this SuperNOFA, or you may contact the SuperNOFA Information Center at 1-800-HUD-8929. Persons with hearing or speech impairment may call the Center's TTY number at 1-800-483-2209. Information on this SuperNOFA also may be obtained through the HUD web site on the Internet at <http://www.HUD.gov>.

For Technical Assistance. Before the application due date, HUD staff will be available to provide general guidance and technical assistance about this SuperNOFA. Current law does not permit HUD staff to assist in preparing the application. Following selection of applicants, but prior to award, HUD staff will be available to assist in clarifying or confirming information that is a prerequisite to the offer of an award or Annual Contributions Contract (ACC) by HUD.

INTRODUCTION TO THE SUPERNOFA PROCESS

To further HUD's objective, under the direction of Secretary Andrew Cuomo, of improving customer service and providing the necessary tools for revitalizing communities and improving the lives of people within those communities, HUD will publish three SuperNOFAs in 1998, which coordinate program funding for 39 programs and cut across traditional program lines.

(1) The first is this SuperNOFA and consolidated application process for Housing and Community Development Programs, published in today's Federal Register, covering 19 Housing and Community Development Programs.

(2) The second is the SuperNOFA and consolidated application process for Economic Development and Empowerment Programs. This second SuperNOFA includes funding for the following programs and initiatives: Brownfields; Youthbuild; Economic Development Initiative; Neighborhood Initiatives; Tenant Opportunity Program, Economic Development and Supportive Services; and the Section 8 Family Self-Sufficiency Service Coordinators.

(3) The third is the SuperNOFA and consolidated application process for Targeted Housing and Homeless Assistance Programs. This third SuperNOFA includes the following programs and initiatives: Housing Opportunities for Persons with Aids; Continuum of Care Assistance; Section 202 Elderly Housing; Section 811 Disabled Housing; Service Coordinators; Section 8 Designated Housing; Section 8 Mainstream Housing Opportunities; Family Unification; and Elderly Housing Revitalization.

All three SuperNOFAs and consolidated applications, to the greatest extent possible, given statutory, regulatory and program policy distinctions, will have one set of rules that, together, offer a "menu" of approximately 39 programs. From this menu, communities will be made aware of funding available for their jurisdictions. Nonprofits, public housing agencies, local and State governments, tribal governments and tribally designated housing entities, veterans service organizations, faith-based organizations and others will be able to identify the programs for which they are eligible for funding. HUD is anticipating publishing all three SuperNOFAs before May 1, 1998.

The National Competition NOFA. In addition to the three SuperNOFAs, HUD also will publish a single NOFA for three national competitions: the Fair Housing Initiatives Program National Competition; the Lead-Based Paint Hazard Control National Competition; and the Housing Counseling National Competition. HUD also anticipates publishing this national competition NOFA before May 1, 1998.

The Housing and Community Development SuperNOFA. This first SuperNOFA announces the availability of approximately \$1,247,906,870 in HUD program funds covering nineteen (19) Housing and Community Development Programs operated and managed by the following HUD Offices: Community Planning and Development (CPD), Public and Indian Housing (PIH), Housing, Policy Development and Research (PD&R), Office of Lead Hazard Control, and Fair Housing and Equal Opportunity (FHEO).

Assisting Communities to Make Better Use of Available Resources. This first SuperNOFA represents a marked departure from, and HUD believes a significant improvement over, HUD's past approach to the funding process. In the past, HUD has issued as many as 40 separate NOFAs, all with widely varying rules and application processing requirements. This individual program approach to funding, with NOFAs published at various times throughout the fiscal year, did not encourage and, at times, unintentionally impeded local efforts directed at comprehensive planning and development of comprehensive local solutions. Additionally, the old approach seemed to require communities to respond to HUD's needs rather than HUD responding to local needs. Secretary Cuomo brings to the leadership of HUD the experience of successfully implementing a consolidated planning process in HUD's community development programs. As Assistant Secretary for Community Planning and Development, Secretary Cuomo consolidated the planning, application, and reporting requirements of several community development programs. The Consolidated Plan rule, published in 1995, established a renewed partnership among HUD, State, and local governments, public and private agencies, tribal governments, and the general citizenry by empowering field staff to work with other entities in fashioning creative solutions to community problems.

The SuperNOFA approach builds upon Consolidated Planning implemented by the Secretary Cuomo in HUD's community development programs, and also reflects the Secretary's organizational changes for HUD, as described in the Secretary's management reform plan. On June 26, 1997, Secretary Cuomo released the HUD 2020 Management Reform Plan, which provides for significant management reforms at HUD. This plan calls for significant consolidation of like programs to maximize efficiency and dramatically improve customer service. The plan also calls for HUD to improve customer service by adopting a principle of "menus not mandates."

By announcing the funding of these nineteen programs in one NOFA, HUD hopes to assist communities in making better use of available resources to address their needs and the needs of those living within the communities in a holistic and effective fashion. These funds are available for eligible applicants to support individual program objectives, as well as cross-cutting and coordinated approaches to improving the overall effective use of available HUD program funds.

To date, HUD has been consolidating and simplifying the submission requirements of many of its formula grant and discretionary grant programs to offer local communities a better opportunity to shape available resources into effective and coordinated neighborhood housing and community development strategies that will help revitalize and strengthen their communities, physically, socially and economically. To complement this overall consolidation and simplification effort, HUD designed this process to increase the ability of applicants to consider and apply for funding under a wide variety of HUD programs in response to a single NOFA. Everyone interested in HUD's housing and community development assistance programs can benefit from having this information made available in one NOFA.

Coordination, Flexibility, and Simplicity in the HUD Funding Process. This SuperNOFA places heavy emphasis on the coordination of activities to provide (1) greater flexibility and responsiveness in meeting local housing and community development needs, and (2) greater flexibility to eligible applicants to determine what HUD program resources best fit the community's needs, as identified in local Consolidated Plans and Analysis of Impediments to Fair Housing Choice ("Analysis of Impediments" (AI)).

This SuperNOFA will simplify the application process; promote effective and coordinated use of program funds in communities; reduce duplication in the delivery of services and housing and community development programs; allow interested applicants to seek to deliver a wider, more integrated array of services; and improve the system for potential grantees to be aware of, and compete for program funds.

HUD encourages applicants to work together to coordinate and, to the maximum extent possible, join their activities to form a seamless and comprehensive program of assistance to meet identified needs in their communities, and address barriers to fair housing and equal opportunity that have been identified in the community's Consolidated Plan and Analysis of Impediments in the geographic area(s) in which they are seeking assistance.

As part of the simplification of this funding process, and to avoid duplication of effort, the SuperNOFA provides for consolidated applications for several of the programs for which funding is available under this NOFA. HUD programs that provide assistance for similar activities, e.g., technical assistance, drug elimination, modernization and revitalization, have a consolidated application that reduces the administrative and paperwork burden applicants may otherwise encounter in submitting an application for each program. The Program Chart in this introductory section of the SuperNOFA identifies the programs that have been consolidated and for which a consolidated application is made available to eligible applicants.

The funding of these nineteen programs through this SuperNOFA will not affect the ability of eligible applicants to seek HUD funding. Eligible applicants are able, as they have been in the past, to apply for funding under as few as one or as many as all programs for which they are eligible.

The specific statutory and regulatory requirements of each of the nineteen separate programs continue to apply to each programs. The SuperNOFA reflects, where necessary, the statutory requirements and differences applicable to the specific programs. Please pay careful attention to the individual program requirements that are identified for each program. Also, you will note that not all applicants are eligible to receive assistance under all nineteen programs identified in this SuperNOFA

The SuperNOFA contains two major sections. The **General Section** of the SuperNOFA contains the procedures and requirements applicable to all applications. The **Programs Section** of the SuperNOFA describes each program for which funding is made available in the NOFA. As in the past, each program provides a description of eligible applicants, eligible activities, factors for awards, and any additional requirements or limitations that apply to the program. Please read carefully both the **General Section** and the **Programs Section** of the SuperNOFA for the program(s) to which you are applying. This will ensure that you apply for program funding for which your organization is eligible to receive funds and you fulfill all the requirements for that program(s).

THE PROGRAMS OF THIS SUPERNOFA AND THE AMOUNT OF FUNDS ALLOCATED

The nineteen programs for which funding availability is announced in this SuperNOFA are identified in the following chart. The approximate available funds for each program are listed as expected funding levels based on appropriated funds. Should recaptured or other funds become available for any program, HUD reserves the right to increase the available program funding amounts by the amount available.

The chart also includes the application due date for each program, the OMB approval number for the information collection requirements contained in the specific program, and the Catalog of Federal Domestic Assistance (CFDA) number.

DRUG ELIMINATION IN PUBLIC AND ASSISTED HOUSING PROGRAMS	\$ 326,748,934	June 15, 1998	Appropriate local Field Office except if only applying for Drug Elimination TA.
Public Housing Drug Elimination Program (Including Youth Sports Eligible Activities) CFDA No.: 14.854 OMB Approval No.: 2577-0124	\$ 288,498,934*		
Public Housing Drug Elimination Program – New Approaches (Formerly Safe Neighborhood Grant) CFDA No.: 14.854 OMB Control No.: 2577-0124	\$ 20,000,000		
Drug Elimination Grants for Multifamily Low Income Housing CFDA No.: 14.193 OMB Approval No.: 2502-0476	\$ 16,250,000		
Public Housing Drug Elimination Program - Technical Assistance CFDA No.: 14.854 OMB Approval No: 2577-0124	\$ 2,000,000		HUD Headquarters, Room 4112
* This amount includes \$44,935,934 in FY 97 funds for applicants not funded in 1997.			

Paperwork Reduction Act Statement. For those programs listed in the chart above which have OMB approval numbers, the information collection requirements contained in this SuperNOFA for those programs have been approved by the Office of Management and Budget (OMB) in accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520). For those programs listed in the chart for which an OMB approval number is pending, the approval number when received will be announced by HUD in the Federal Register. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a valid control number.

GENERAL SECTION OF THE SUPERNOFA

I. Authority; Purpose; Amount Allocated; Eligible Applicants and Eligible Activities.

(A) Authorities. The authority for Fiscal Year 1998 funding availability under this SuperNOFA is the Department of Veterans Affairs and Housing and Urban Development and Independent Agencies Appropriations Act, 1998 (Pub.L. 105-65, approved October 27, 1997) (FY 1998 HUD Appropriations Act). Where applicable, additional authority for each program in this SuperNOFA is identified in the **Programs Section**.

(B) Purpose. The purpose of this SuperNOFA is to:

(1) Make funding available through a variety of programs to empower communities and their residents, particularly the poor and disadvantaged, to develop viable communities, provide decent housing and a suitable living environment for all citizens, without discrimination in order to improve themselves both as individuals and as a community.

(2) Simplify and streamline the application process for funding under HUD programs. By making available to State and local governments, public housing agencies, tribal governments, non-profit organizations and others, the application requirements for HUD housing and community development programs in one NOFA, HUD hopes that the result will be a less time consuming and less complicated application process. This new process also allows an applicant to submit one application for funds for several programs. Except where statutory or regulatory requirements or program policy mandate differences, the SuperNOFA strives to provide for one set of rules, standardized rating factors, and uniform and consolidated application procedures.

(3) Enhance the ability of applicants to make more effective and efficient use of housing and community development funding when addressing community needs and implementing coordinated housing and community development strategies established in local Consolidated Plans, which is the single application for HUD housing and community development and other formula funds submitted by the local or State government. Through this SuperNOFA process, applicants are encouraged to: (i) create opportunities for strategic planning and citizen participation in a comprehensive context at the local level in order to establish a full continuum of housing and services; and (ii) promote methods for developing more coordinated and effective approaches to dealing with urban, suburban, and rural problems by recognizing the interconnections among the underlying problems and ways to address them through layering of available HUD programs;

(4) Promote the ability of eligible non-profit organizations to participate in many of the programs contained in this SuperNOFA; provide an increased opportunity to assist communities in maintaining, rehabilitating, and constructing affordable housing for low and moderate income families; improve the quality of life for residents of public housing; develop and implement programs which promote fair housing practices and open housing opportunities within a community or geographic area; and provide technical assistance and services to improve program results and increase the productivity of HUD programs in meeting community needs; and

(5) Recognize and make better use of the expertise that each of the programs, and organizations eligible for funding under this SuperNOFA, can contribute when developing and implementing local housing and community development plans, the Consolidated Plan, and the HUD required Analysis of Impediments to Fair Housing Choice.

(C) Amounts Allocated. The amounts allocated to specific programs in this SuperNOFA are based on appropriated funds. Should recaptured funds become available in any program, HUD reserves the right to increase the available funding amounts by the amount of funds recaptured.

(D) Eligible Applicants and Eligible Activities. The eligible applicants and eligible activities for each program are identified and described for the program in the **Programs Section** of the SuperNOFA.

II. Requirements and Procedures Applicable to All Programs.

Except as may be modified in the **Programs Section** of this Super NOFA, or as noted within the specific provisions of this Section II, the following principles apply to all programs. Please be sure to read the program area section of the SuperNOFA for additional requirements or information.

(A) Statutory Requirements. All applicants must meet and comply with all statutory and regulatory requirements applicable to the program for which they are seeking funding in order to be awarded funds. Copies of the regulations are available from the SuperNOFA Information Center or through the Internet at <http://www.HUD.gov>. HUD may reject an application from further funding consideration if the activities or projects proposed are ineligible, or HUD may eliminate the ineligible activities from funding consideration and reduce the grant amount accordingly.

(B) Threshold Requirements -- Compliance with Fair Housing and Civil Rights Laws. All applicants, with the exception of Federally recognized Indian tribes, must comply with all Fair Housing and civil rights laws, statutes, regulations and executive orders as enumerated in 24 CFR § 5.105(a). Federally recognized Indian tribes must comply with the Age Discrimination Act of 1975, Section 504 of the Rehabilitation Act of 1973, and the Indian Civil Rights Act. If an applicant (1) has been charged with a violation of the Fair Housing Act by the Secretary; (2) is the defendant in a Fair Housing Act lawsuit filed by the Department of Justice; or (3) has received a letter of noncompliance findings under Title VI of the Civil Rights Act, Section 504 of the Rehabilitation Act, or Section 109 of the Housing and Community Development Act, the applicant is not eligible to apply for funding under this SuperNOFA until the applicant resolves such charge, lawsuit, or letter of findings to the satisfaction of the Department.

(C) Additional Nondiscrimination Requirements. Applicants must comply with the Americans with Disabilities Act, and Title IX of the Education Amendments Act of 1972.

(D) Affirmatively Furthering Fair Housing. Unless otherwise specified in the **Programs Section** of this SuperNOFA, each successful applicant will have a duty to affirmatively further fair housing. Applicants should include in their work plans the specific steps that they will take to (1) address the elimination of impediments to fair housing that were identified in the jurisdiction's Analysis of Impediments (AI) to Fair Housing Choice; (2) remedy discrimination in housing; or (3) promote fair housing rights and fair housing choice. Further, applicants have a duty to carry out the specific activities cited in their responses to the rating factors that address affirmatively furthering fair housing in the **Programs Section** of this SuperNOFA.

(E) Economic Opportunities for Low and Very Low-Income Persons (Section 3). Certain programs in this SuperNOFA require recipients of HUD assistance to comply with section 3 of the Housing and Urban Development Act of 1968, 12 U.S.C. § 1701u (Economic Opportunities for Lower Income Persons in Connection with Assisted Projects), and the HUD regulations at 24 CFR part 135, including the reporting requirements subpart E. Section 3 provides that recipients shall ensure that training, employment and other economic opportunities, to the greatest extent feasible, be directed to (1) low and very low income persons, particularly those who are recipients of government assistance for housing and (2) business concerns which provide economic opportunities to low and very low income persons. Section 3 is applicable to the following programs in this SuperNOFA: HOPE VI Revitalization; CIAP; and Lead-Based Paint Hazard Reduction, and may be applicable to certain activities of other programs of this SuperNOFA.

(F) Relocation. Any person (including individuals, partnerships, corporations or associations) who moves from real property or moves personal property from real property as a direct result of a written notice to acquire or the acquisition of the real property, in whole or in part, for a HUD-assisted activity is covered by acquisition policies and procedures and the relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (URA), and the implementing governmentwide regulation at 49 CFR part 24. Any person who moves permanently from real property or moves personal property from real property as a direct result of rehabilitation or demolition for an activity undertaken with HUD assistance is covered by the relocation requirements of the URA and the governmentwide regulation.

(G) Forms, Certifications and Assurances. Each applicant is required to submit signed copies of the standard forms, certifications, and assurances, listed in this section, unless the program funding in the **Programs Section** specifies otherwise. Additionally, the **Programs Section** may specify additional forms, certifications or assurances that may be required for particular program in this SuperNOFA.

(1) Standard Form for Application for Federal Assistance (SF-424);

(2) Standard Form for Budget Information--Non-Construction Programs (SF-424A) or Standard Form for Budget Information-Construction Programs (SF-424C), as applicable;

(3) Standard Form for Assurances--Non-Construction Programs (SF-424B) or Standard Form for Assurances--Construction Programs (SF-424D), as applicable;

(4) Drug-Free Workplace Certification (HUD-50070);

(5) Certification and Disclosure Form Regarding Lobbying (SF-LLL); (Tribes and tribally designated housing entities (THDEs) established by an Indian tribe as a result of the exercise of the tribe's sovereign power are not required to submit this certification. Tribes and TDHEs established under State law are required to submit this certification.)

(6) Applicant/Recipient Disclosure Update Report (HUD-2880);

(7) Certification that the applicant will comply with the requirements of the Fair Housing Act, Title VI of the Civil Rights Act of 1964, section 504 of the Rehabilitation Act of 1973, and the Age Discrimination Act of 1975, and will affirmatively further fair housing. CDBG recipients also must certify to compliance with section 109 of the Housing and Community Development Act. Federally recognized Indian tribes must certify that they will comply with the requirements of the Age Discrimination Act of 1975, section 504 of the Rehabilitation Act of 1973, and the Indian Civil Rights Act.

(8) Certification required by 24 CFR 24.510. (The provisions of 24 CFR part 24 apply to the employment, engagement of services, awarding of contracts, subgrants, or funding of any recipients, or contractors or subcontractors, during any period of debarment, suspension, or placement in ineligibility status, and a certification is required.)

(H) OMB Circulars. The policies, guidances, and requirements of OMB Circular No. A-87 (Cost Principles Applicable

to Grants, Contracts and Other Agreements with State and Local Governments) and 24 CFR part 85 (Administrative Requirements for Grants and Cooperative Agreements to State, Local, and Federally recognized Indian tribal governments) apply to the award, acceptance and use of assistance under the programs of this SuperNOFA, and to the remedies for noncompliance, except when inconsistent with the provisions of the FY 1998 HUD Appropriations Act, other Federal statutes or the provisions of this SuperNOFA. Compliance with additional OMB Circulars may be specified for a particular program in the **Programs Section** of the SuperNOFA. Copies of the OMB Circulars may be obtained from EOP Publications, Room 2200, New Executive Office Building, Washington, DC 10503, telephone (202) 395-7332 (this is not a toll free number).

- (I) Environmental Requirements. For programs under this SuperNOFA that assist physical development activities or property acquisition, grantees are generally prohibited from acquiring, rehabilitating, converting, leasing, repairing or constructing property, or committing or expending HUD or non-HUD funds for these program activities, until one of the following has occurred: (1) HUD has completed an environmental review in accordance with 24 CFR part 50; or (2) for programs subject to 24 CFR part 58, HUD has approved a grantee's Request for Release of Funds (HUD Form 7015.15) following a Responsible Entity's completion of an environmental review. Applicants should consult the **Programs Section** for the applicable program to determine the procedures for, timing of, and any exclusions from environmental review under a particular program.

III. Application Selection Process.

(A) General. To review and rate applications, HUD may establish panels including persons not currently employed by HUD to obtain certain expertise and outside points of view, including views from other Federal agencies.

(1) Rating. All applications for funding in each program listed in this SuperNOFA will be evaluated and rated against the criteria in this SuperNOFA. The rating of the "applicant" or the "applicant's organization and staff" for technical merit or threshold compliance, unless otherwise specified, will include any sub-contractors, consultants, sub-recipients, and members of consortia which are firmly committed to the project.

(2) Ranking. Applicants will be ranked within each program. Applicants will be ranked only against others that applied for the same program funding and where there are set-asides within the competition, the applicant would only compete against applicants in the same set-aside competition.

(B) Threshold Requirements. HUD will review each application to determine whether the application meets all of the threshold criteria described for program funding made available under this SuperNOFA. Applications that meet all of the threshold criteria will be eligible to be rated and ranked, based on the criteria described, and the total number of points to be awarded.

(C) Factors For Award Used To Evaluate and Rate Applications. For all of the programs for which funding is available under this SuperNOFA, the points awarded for the factors total 100. The maximum number of points to be awarded, however, total 102. The SuperNOFA provides for two bonus points.

(1) Bonus Points. The SuperNOFA provides for the award of **two bonus points** for eligible activities/projects that are proposed to be located in **federally designated Empowerment Zones**, Enterprise Communities, Enterprise Communities, or Urban Enhanced Enterprise Communities, and serve the EZ/EC residents, and are certified to be consistent with the strategic plan of the EZs and ECs. The application kit contains a certification which must be completed for the applicant to be considered for EZ/EC bonus points. A listing of the

federally designated EZs, EZs, Enhanced ECs are available from the SuperNOFA Information Center, or through the HUD web site on the Internet at <http://www.HUD.gov>.

- (2) The Five Standard Rating Factors. The factors for rating and ranking applicants are listed in this Section III(c)(2) and maximum points for each factor, are provided in the **Programs Section** of the SuperNOFA. Each applicant should carefully read the factors for award as described in the program area section that they are seeking funding. While HUD has established the following basic factors for award, these may have been modified or adjusted to take into account specific program needs, or statutory or regulatory limitations imposed on a program. The standard factors for award, except as modified in the program area section are:

Factor 1: Capacity of the Applicant and Relevant Organizational Staff

Factor 2: Need/Extent of the Problem

Factor 3: Soundness of Approach

Factor 4: Leveraging Resources

Factor 5: Comprehensiveness and Coordination

(D) Negotiation. After all applications have been rated and ranked and a selection has been made, in several programs, HUD requires that all winners participate in negotiations to determine the specific terms of the grant agreement and budget. In cases where HUD cannot successfully conclude negotiations or a selected applicant fails to provide HUD with requested information, awards will not be made. In such instances, HUD may offer an award to the next highest ranking applicant, and proceed with negotiations with the next highest ranking applicant.

(E) Adjustments to Funding. HUD reserves the right to fund less than the full amount requested in any application to ensure the fair distribution of the funds and to ensure the purposes of the programs contained in this SuperNOFA are met. HUD may choose not to fund portions of the applications that are ineligible for funding under applicable program statutory or regulatory requirements, or which do not meet the requirements of this **General Section** of this SuperNOFA or the requirements in the **Programs Section** for the specific program, and fund eligible portions of the applications.

If funds remain after funding the highest ranking applications, HUD may fund part of the next highest ranking application in a given program area. If the applicant turns down the award offer, HUD will make the same determination for the next highest ranking application. If funds remain after all selections have been made, remaining funds may be available for other competitions for each program area where there is a balance of funds.

Additionally, in the event of a HUD procedural error that, when corrected, would result in selection of an otherwise eligible applicant during the funding round of this SuperNOFA, HUD may select that applicant when sufficient funds become available.

(F) Performance and Compliance Actions of Grantees. Performance and compliance actions of grantees will be measured and addressed in accordance with applicable standards and sanctions of their respective programs.

IV. Application Submission Requirements.

As discussed earlier in the introductory section of this SuperNOFA, part of the simplification of this funding process, is to reduce the duplication effort involved in completing and submitting similar applications for HUD funded programs. As the Program Chart shows above, this SuperNOFA provides for consolidated applications for several of the programs for which funding is available under this SuperNOFA.

V. Corrections to Deficient Applications.

After the application due date, HUD may not, consistent with

24 CFR part 4, subpart B, consider unsolicited information from an applicant. HUD may contact an applicant, however, to clarify an item in the application or to correct technical deficiencies. Applicants should note, however, that HUD may not seek clarification of items or responses that improve the substantive quality of the applicant's response to any eligibility or selection criterion. Examples of curable technical deficiencies include failure to submit the proper certifications or failure to submit an application containing an original signature by an authorized official. In each case, HUD will notify the applicant in writing by describing the clarification or technical deficiency. HUD will notify applicants by facsimile or by return receipt requested. Applicants must submit clarifications or corrections of technical deficiencies in accordance with the information provided by HUD within 14 calendar days of the date of receipt of the HUD notification. If the deficiency is not corrected within this time period, HUD will reject the application as incomplete.

VI. Promoting Comprehensive Approaches to Housing and Community Development.

(A) General. HUD believes the best approach for addressing community problems is through a community-based process that provides a comprehensive response to identified needs. By making HUD's Housing and Community program funding available in one NOFA, applicants may be able to relate the activities proposed for funding under this SuperNOFA to the recent and upcoming NOFAs and the community's Consolidated Plan and Analysis of Impediments to Fair Housing Choice. A complete schedule of NOFAs to be published during the fiscal year and those already published appears under the HUD Homepage on the Internet, which can be accessed at <http://www.hud.gov/nofas.html>.

(B) Linking Program Activities With AmeriCorps. Applicants are encouraged to link their proposed activities with AmeriCorps, a national service program engaging thousands of Americans on a full or part-time basis to help communities address their toughest challenges, while earning support for college, graduate school, or job training. For information about AmeriCorps, call the Corporation for National Service at (202) 606-5000.

(C) Encouraging Visitability in New Construction and Substantial Rehabilitation Activities. In addition to applicable accessible design and construction requirements, applicants are encouraged to incorporate visitability standards where feasible in new construction and substantial rehabilitation projects. Visitability standards allow a person with mobility impairments access into the home, but does not require that all features be made accessible. Visitability means at least one entrance at grade (no steps), approached by an accessible route such as a sidewalk; the entrance door and all interior passage doors are at least 2 feet 10 inches wide, allowing 32 inches of clear passage space. Allowing use of 2'10" doors is consistent with the Fair Housing Act (at least for the interior doors), and may be more acceptable than requiring the 3 foot doors that are required in fully accessible areas under the Uniform Federal Accessibility Standards for a small percentage of units. A visitable home also serves persons without disabilities, such as a mother pushing a stroller, or a person delivering a large appliance. Copies of the UFAS are available from the Office of Fair Housing and Equal Opportunity, U.S. Department of Housing and Urban Development, Room 5230, 451 Seventh Street, SW, Washington, DC 20410, telephone (202) 755-5404 or the TTY telephone number, 1-800-

877 8399 (Federal Information Relay Service).

(D) Developing Healthy Homes. HUD's Healthy Homes Initiative is one of the initiatives developed by the White House Task Force on Environmental Health Risks and Safety Risks to Children that was established under Executive Order 13045 ("Protection of Children from Environmental Health Risks and Safety Risks"). HUD encourages the funding of activities (to the extent eligible under specific programs) that promote healthy homes, or that promote education on what is a healthy home. These activities may include, but are not limited to the following: educating homeowners or renters about the need to protect children in their home from dangers that can arise from items such as curtain cords, electrical outlets, hot water, poisons, fire, and sharp table edges, among others; incorporating child safety measures in the construction, rehabilitation or maintenance of housing, which include but are not limited to: child safety latches on cabinets, hot water protection devices, properly ventilated windows to protect from mold, window guards to protect children from falling, proper pest management to prevent cockroaches which can cause asthma, and activities directed to control of lead-based paint hazards. The National Lead Information Hotline is 1-800-424-5323.

VII. Findings and Certifications.

(A) Environmental Impact. A Finding of No Significant Impact with respect to the environment has been made in accordance with HUD regulations at 24 CFR part 50 that implement section 102(2)(C) of the National Environmental Policy Act of 1969 (42 U.S.C. 4332). The Finding of No Significant Impact is available for public inspection during regular business hours in the Office of the General Counsel, Regulations Division, Room 10276, U.S. Department of Housing and Urban Development, 451 Seventh Street, SW, Washington, DC 20410-0500.

(B) Federalism, Executive Order 12612. The General Counsel, as the Designated Official under section 6(a) of Executive Order 12612, Federalism, has determined that the policies contained in this SuperNOFA will not have substantial direct effects on States or their political subdivisions, or on the relationship between the Federal Government and the States, or on the distribution of power and responsibilities among the various levels of government. Specifically, the SuperNOFA solicits applicants to expand their role in addressing community development needs in their localities, and does not impinge upon the relationships between the Federal government and State and local governments. As a result, the SuperNOFA is not subject to review under the Order.

(C) Prohibition Against Lobbying Activities. Applicants for funding under this SuperNOFA are subject to the provisions of section 319 of the Department of Interior and Related Agencies Appropriation Act for Fiscal Year 1991, 31 U.S.C. 1352 (the Byrd Amendment), which prohibits recipients of Federal contracts, grants, or loans from using appropriated funds for lobbying the executive or legislative branches of the Federal Government in connection with a specific contract, grant, or loan. Applicants are required to certify, using the certification found at Appendix A to 24 CFR part 87, that they will not, and have not, used appropriated funds for any prohibited lobbying activities. In addition, applicants must disclose, using Standard Form LLL, "Disclosure of Lobbying Activities," any funds, other than Federally appropriated funds, that will be or have been used to influence Federal employees, members of Congress, and congressional staff regarding specific grants or contracts. Tribes and tribally designated housing entities (THDEs) established by an Indian tribe as a result of the exercise of the tribe's sovereign power are excluded from coverage of the Byrd Amendment, but tribes and TDHEs established under State law are not excluded from the statute's coverage.)

(D) Section 102 of the HUD Reform Act; Documentation and Public Access Requirements. Section 102 of the Department of Housing and Urban Development Reform Act of 1989 (42 U.S.C. 3545) (HUD Reform Act) and the regulations codified in 24 CFR part 4, subpart A, contain a number of provisions that are designed to ensure greater

accountability and integrity in the provision of certain types of assistance administered by HUD. On January 14, 1992 (57 FR 1942), HUD published a notice that also provides information on the implementation of section 102. The documentation, public access, and disclosure requirements of section 102 apply to assistance awarded under this SuperNOFA as follows:

(1) Documentation and public access requirements. HUD will ensure that documentation and other information regarding each application submitted pursuant to this SuperNOFA are sufficient to indicate the basis upon which assistance was provided or denied. This material, including any letters of support, will be made available for public inspection for a 5-year period beginning not less than 30 days after the award of the assistance. Material will be made available in accordance with the Freedom of Information Act (5 U.S.C. 552) and HUD's implementing regulations in 24 CFR part 15.

(2) Disclosures. HUD will make available to the public for 5 years all applicant disclosure reports (HUD Form 2880) submitted in connection with this SuperNOFA. Update reports (also Form 2880) will be made available along with the applicant disclosure reports, but in no case for a period less than 3 years. All reports--both applicant disclosures and updates--will be made available in accordance with the Freedom of Information Act (5 U.S.C. 552) and HUD's implementing regulations at 24 CFR part 15.

(3) Publication of Recipients of HUD Funding. HUD's regulations at 24 CFR 4.7 provide that HUD will publish a notice in the Federal Register on at least a quarterly basis to notify the public of all decisions made by the Department to provide:

(i) Assistance subject to section 102(a) of the HUD Reform Act; or

(ii) Assistance that is provided through grants or cooperative agreements on a discretionary (non-formula, non-demand) basis, but that is not provided on the basis of a competition.

(E) Section 103 HUD Reform Act. HUD's regulations implementing section 103 of the Department of Housing and Urban Development Reform Act of 1989 (42 U.S.C. 3537a), codified in 24 CFR part 4, apply to this funding competition. The regulations continue to apply until the announcement of the selection of successful applicants. HUD employees involved in the review of applications and in the making of funding decisions are limited by the regulations from providing advance information to any person (other than an authorized employee of HUD) concerning funding decisions, or from otherwise giving any applicant an unfair competitive advantage. Persons who apply for assistance in this competition should confine their inquiries to the subject areas permitted under 24 CFR part 4.

Applicants or employees who have ethics related questions should contact the HUD Ethics Law Division at (202) 708-3815. (This is not a toll-free number.) For HUD employees who have specific program questions, the employee should contact the appropriate field office counsel, or Headquarters counsel for the program to which the question pertains.

VIII. The FY 1998 SuperNOFA Process and Future HUD Funding Processes.

In FY 1997, Secretary Cuomo took the first step at changing HUD's funding process to better promote comprehensive, coordinated approaches to housing and community development. In FY 1997, the Department published related NOFAs on the same day or within a few days of each other. In the individual NOFAs published in FY 1997, HUD advised that additional steps on NOFA coordination may be considered for FY 1998. The three SuperNOFAs to be published for FY 1998 represent the additional step taken by HUD to improve HUD's funding

process and assist communities to make better use of available resources through a coordinated approach. This new SuperNOFA process was developed based on comments received from HUD clients and the Department believes it represents a significant improvement over HUD's approach to the funding process in prior years. For FY 1999, HUD may take even further steps to enhance this process. HUD welcomes comments from applicants and other members of the public on this process, and how it may be improved in future years.

The description of program funding available under this first SuperNOFA for Housing and Community Development programs follows.

Dated: _____

Saul N. Ramirez, Jr., Acting Deputy

Secretary

Funding Availability for the Public Housing Drug Elimination Program

PROGRAM DESCRIPTION: Approximately \$288,498,934 is available in FY 1998 for the Public Housing Drug Elimination Program (PHDEP). The PHDEP provides funds for public housing authorities and tribally designated housing entities to develop and finance drug and drug-related crime elimination efforts in their developments. Funds may be used for enhancing security within the developments, making physical improvements to improve security or developing and implementing prevention, intervention and treatment programs to help curtail the use of drugs in public and Indian housing. Approximately \$44.9 million in FY 1997 funds is available only for public and Indian housing authorities that have not already received an award of FY 1997 PHDEP funds.

APPLICATION DUE DATE: Completed applications (an original and two copies) must be submitted no later than **6:00 pm local time** on **[Insert date that is 75 days after date of publication in the Federal Register]** at the address shown below. See the **General Section** of this SuperNOFA for specific procedures governing the form of application submission (e.g., mailed applications, express mail, overnight delivery, or hand carried).

ADDRESS FOR SUBMITTING APPLICATIONS: An original and two copies of the application must be received by the application due date at the local Field Office with delegated public or assisted housing responsibilities attention: Director, Office of Public or Assisted Housing, or, in the case of the Native American population, to the local HUD Administrator, Area Office of Native American Programs (AONAP), as appropriate.

FOR APPLICATION KITS, FURTHER INFORMATION, AND TECHNICAL ASSISTANCE:

For Application Kits. For an application kit and any supplemental information, please call the SuperNOFA Information Center at 1-800-HUD-8929. Persons with hearing or speech impairments may call the Center's TTY number at 1-800-483-2209, or, from the local HUD Field Office HUB with delegated housing responsibilities over an applying housing agency, or from the AONAPs with jurisdiction over the Tribally Designated Housing Entity preparing an application or by calling HUD's Drug Information and Strategy Clearinghouse (DISC) at 800-578-3472. When requesting an application kit, please refer to the **Public Housing Drug Elimination Program (PHDEP)**. Please be sure to provide your name, address (including zip code, and telephone number (including area code)). The application kit contains information on all exhibits, forms, and certifications required for the PHDEP under this SuperNOFA.

For Further Information and Technical Assistance. For further information or technical assistance, please contact the local HUD Field Office HUB with delegated housing responsibilities over an applying housing agency, or from the AONAPs with jurisdiction over the Tribally Designated Housing Entity preparing an application or by calling HUD's Drug Information and Strategy Clearinghouse (DISC) at 800-578-3472.

ADDITIONAL INFORMATION:

I. Authority; Purpose; Amount Allocated; and Eligibility.

(A) Authority. The Chapter 2, Subtitle C, Title V of the Anti-Drug Abuse Act of 1988 ((42 U.S.C. 11901 et. seq), as amended by section 581 of the National Affordable Housing Act of 1990 (Pub.L. 101-625, approved November 28, 1990) (NAHA), and section 161 of the Housing and Community Development Act of 1992 (Pub.L. 102-550, approved October 28, 1992 (HCDA 1992)). The regulations for this program are found in 24 CFR part 761, Drug Elimination Programs.

(B) Purpose. HUD is making FY 1997 PHDEP funds available to public housing agencies (PHAs) and former Indian Housing Authorities (IHAs) (PHAs and IHAs are collectively referred to as HAs) that have not already received an award of FY 1997 PHDEP funds, and FY 1998 PHDEP funds available to PHAs and Tribally Designated Housing Entities (TDHEs) for use in eliminating drug-related crime. In FY 1998, HUD is not announcing a separate competition for the Youth Sports Program, although youth sports-type activities are eligible under "Programs to Reduce/Eliminate Drug Activities."

HUD strongly encourages housing agencies to work closely with law-enforcement agencies and target the drug elimination resources to improve safety and security in public and Indian housing communities. These resources shall be made available and leveraged with other resources focusing on violent crime and drug-related

crime within public housing authorities through programs such as the Operation Safe Home Program and Operation Weed and Seed. Operation Weed and Seed, conducted through the Department of Justice, is a comprehensive multi-agency approach to combating violent crime, drug use, and gang activity in high crime neighborhoods. Through Operation Weed and Seed, the approach is to "weed" out crime from targeted neighborhoods and then "seed" the sites with a wide range of crime and drug prevention programs.

HUD encourages grantees to establish collaborative relationships with, and increase over and above existing levels, the efforts of local municipal police departments and/or other law enforcement agencies, local social and/or religious organizations, and other public and private nonprofit organizations who provide community-wide services to offer substance abuse prevention, intervention, treatment, aftercare, education, assessment, and referral programs and services for residents of public housing. The applicants shall include "One Strike and You're Out" activities underway to ensure the broadest range of tools for making and maintaining a safe residential community.

(C) Amount Allocated.

(1) FY 1998 Funding. FY 1998 HUD Appropriations Act appropriated \$310,000,000 for the Public Housing Drug Elimination Program. Of the total \$310,000,000 appropriated, approximately \$243,563,000 is being made available for Public Drug Elimination grants through this SuperNOFA.

(2) FY 1997 Funding. The Departments of Veterans Affairs and Housing and Urban Development, and Independent Agencies Appropriations Act, (Pub.L. 104-204, approved September 26, 1996, (the FY 1997 HUD Appropriations Act) appropriated \$290 million for the Public Housing Drug Elimination Program to remain available until expended. A approximately \$250,649,052 was made available for competitive funding in a NOFA published on May 23, 1997 (62 FR 28538). HUD made 533 awards for a total of approximately \$205,714,118 under that FY 1997 NOFA.

In this SuperNOFA, approximately \$44.9 million of FY 1997 funds is being made available to housing authorities that did not receive an award under the May 23, 1997, PHDEP NOFA. Any housing authority that has already received an FY 1997 PHDEP award is not eligible to apply under this PHDEP notice for these FY 1997 funds. Housing authorities applying for FY 1997 PHDEP funding shall complete a separate proposal and budget and submit these documents in order to be considered for funding.

(3) Maximum Grant Award Amounts. HUD is distributing grant funds for PHDEP under this SuperNOFA on a national competition basis. Maximum grant award amounts are computed for the Public Housing Drug Elimination Program on a sliding scale, using an overall maximum cap, depending upon the number of housing authority units.

(a) PHAs: The unit count includes rental, Turnkey III Homeownership and Section 23 leased housing bond-financed projects,

(b) IHAs and TDHEs: The unit count includes rental, Turnkey III and Mutual Help units which have not been conveyed to a homebuyer, and Section 23 lease housing bond-financed projects. Such units must be counted as Current Assisted Stock under the Indian Housing Block Grant Program.

Eligible units are those units which are under management, fully developed, and occupied. However, applicants should note that in determining the unit count for PHA-owned or Native American rental housing, a long-term vacancy unit, as defined in 990.102 or 24 CFR 950.102 (as revised May 1, 1996), is still included in the count.

Applicants for Native American housing developments must certify that the targeted units were covered by an Annual Contributions Contract (ACC) on September 30, 1997. Eligible PHA projects must be covered by an ACC during the period of the grant award.

(c) Minimum and Maximum FY 1998 grant awards.

(i) For housing authorities and TDHEs with 1-1,250 units: the **minimum** grant award amount is \$50,000 or a **maximum** grant award cap of \$300.00 per unit;

(ii) For housing authorities and TDHEs with 1,251-24,999 units: the **maximum** grant award is a maximum grant award cap of \$260.00 per unit;

(iii) For housing authorities and TDHEs with 25,000-49,999 units the **maximum** grant award is a maximum grant award cap of \$230.00 per unit; and

(iv) For housing authorities and TDHEs with 50,000 or more units: the maximum grant award is a maximum cap of \$200.00 per unit up to, but not to exceed, a maximum grant award of \$30 million.

(d) Minimum and Maximum FY 1997 grant awards.

(i) For HAs with 1-499 units: the maximum grant award amount is either \$50,000 or a grant award cap of \$500.00 per unit, whichever is greater;

(ii) For HAs with 500-1,249 units: the maximum grant award is either \$250,000 or a maximum grant award cap of \$300.00 per unit, whichever is greater;

(iii) For HAs with 1,250-49,999 units: the maximum grant award is either \$375,000 or a maximum grant award cap of \$250.00 per unit, whichever is greater; and

(iv) For HAs with 50,000 or more units: the maximum grant award is \$200.00 per unit, not to exceed a maximum grant award of \$12 million.

(D) Eligible Applicants. Eligible entities qualified to receive grants include for FY 1998 funding public housing agencies and Tribally Designated Housing Entities (TDHEs); and for FY 1997 funding, public housing agencies and Indian housing authorities. IHAs applying for FY 1997 funding must have been eligible to apply for funding as September 30, 1997 and continue to own and/or manage the targeted developments. Resident Management Corporations (RMCs) may continue to receive funding from housing authority grantees as sub-grantees, to develop security programs and substance abuse prevention programs involving site residents as they have in the past.

(E) Eligible Activities. The following is a listing of eligible activities under this program and guidance as to their parameters (the term TDHEs includes those IHAs applying for FY 1997 funding):

(1) Physical Improvements to Enhance Security.

(a) Physical improvements that are specifically designed to enhance security are permitted under this program. These improvements may include (but are not limited to) the installation of barriers, speed bumps, lighting systems, fences, surveillance equipment (e.g., Closed Circuit Television (CCTV), software, fax, cameras, monitors, components and supporting equipment) bolts, locks; and the landscaping or reconfiguration of common areas so as to discourage drug-related crime in the housing authorities and development(s) proposed for funding.

(b) An activity cost that is funded under any other HUD program, such as the modernization program at 24 CFR part 968, shall not also be funded by this program. Housing authorities are encouraged to fund physical security improvements under their approved modernization programs whenever possible since the PHDEP program is designed essentially to fund "soft" costs rather than "hard" costs. The applicant must demonstrate program compliance, accountability, financial and audit controls of PHDEP funds and prevent duplication of funding any activity. Housing authorities shall not co-mingle funds of HUD multiple programs such as: CIAP, CGP, OTAR, ED/SS, TOP, IHBG, HOPE projects, Family Investment, Elderly Service Coordinator, and Operating Subsidy.

(c) Funding is not permitted for physical improvements that involve the demolition of any units in a development.

(d) Funding is not permitted for any physical improvements that would result in the displacement of persons.

(e) Funding is not permitted for the acquisition of real property.

(f) Funding is permitted for purchase or lease of house trailers used for eligible community policing, educational, employment, and youth activities.

(g) All physical improvements must also be accessible to persons with disabilities. For example, some types of locks, buzzer systems, etc. are not accessible to persons with limited strength or mobility or to persons who have hearing impairments, and should not be utilized. Accessible alternatives should be utilized. All physical improvements must meet the accessibility requirements of 24 CFR part 8.

(2) Programs to Reduce/Eliminate the Use of Drugs (Prevention, Intervention, Treatment, Short/Long Range Structured Aftercare and Individual Support Systems). Programs that reduce/eliminate drug-related crime "in and around" the premises of the housing authority/development(s), including substance abuse prevention, intervention, and referral programs, and programs of local social and/or religious and other organizations that provide treatment services [contractual or otherwise] for dependency/remission, and structured aftercare/support system

programs, **are permitted** under this program.

The applicant must establish a confidentiality policy regarding medical and disability-related information. For purposes of this section, the goals of this program are best served by focusing resources directly upon housing authority residents and families. Successful strategies (best practices) have incorporated substance abuse prevention, intervention and treatment (dependency/remission and short and long term aftercare) activities into a "continuum of care" approach that assists persons that are using or are at-risk of using drugs and/or committing drug-related crime by providing alternative activities, such as education, training and employment development opportunities.

The applicant's goal must be to reduce/eliminate drug-related crime through a program designed to provide education, training and employment opportunities for residents. Such programs create a prime opportunity for housing authorities to leverage resources and bring additional Federal, State, local and Tribal resources into the housing authority community. While housing authorities provide space and other infrastructure, other public or private agencies can provide staff and other resources with limited cost or no cost. Applicants are encouraged to use the PHDEP resources in this fashion.

A community-based approach requires a culturally appropriate strategy. Curricula, activities, and staff should address the cultural issues of the local community, which requires familiarity and facility with the language and cultural norms of the community. As applicable, this strategy should discuss cultural competencies associated with Hispanic, African-American, Asian, Native American or other racial or ethnic communities. Applicants are encouraged to develop a substance abuse/sobriety (remission)/treatment (dependency) strategy to facilitate substance abuse prevention, intervention, treatment, and structured aftercare efforts, that include outreach to community resources, youth activities, and that facilitate bringing these resources onto the premises, or providing resident referrals to treatment programs or transportation to out-patient treatment programs away from the premises.

Funding Is Permitted for reasonable, necessary and justified purchasing or leasing (whichever can be documented as the most cost effective) of vehicles for grant administration, resident youth and adult education, and training and employment opportunity activities directly related to reducing/eliminating drug-related crime. Based upon the current Diagnostic and Statistical Manual (DSM) of Mental Disorders of the American Psychiatric Association dated May 1994, as it applies to substance abuse, dependency and structured aftercare, related activities and programs **are eligible** for funding under this program. For additional information regarding the DSM Manual contact APPI, 1400 K. Street, NW, Suite 1100, Washington, DC 20005 on 1 (800) 368-5777 or World Wide Web site at <http://www.appi.org>.

Funding Is Permitted for reasonable, necessary and justified program costs, such as meals, beverages and transportation, incurred only for training, education and employment activities, as set forth in OMB Circular A-87, directly related to reducing/eliminating drug-related crime.

(a) **Prevention.** Prevention programs that will be considered for funding under this notice should provide a comprehensive prevention approach for the housing authority resident(s) that addresses the individual resident and his or her relationship to family, peers, and the community and that reduces/eliminates drug-related crime. Prevention programs should include activities designed to identify and change the factors present in housing authorities that lead to drug-related crime, and thereby lower the risk of drug usage. Many components of a comprehensive approach, such as refusal and restraint skills training programs or drug, substance abuse/dependency, and family counseling, may already be available in the community of the applicant's housing developments.

(i) **Educational Opportunities.** Providing young people with the working knowledge and skills they need to reject illegal drugs has been identified by the Office of National Drug Control Policy as one of the top five goals and objectives to address in its 10-Year Strategy Commitment. The causes and effects of illegal drug/substance abuse must be discussed in a culturally appropriate and structured setting. Grantees may contract (in accordance with 24 CFR 85.36) with professionals to provide such knowledge and skills with training programs or workshops. The professionals contracted to provide these services shall be required to base their services upon the needs

assessment and program plan of the grantee. These educational opportunities may be a part of resident meetings, youth activities, or other gatherings of public and Indian housing residents.

(ii) Family and Other Support Services. For purposes of this section, the term "supportive services" means services to provide housing authority families with access to prevention, educational and employment opportunities, such as: child care; employment training; computer skills training; remedial education; substance abuse counseling; assistance in the attainment of certification of high school equivalency; and other services to reduce drug-related crime. In addition, substance abuse and other prevention programs must demonstrate that they will provide directly, or otherwise make available, services designed to distribute substance/drug education information, to foster effective parenting skills, and to provide referrals for treatment and other available support services in the housing development or the community for housing authority families.

(iii) Adult and Youth Services. Prevention programs must demonstrate that they have included groups composed of young people as a part of their prevention programs. These groups should be coordinated by adults with the active participation of youth to organize youth leadership, sports, recreational, cultural and other activities involving housing authority youth. The dissemination of information designed to reduce drug-related crime, such as prevention programs, employment opportunities; employment training; literacy training; computer skills training; remedial education; substance abuse and dependency/remission counseling; assistance in the attainment of certification of high school equivalency; and other appropriate services and the development of peer leadership skills and other prevention activities must be a component of youth services.

(iv) Economic and Educational Opportunities for Resident Adult and Youth Activities. Prevention programs must demonstrate a capacity to provide housing authority residents the opportunities for interaction with, or referral to, established higher education or vocational institutions with the goal of developing or building on the residents' skills to pursue educational, vocational and economic goals. Programs such as computer learning centers for both adults and youth, employment service centers coordinated with Federal, Tribal, State and local employment offices, and micro-business centers **are eligible** under this program.

The application should demonstrate that the proposed activities will provide housing authority residents the opportunity to interact with private sector businesses in their immediate and surrounding communities for the same desired goals. Economic and educational opportunities for residents and youth activities should be discussed in the context of "welfare to work" and related Federal, Tribal, State and local government efforts for employment training, education and employment opportunities related to "welfare to work" goals.

Limited educational scholarships **are permitted** under this section. No one individual award may exceed \$500.00, and there is a total maximum scholarship program cap of \$25,000. Educational scholarship FY 1997 PHDEP funds must be obligated and expended during the term of the grant. The applicant must demonstrate in its plan and timetable the scholarship strategy; the financial and audit controls that will be used; and projected outcomes. Student financial assistance **is permitted** for individual public and Indian housing scholarship activities. These activities must be reasonable, necessary and justified.

(b) Intervention. The aim of intervention is to provide housing authority residents substance abuse/dependency remission services, and assist them in modifying their behavior and maintaining remission, and in obtaining early substance abuse, treatment and structured aftercare, if necessary.

(c) Substance Abuse/Dependency Treatment.

(i) Treatment funded under this program should be "in and around" the premises of the housing authority/development(s) proposed for funding. HUD has defined the term "in and around" to mean within, or adjacent to, the physical boundaries of a public or Indian housing development. The intent of this definition is to make certain that program funds and program activities are targeted to benefit, as directly as possible, public and Indian housing developments, the intended beneficiaries of PHDEP. The goals of this program are best served by focusing its resources directly upon the residents of housing authorities and development(s). The applicant must establish a confidentiality policy regarding medical and disability-related information.

(ii) Funds awarded under this program shall be targeted towards the development and implementation of

sobriety maintenance, substance-free maintenance support groups, substance abuse counseling, referral treatment services and short or long range structured aftercare, or the improvement of, or expansion of, such program services for housing authority residents.

(iii) Each proposed drug program must address, but is not limited to, the following goals:

(1) Increase resident accessibility to treatment services;

(2) Decrease drug-related crime "in and around" the housing authority/development(s) by reducing and/or eliminating drug use among residents; and

(3) Provide services designed for youth and/or adult drug abusers and recovering addicts, e.g., prenatal and postpartum care, specialized family and parental counseling, parenting classes, or other supportive services such as domestic or youth violence counseling.

(iv) Independent approaches that have proven effective with similar populations will be considered for funding. Applicants must consider in the overall strategy the following criteria:

(1) Formal referral arrangements to other treatment programs in cases where the resident is able to obtain treatment costs from sources other than this program.

(2) Family/youth counseling.

(3) Linkages to educational and vocational training and employment counseling.

(4) Coordination of services from and to appropriate local substance abuse/treatment agencies, HIV-related service agencies, mental health and public health programs.

(v) As applicable, applicants must demonstrate a working partnership with the Single State Agency or local, Tribal or State license provider or authority with substance abuse program(s) coordination responsibilities to coordinate, develop and implement the substance dependency treatment proposal.

(vi) Applicants must demonstrate that counselors (contractual or otherwise) meet Federal, State, Tribal, and local government licensing, bonding, training, certification and continuing training re-certification requirements.

(vii) The Single State Agency or authority with substance abuse and dependency programs coordination responsibilities must certify that the proposed program is consistent with the State plan; and that the service(s) meets all Federal, State, Tribal and local government medical licensing, training, bonding, and certification requirements.

(viii) Funding is permitted for drug treatment of housing authority residents at local in-patient medical (contractual or otherwise) treatment programs and facilities. PHDEP funding for structured in-patient drug treatment under PHDEP funds is limited to 60 days, and structured drug out-patient treatment, which includes individual/family aftercare, is limited to 6 months. The applicant must demonstrate how individuals that complete drug treatment will be provided employment training, education and employment opportunities related to "welfare to work," if applicable.

(ix) Funding is permitted for detoxification procedures designed to reduce or eliminate the short-term presence of toxic substances in the body tissues of a patient.

(x) Funding is not permitted for maintenance drug programs. Maintenance drugs are medications that are prescribed regularly for a short/long period of supportive therapy (e.g. methadone maintenance), rather than for immediate control of a disorder.

(xi) All activities described in this section I.(E)(8) of this PHDEP notice to reduce/eliminate the use of drugs and reduce/eliminate drug-related crime should demonstrate efforts to coordinate with Federal, Tribal, State and local employment training and development services, "welfare to work" efforts, or other new "welfare reform" efforts related to education, training and employment of housing authority residents receiving Federal, Tribal, State or local assistance, in public and Indian housing authorities/development(s).

(xii) Funding is permitted to contractually hire organizations and/or consultant(s) to conduct independent assessments and evaluations of the effectiveness of the PHDEP program.

(3) Resident Management Corporations (RMCs), Resident Councils (RCs), and Resident Organizations (ROs). Funding under this program **is permitted** for housing authorities' RMCs and incorporated RCs and ROs to develop security and substance abuse prevention programs involving site residents. Such programs may include (but are not limited to) voluntary tenant patrol activities, substance abuse education, intervention, and referral

programs, youth programs, and outreach efforts. For the purposes of this Section I(E)(9) of this PHDEP section of the SuperNOFA, the elimination of drug-related crime within housing authorities/developments requires the active involvement and commitment of public housing residents and their organizations.

To enhance the ability of housing authorities to combat drug-related crime within their developments, Resident Councils (RCs), Resident Management Corporations (RMCs), and Resident Organizations (ROs) will be permitted to undertake program management functions specified in this part, notwithstanding the otherwise applicable requirements of 24 CFR parts 1000 and 964. In order to implement the approved activity, the housing authority shall be the grantee and enter into a sub-contract with the RMC/RC/RO setting forth the amount of funds, applicable terms, conditions, financial controls, payment mechanism schedule, performance and financial report requirements, special conditions, including sanctions for violation of the agreement, and monitoring.

Expenditures for activities under this section will not be incurred by the housing authority (grantee) and/or funds will not be released by the local HUD Field Office until the grantee has met all of the above requirements. Activities described in this PHDEP section of the SuperNOFA should demonstrate efforts to coordinate with Federal, Tribal, State and local employment training and development services, "welfare to work" efforts, or other new but related "welfare reform" efforts related to education, employment training and employment of housing authority residents receiving Federal, Tribal, State or local assistance.

(4) Employment of HA Security Personnel. Employment of HA security personnel **is permitted** under this section. Employment of security personnel is divided into two categories: security personnel services, and housing authority police departments. The following requirements apply to all employment of security personnel activities funded under this PHDEP section of the SuperNOFA:

(a) Compliance. Security guard personnel and public housing authority police departments funded under this PHDEP section of the SuperNOFA must meet, and demonstrate compliance with, all relevant Federal, State, Tribal or local government insurance, licensing, certification, training, bonding, or other similar law enforcement requirements.

(b) Law Enforcement Service Agreement. The applicant and the local law enforcement agency, and if relevant, the contract provider of security personnel services, are required to enter into a law enforcement service agreement, in addition to the housing authority's cooperation agreement, that describes the following:

(i) The activities to be performed by security guard personnel or the public housing authority police department; the scope of authority, written policies, procedures, and practices that will govern security personnel or public housing authority police department performance (i.e., a policy manual and how security guard personnel or the public housing authority police department shall coordinate activities with the local law enforcement agency;

(ii) The types of activities that the approved security guard personnel or the public housing authority police department are expressly prohibited from undertaking.

(c) Policy Manual. Security guard personnel services and public housing authority police departments funded under this PHDEP section of the SuperNOFA shall be guided by a policy manual that directs the activities of its personnel and contains the policies, procedures, and general orders that regulate conduct and describe in detail how jobs are to be performed. The policy manual must exist before execution of the grant agreement. The housing authority shall ensure all security guard personnel and housing authority police officers are trained, at a minimum, in the following areas that must be covered in the policy manual: use of force, resident contacts, enforcement of HA rules, response criteria to calls, pursuits, arrest procedures, reporting of crimes and workload, feedback procedures to victims, citizens' complaint procedures, internal affairs investigations, towing of vehicles, authorized weapons and other equipment, radio procedures internally and with local police, training requirements, patrol procedures, scheduling of meetings with residents, reports to be completed, record keeping and position descriptions on all personnel, post assignments, monitoring, and self-evaluation program requirements.

(d) Data Management. A daily activity and incident complaint form approved by the housing authority must be used by security personnel and officers funded under this PHDEP section of the SuperNOFA for the collection and analysis of criminal incidents and responses to service calls. Security guard personnel and housing authority police

departments funded under this PHDEP section of the SuperNOFA must establish and maintain a system of records management for the daily activity and incident complaint forms that appropriately ensures the confidentiality of personal criminal information. Management Informational Systems (MIS) (computers, software, and associated equipment) and management personnel in support of these activities are eligible for funding.

(5) Security Personnel Services. Contracting for, or direct housing authority employment of, security personnel services in and around housing development(s) **is permitted** under this program. Contracts for security personnel services must be awarded on a competitive basis.

(a) Eligible Services - Over and Above. Security guard personnel funded by this program must perform services that are over and above those usually performed by local municipal law enforcement agencies on a routine basis. Eligible services may include patrolling inside buildings, providing personnel services at building entrances to check for proper identification, or patrolling and checking car parking lots for appropriate parking decals.

(b) Employment of Residents. Housing authorities **are permitted** and encouraged to demonstrate in plans the employment of qualified resident(s) as security guard personnel, and/or to contract with security guard personnel firms that demonstrate in a proposed contract a program to employ qualified residents as security guard personnel. An applicant's program of eliminating drug-related crime should promote "welfare to work" in housing authorities and development(s).

(6) Employment of Personnel and Equipment for HUD Authorized Housing Authority Police Departments. Funding for equipment and employment of housing authority police department personnel **is permitted** for housing authorities that already have their own public housing authority police departments. The below-listed twelve (12) housing authorities have been identified by HUD as having eligible public housing police departments/agencies under the FY 1998 PHDEP:

- Baltimore Housing Authority and Community Development, Baltimore, MD
- Boston Housing Authority, Boston, MA
- Buffalo Housing Authority, Buffalo, NY
- Chicago Housing Authority, Chicago, IL
- Cuyahoga Metropolitan Housing Authority, Cleveland, OH
- Housing Authority of the City of Los Angeles, Los Angeles, CA
- Housing Authority of the City of Oakland, Oakland, CA
- Philadelphia Housing Authority, Philadelphia, PA
- Housing Authority of the City of Pittsburgh, Pittsburgh, PA
- Waterbury Housing Authority, Waterbury, CT
- Virgin Islands Housing Authority, Virgin Islands
- District of Columbia Housing Authority, Washington, DC

(a) On September 22, 1995, HUD issued Notice PIH 95-58 (Guidelines for Creating, Implementing and Managing Public Housing Authority Police Departments in Public Housing Authorities). This notice identifies the prerequisites for creating public housing police departments and provides guidance regarding technical assistance to housing authorities to assist in making decisions regarding public housing security, analysis of security needs, and performance measures and outcomes.

(b) Housing authorities that have established their own public housing authority police departments, but are not included on this list, shall file a written request to be recognized by HUD as a public housing authority police department by contacting the Office of the Deputy Assistant Secretary for Assisted Housing Delivery, Public and Indian Housing, Department of Housing and Urban Development, Room 4126, 451 Seventh Street, SW, Washington, D.C. 20410. This request must be submitted and approved by HUD prior to the submission of the FY 1998 PHDEP application.

(c) An applicant seeking funding for this activity must describe the current level of local law enforcement agency baseline services being provided to the housing authority/development(s) proposed for assistance. Local law enforcement baseline services are defined as ordinary and routine services provided to the residents as a part of the

overall city and county-wide deployment of police resources, to respond to crime and other public safety incidents, including: 911 communications, processing calls for service, routine patrol officer responses to calls for service, and investigative follow-up of criminal activity.

(d) Applicants for funding of housing authority public housing authority police department officers must have car-to-car (or other vehicles) and portable-to-portable radio communications links between public housing authority police officers and local municipal law enforcement officers to assure a coordinated and safe response to crimes or calls for services. The use of scanners (radio monitors) is not sufficient to meet the requirements of this section. Applicants that do not have such links must submit a plan and timetable for the implementation of such communications links, which is an activity eligible for funding. A housing authority funded under the FY 1994, 1995, 1996 and/or 1997 PHDEP for public housing police departments shall demonstrate in its plan what progress has been made in implementing its communications links. HUD will monitor results of the housing authority's plan and timetable.

(e) Public housing authority police departments funded under this program that are not employing a community policing concept must submit a plan and timetable for the implementation of community policing. A housing authority funded under the FY 1994, 1995, 1996 or 1997 PHDEP for public housing police departments shall demonstrate in its plan what progress has been made in implementing its community policing program. HUD will monitor results of the housing authority's plan and timetable.

(i) Community policing has a variety of definitions; however, for the purposes of this program, it is defined as follows: Community policing is a method of providing law enforcement services that stresses a partnership among residents, police, schools, churches, government services, the private sector, and other local, State, Tribal, and Federal law enforcement agencies to prevent crime and improve the quality of life by addressing the conditions and problems that lead to crime and the fear of crime.

(ii) This method of policing involves a philosophy of proactive measures, such as foot patrols, bicycle patrols, motor scooters patrols, KOBAN activities (community police officers who operate through community-based facilities in housing authorities (e.g., community center, police mini-station) providing human resource activities with inner-city youth who demonstrate high risk behaviors which can lead to drug-related crime), and citizen contacts. For additional information regarding KOBAN community policing contact Marvin Klepper, (202) 708-1197, extension 4229. This concept empowers police officers at the beat and zone level and residents in neighborhoods in an effort to: reduce crime and fear of crime; assure the maintenance of order; provide referrals of residents, victims, and the homeless to social services and government agencies; assure feedback of police actions to victims of crime; and promote a law enforcement value system on the needs and rights of residents.

(f) Housing authority police departments funded under this program that are not nationally or state accredited must submit a plan and timetable for such accreditation. Housing authorities may use either their State accreditation program, if one exists, or the Commission on Accreditation for Law Enforcement Agencies (CALEA) for this purpose. Use of grant funds for public housing police department accreditation activities **is permitted**. Housing authorities receiving grants for funding (public housing police departments) are required to hire a public housing police department accreditation specialist to manage the accreditation program. Housing authority police departments must submit a plan and timetable in order to be funded for this activity. Any public housing police department funded under the FY 1994, 1995, 1996 or 1997 PHDEP shall demonstrate in its plan what progress has been made in implementing its accreditation program and the projected date of accreditation. HUD will monitor results of the housing authority's plan and timetable. Future funding will be based on an evaluation its accreditation status and accomplishments to maintain its accreditation status.

(g) Housing authorities that have been identified by HUD as having authorized public housing police departments **are permitted** to use PHDEP funds to purchase or lease any law enforcement clothing or equipment, such as, vehicles, uniforms, ammunition, firearms/weapons, police vehicles; including cars, vans, buses, and protective vests, or any other equipment that supports their crime prevention and security mission. Housing authorities not identified by HUD as having an authorized public housing police department **are not permitted to use**

PHDEP funds to directly purchase any clothing or equipment for use by local municipal police departments and/or other law enforcement agencies.

(7) Reimbursement of Local Law Enforcement Agencies for Additional (Supplemental - Over and Above Local Law Enforcement Baseline Services) Security and Protective Services. Additional (supplemental) security and protective services **are permitted** under this program, but such services must be over and above the local police department's current level of baseline services. Housing authorities and TDHEs are required to identify the level of local law enforcement services that they are required to receive pursuant to their local cooperation agreements, as well as the current level of services being received. For purposes of PHDEP section of the SuperNOFA, local police department baseline services are defined as ordinary and routine services, including patrols, police officer responses to 911 communications and other calls for service, and investigative follow-up of criminal activity, provided to housing authority residents as a part of the overall deployment of police resources by the local jurisdiction in which the housing authority is located.

(8) Employment of Investigators. Employment of and equipment for one or more individuals **is permitted** under this program to investigate drug-related crime "in and around" the real property comprising any housing authority's development(s) and provide evidence relating to any such crime in any administrative or judicial proceedings.

(a) Housing authorities that employ investigators funded by this program must meet and demonstrate compliance with all relevant Federal, Tribal, State or local government insurance, licensing, certification, training, bonding, or other similar law enforcement requirements.

(b) The housing authority and TDHE (grantee), and the provider of the investigative services are required to enter into and execute a written agreement that describes the following:

(i) The nature of the activities to be performed by the housing authority investigators, their scope of authority, reports to be completed, established policies, procedures, and practices that will govern their performance (i.e., a Policy Manual and how housing authority investigators will coordinate their activities with local, State, Tribal, and Federal law enforcement agencies); and

(ii) The types of activities that the housing authority investigators are expressly prohibited from undertaking.

(c) Under this section, reimbursable costs associated with the investigation of drug-related crimes (e.g., travel directly related to the investigator's activities, or costs associated with the investigator's testimony at judicial or administrative proceedings) may only be those directly incurred by the investigator.

(d) Housing authority and TDHE investigator(s) shall report on drug-related crime and other part I and part II crimes in the housing authority and developments. Housing authorities shall establish, implement and maintain a system of records management that ensures confidentiality of criminal records and information. Housing authority-approved activity forms must be used for the collection, analysis and reporting of activities by housing authority investigators funded under this section. Management Information Systems (MIS) (Computers, software, hardware, and associated equipment) and management personnel are encouraged and are eligible program expenses in support of a housing authority's crime and workload data collection activity and its crime prevention and security mission.

(e) Funding is permitted for housing authority investigator(s) to use PHDEP funds to purchase or lease any law enforcement clothing or equipment, such as vehicles, uniforms, ammunition, firearms/weapons, or vehicles; including cars, vans, buses, protective vests, and any other supportive equipment, to support the activities of the investigators.

(f) Expenditures for activities under this section will not be incurred by the housing authority (grantee) and funds will not be released by the local HUD Field Office until the grantee has met all of the above requirements.

(9) Voluntary Tenant Patrols. Active voluntary tenant patrol activities, to include purchase of uniforms, equipment and related training, **are permitted** under this section. For the purposes of this section, the elimination of drug-related crime within and around the housing authority/development(s) requires the active involvement and commitment of residents and their organizations.

(a) The provision of training and equipment (including uniforms) for use by voluntary tenant patrols acting in cooperation with officials of local law enforcement agencies is permitted under this program. Members must be volunteers and must be residents of the housing authority's development(s). Voluntary tenant patrols established under this program are expected to patrol in the housing authority's development(s) proposed for assistance, and to report illegal activities to appropriate housing authority staff, and local, State, Tribal, and Federal law enforcement agencies, as appropriate. Housing authorities are required to obtain liability insurance to protect themselves and the members of the voluntary tenant patrol against potential liability for the activities of the patrol under this program. The cost of this insurance is an eligible program expense.

(b) The housing authority (grantee) and cooperating local law enforcement agency, and the members of the voluntary tenant patrol are required, prior to expending any grant funds, to enter into and execute a written housing authority/local municipal police department agreement that describes the following:

(i) The nature of the activities to be performed by the voluntary tenant patrol, the patrol's scope of authority, assignment, the established policies, procedures, and practices that will govern the voluntary tenant patrol's performance and how the patrol will coordinate its activities with the law enforcement agency;

(ii) The types of activities that a voluntary tenant patrol is expressly prohibited from undertaking, including, but not limited to, the carrying or use of firearms or other weapons, nightstick, clubs, handcuffs, or mace in the course of their duties under this program;

(iii) The initial and follow-up voluntary tenant patrol training the members receive from the local law enforcement agency (training by the local law enforcement agency is required before putting the voluntary tenant patrol into effect); and

(iv) Voluntary tenant patrol members must be advised that they may be subject to individual or collective liability for any actions undertaken outside the scope of their authority and that such acts are not covered under a housing authority's liability insurance.

(c) Uniforms, communication and related equipment eligible for funding under this program shall be reasonable, necessary, justified and related to the operation of the voluntary tenant patrol and must be otherwise permissible under local, State, Tribal, or Federal law.

(d) Under this program, bicycles, motor scooters, all season uniforms and associated equipment to be used, exclusively, by the members of the housing authority's voluntary tenant patrol **are eligible items**. Voluntary tenant patrol uniforms and equipment must be identified with specific housing authority/development(s) identification and markings.

(e) PHDEP grant funds shall not be used for any type of financial compensation, such as any full-time wages or salaries for voluntary tenant and/or patrol participants. Funding for housing authority personnel or resident(s) to be hired to coordinate this activity is permitted.

(F) Ineligible Activities. PHDEP funding **is not permitted** for any of the activities listed below, unless otherwise specified in this PHDEP section of the SuperNOFA.

(1) Costs incurred before the effective date of the grant agreement (Form HUD-1044), including, but not limited to, consultant fees related to the development of an application or the actual writing of the application.

(2) The purchase of controlled substances for any purpose. Controlled substance shall have the meaning provided in section 102 of the Controlled Substance Act (21 U.S.C. 802).

(3) Compensation of informants, including confidential informants. These should be part of the baseline services provided and budgeted by local law enforcement agencies.

(4) Direct purchase or lease of any law or military enforcement clothing or equipment, such as vehicles, including cars, vans, buses, uniforms, ammunition, firearms/weapons, protective vests, and any other supportive equipment. Exceptions are public housing police departments, and investigator activities listed in this NOFA.

(5) Wages or salaries for voluntary tenant patrol participants. Housing authorities and TDHES **are permitted** to fund housing authority/resident coordinator(s) to be hired for this activity. Staffing must be reasonable, necessary and justified. Excessive staffing **is not permitted**.

(6) Construction of any facility space in a building or unit, although **funding is permitted** for the costs of retrofitting/modifying existing building space owned by the housing authorities and TDHEs for eligible activities/programs such as: community policing mini-station operations, adult/youth education, and employment training facilities. The goal of this funding is to reduce/eliminate drug-related crime and form partnerships with Federal, Tribal, State and local government resources.

Program costs **are permitted** if shared among other HUD programs. The applicant must demonstrate the use of program compliance, accountability, financial and audit controls of PHDEP funds and controls to prevent duplicate funding of any activity. Housing authorities shall not co-mingle funds of multiple programs such as CIAP, CGP, OTAR, TOP, EDSS, IHBG, Family Investment Center, Elderly Service Coordinators, and Operating Subsidy. House trailers of any type that are not designated as a building **are eligible items** for purchase or lease for specific community policing, educational, employment, and youth activities.

(7) Organized fund raising, advertising, financial campaigns, endowment drives, solicitation of gifts and bequests, rallies, marches, community celebrations and similar expenses.

(8) Costs of entertainment, amusements, or social activities and for the expenses of items such as meals, beverages, lodgings, rentals, transportation, and gratuities related to these ineligible activities. However, under Section I.(E)(8) of this PHDEP notice, funding **is permitted** for reasonable, necessary and justified program costs, as defined in OMB Circular A-87, such as meals, beverages and transportation, incurred only for prevention programs, employment training, education and youth activities directly related to reducing/eliminating drug-related crime.

(9) Costs (such as court costs and attorneys fees) related to screening or evicting residents for drug-related crime. However, housing authority and TDHE investigators funded under this program may participate in judicial and administrative proceedings as provided in and listed under section I.(E)(5) (Employment of Investigator(s)), of this NOFA.

(10) Although participation in activities with Federal drug interdiction or drug enforcement agencies **is encouraged**, the transfer of PHDEP grant funds to any Federal agency.

(11) Establishment of councils, resident associations, resident organizations, and resident corporations since HUD funds these activities under a separate NOFA.

(12) Indirect costs as defined in OMB Circular A-87 **are not permitted under this program** (only direct costs are permitted).

(13) Supplant existing positions/activities. For purposes of the PHDEP, supplanting is defined as "taking the place of or to supersede".

(14) The PHDEP is targeted by statute at controlled substances as defined at section 102 of the Controlled Substances Act (21 U.S.C. 802). Since alcohol is a legal substance, alcohol-exclusive activities and programs **are not eligible** for funding under this NOFA, although activities and programs may address situations of multiple abuse involving controlled substances and alcohol.

Eligible Activities for the Youth Sports Program. (1) Any qualified entity that receives a grant may use the funds to assist in carrying out a youth sports program in the following manner:

(2) Provision of public services, including salaries and expenses for staff or youth sports programs and cultural activities, educational programs relating to drug abuse, and sports and recreation equipment.

(a) Non-profit programs that have partnered with housing authorities that provide scheduled organized sports competitions, cultural, educational, recreational, or other activities designed to involve public housing youth as alternatives to drug related criminal activity are eligible activities.

Examples include but are not limited to professional sports and/or national prevention organizations for youth, nationally and locally recognized youth programs such as Boys and Girls Clubs, YMCAs, YWCAs, Scouts, National Association of Midnight Basketball Leagues, national or local sports figures, etc.

(b) The purchase of recreational equipment to be used by program participants is permitted under this program.

(c) Cultural and recreational activities, such as ethnic heritage classes, art, dance, drama and music

appreciation and instruction programs are eligible Youth Sports Program activities.

(d) Youth leadership skills training for program participants is permitted under this program. These activities must be designed to involve youth in peer leadership roles in the implementation of program activities, for example, as team or activity captains, counselors to younger program participants, assistant coaches, and equipment or supply managers. Grantees may contract with youth trainers to provide services which may include training in peer pressure reversal, resistance or refusal skills, life skills, goal planning, parenting skills, and other relevant topics.

(e) Transportation costs directly related to youth sports activities (for example, leasing a vehicle to transport a youth sports team to a game) are eligible program expenses and liability insurance costs directly related to youth sports activities are eligible program expenses.

II. Program Requirements.

In addition to the program requirements listed in the **General Section** of this SuperNOFA, applicants are subject to the following requirements:

(A) Threshold Requirements. Housing authorities applying for PHDEP funds are required to submit the following threshold information:

(1) Applicants must submit a program plan/evaluation specifically demonstrating how the activities under this program will be evaluated. This is an eligible expense.

(2) A description of how PHDEP resources will be used to establish collaborative relationships with, and increase over and above existing levels, the efforts of local municipal police departments and/or other law enforcement agencies, local social and/or religious organizations, and other public and private nonprofit organizations who provide community-wide services to offer substance abuse prevention, intervention, treatment, aftercare, education, assessment, and referral programs and services.

(3) A discussion, in their comprehensive anti-crime strategies, of how the proposed PHDEP drug and crime prevention activities will be coordinated with larger Empowerment and Enterprise Zone strategies and Welfare Reform efforts, especially in the areas of training and employment of PHA residents. The PHDEP application may include specific opportunities for resident employment and training with such activities as contracting or hiring of residents as security guard personnel, housing authority police officers, and for referrals to employment and training opportunities. The applicant must demonstrate how the employment and training qualifies as an eligible activity. PHDEP applicants should coordinate with Federal, Tribal, State and local agencies to increase employment and training opportunities for low-income residents, and thereby decrease drug-related crime. Many communities are already developing and providing such services, and housing authorities are strongly encouraged to provide community facility space to allow the provision of these services for residents living "in and around" housing authorities.

(4) A description of how the applicant plans to increase the use of housing authority community facilities, and bring back a community focus to housing authority properties. Expenses related to community policing; police mini-stations; and resident training, substance abuse prevention, intervention, treatment, structured aftercare, and other human resources programs that comply with the requirements of this program are eligible program expenses. HUD encourages applicants to use housing authority community facilities in all eligible PHDEP activities. Community policing, resident training, substance abuse prevention, intervention and treatment (dependency, structured aftercare, and support systems) are all activities most effectively implemented in housing authority community facilities. While all PHDEP activities must be carried out "in and around" housing authorities, often the use of the community facilities is taken for granted, and not considered when planning effective implementation of PHDEP activities. HUD encourages applicants to consider current and future use of their community facilities for eligible activities, and to incorporate a strategy regarding facilities for on-site service delivery.

(5) As applicable, incorporate "One Strike and You're Out" elements in applications to ensure PHAs have available the broadest range of tools for making and maintaining a safe residential community. "One Strike and You're Out" activities in applications may be eligible program expenses but to qualify as eligible activities, they must be included in the plan to address the crime problem in public and Indian housing developments required by this

PHDEP section of the SuperNOFA. Factors related to the One Strike initiative, such as screening applicants and lease enforcement, are addressed in this PHDEP section of the SuperNOFA. As a part of the Public Housing Management Assessment Program (PHMAP), PHA performance will be measured, in part, by PHMAP indicator #8, "Security", which was included in the revised PHMAP rule published on December 30, 1996, (61 FR 68894). Any successful, comprehensive anti-crime strategy in public housing only (PHMAP does not apply to Indian housing) should address the elements of the PHMAP security indicator: tracking and reporting crime-related problems, screening applicants, enforcing lease requirements, and stating and achieving anti-crime strategies/goals in appropriate HUD grant programs.

(B) Affirmatively Furthering Fair Housing. The first two sentences of the requirement in Section II(D) of the **General Section** of this SuperNOFA do not apply to this program.

III. Application Selection Process.

(A) Rating and Ranking. Applications will be evaluated competitively and ranked against all other applicants that have applied for Drug Elimination grants. HUD will review each application to determine that it meets the requirements of this SuperNOFA and to assign points in accordance with the rating factors.

HUD will select and fund the highest ranking applications based on score, and continue the process until all funds allocated to it have been awarded or to the point where there are insufficient acceptable applications for which to award funds.

In the event of a tie, HUD will select the highest ranking application that can be fully funded. In the event that two eligible applications receive the same score, and both cannot be funded because of insufficient funds, the applicant with the highest score in rating factor two will be funded. If rating factor two is scored identically, the scores in rating factors one and four will be compared in that order, until one of the applications receives a higher score. If both applications still score the same then the application which requests the least funding will be selected in order to promote the more efficient use of resources. Each application submitted will be evaluated on the basis of the selection criteria set forth below.

(B) Factors For Award to Evaluate and Rank Applications. The factors for rating and ranking applicants and maximum points for each factor, are provided below. The maximum number of points for this program is 102. This includes two EZ/EC bonus points, as described in the **General Section** of the SuperNOFA.

Rating Factor 1: Capacity of the Applicant and Relevant Organizational Experience (20 Points).

This factor addresses the extent to which the applicant has proper organizational resources necessary to successfully implement the proposed activities in a timely manner. The rating of the "applicant" or the "applicant's organization and staff" for technical merit or threshold compliance, unless otherwise specified, will include any subcontractors, consultants, sub-recipients, and members of consortia which are firmly committed to the project. In rating this factor, HUD will consider the following:

(1) The knowledge and experience of the staff and administrative capability to manage grants, including administrative support functions, procurement, lines of authority, and fiscal management capacity.

(a) For PHAs (and TDHEs that had previously applied as IHAs), HUD will consider such measurement tools as PHMAP, uniform crime index, physical inspections, agency monitoring of records, Line of Credit Control System Reports (LOCCS), audits and such other relevant information available to HUD on the capacity of the owner or manager to undertake the grant.

(b) For owners of multifamily housing, HUD will consider the most recent Management Review (including Rural Development Management Review), HQS review, State Agency review and such other relevant information available to HUD on the capacity of the owner or manager to undertake the grant.

(c) A description of established performance goals to define the results expected to be achieved by all major grant activities proposed in the grant application, and a description of the goals expressed in an objective, quantifiable, and measurable form. The goals must be outcome or result-oriented and not out-put related. Outcomes include accomplishments, results, impact and the ultimate effects of the program on the drug or crime problem in the target/project area.

(2) The applicant's performance in administering Drug Elimination funding in the previous 5 years.

(a) For PHAs the applicant's past experience will be evaluated in terms of their ability to attain demonstrated measurable progress in tracking drug related crime, enforcement of screening and lease procedures in implementation of the "One Strike and You're Out Initiative" (as applicable), the extent to which the applicant has formed a collaboration with Tribal, State and local law enforcement agencies and courts to gain access to criminal conviction records of applicants to determine their suitability for residence in public housing. Such data will be measured and evaluated based on the Public Housing Management Assessment Program at 24 CFR part 901.

(b) The applicant must identify their participation in HUD grant programs within the preceding three years and discuss the degree of the applicant's success in implementing and managing (program implementation, timely drawdown of funds, timely submission of required reports with satisfactory outcomes related to the plan and timetable, audit compliance, whether there are any unresolved findings from prior HUD reports (.e.g. performance or finance) reviews of audits undertaken by HUD, the Office of Inspector General, the General Accounting Office or independent public accountants.

(3) Submission of evidence that applicants have initiated other efforts to reduce drug-related crime by working with Operation Safe Home, SNAP, Weed and Seed, or tenant and/or law enforcement groups.

(4) The applicant's performance in administering other Federal, State or local grant programs.

Rating Factor 2: Need/Extent of the Problem (25 Points)

This factor addresses the extent to which there is a need for funding the proposed program activities to address a documented problem in the target area (i.e., the degree of the severity of the drug-related crime problem in the project proposed for funding). In responding to this factor, applicants will be evaluated on the extent to which a critical level of need for the proposed activities is explained and an indication of the urgency of meeting the need in the target area. Applicants must include a description of the extent and nature of drug-related crime "in or around" the housing units or developments proposed for funding.

Applicants will be evaluated on the following:

(1) **(15 points)** "Objective Crime Data" relevant to the target area. For objective crime data, an applicant can be awarded up to 15 points. Such data should consist of verifiable records and not anecdotal reports. Where appropriate, the statistics should be reported both in real numbers and as an annual percentage of the residents in each development (e.g., 20 arrests in a two-year period for distribution of heroin in a development with 100 residents reflects a 20% occurrence rate). Such data may include:

(a) Police records or other verifiable information from records on the types or sources of drug related crime in the targeted developments and surrounding area;

(b) The number of lease terminations or evictions for drug-related crime at the targeted developments; and

(c) The number of emergency room admissions for drug use or that result from drug-related crime. Such information may be obtained from police Departments and/or fire departments, emergency medical service agencies and hospitals. The number of police calls for service from housing authorities developments that include resident initiated calls, officer-initiated calls, domestic violence calls, drug distribution complaints, found drug paraphernalia, gang activity, graffiti that reflects drugs or gang-related activity, vandalism, drug arrests, and abandoned vehicles.

For PHAs, such data should include housing authority police records on the types and sources on drug related crime "in or around" developments as reflected in crime statistics or other supporting data from Federal, State, Tribal or local law enforcement agencies.

(2) **(10 Points)** Other Crime Data: Other supporting data on the extent of drug-related crime. For this section, an applicant can received up to 10 points. To the extent that objective data as described above may not be available, or to complement that data, the assessment must use data from other verifiable sources that have a direct bearing on drug-related crime in the developments proposed for assistance under this program. However, if other relevant information is to be used in place of **objective data**, the application must indicate the reasons why **objective data** could not be obtained and what efforts were made to obtain it and what efforts will be made during the grant period to begin obtaining the data. Examples of the data should include (but are not necessarily limited to):

(a) Surveys of residents and staff in the targeted developments surveyed on drug-related crime or on-site reviews to determine drug/crime activity; and government or scholarly studies or other research in the past year that analyze drug-related crime activity in the targeted developments.

(b) Vandalism cost at the targeted developments, to include elevator vandalism (where appropriate) and other vandalism attributable to drug-related crime.

(c) Information from schools, health service providers, residents and Federal, State, local, and Tribal officials, and the verifiable opinions and observations of individuals having direct knowledge of drug-related crime and the nature and frequency of these problems in developments proposed for assistance. (These individuals may include Federal, State, Tribal, and local government law enforcement officials, resident or community leaders, school officials, community medical officials, substance abuse, treatment (dependency/remission) or counseling professionals, or other social service providers).

(d) The school dropout rate and level of absenteeism for youth that the applicant can relate to drug-related crime. If crime or other statistics are not available at the development or precinct level the applicant must use other verifiable, reliable and objective data.

(e) To the extent that the applicant's community's Consolidated Plan identifies the level of the problem and the urgency in meeting the need, references to these documents should be included in the response. The Department will review more favorably those applicants who used these documents to identify need, when applicable.

Rating Factor 3: Soundness of Approach - (Quality of the Plan)

(35 Points)

This factor addresses the quality and effectiveness of the applicant's proposed work plan. In rating this factor, HUD will consider the impact of the activity; if there are tangible benefits that can be attained by the community and by the target population.

An application must include a detailed narrative describing each proposed activity for crime reduction and elimination efforts for each development proposed for assistance, the amount and extent of resources committed to each activity or service proposed, and process used to collect, maintain, analyze and report Part I and II crimes as defined by the Uniform Crime Reporting (UCR System), as well as police workload data. The process must include the collection of police workload data such as, but not limited to, all calls for service at the housing authority by individual development, pattern over a period of time, type of crime, and plans to improve data collection and reporting.

In evaluating this factor, HUD will consider the following:

(1) **(15 Points)** The quality of the applicant's plan to address the drug-related crime problem, and the problems associated with drug-related crime in the developments proposed for funding, the resources allocated, and how well the proposed activities fit with the plan.

(2) **(10 Points for (2) and (3))** The anticipated effectiveness of the plan and proposed activities in reducing or eliminating drug-related crime problems immediately and over an extended period, including whether the proposed activities enhance and are coordinated with on going or proposed programs sponsored by HUD such as Neighborhood Networks, Campus of Learners, Computerized Community Connections, Operation Safe Home, "One Strike and You're Out," Department of Justice Weed and Seed Efforts, or any other prevention intervention treatment activities.

(3) The rationale for the proposed activities and methods used including evidence that proposed activities have been effective in similar circumstances in controlling drug-related crime. Applicants that are proposing new methods for which there is limited knowledge of the effectiveness, should provide the basis for modifying past practices and rationale for why they believe the modification will yield more effective results.

(4) **(10 Points for (4) and (5))** The process it will use to collect, maintain, analyze and report Part I and II crimes as defined by the Uniform Crime Reporting (UCR System), as well as police workload data. The applicant's proposed analysis of the data collected should include a method for assessing the impact of activities on the collected crime statistics on an on-going basis during the award period.

(5) Specific steps the applicant will take to share and coordinate information on solutions and outcomes with other law-enforcement and governmental agencies, and a description of any written agreements in place or that will be put in place.

(6) The extent to which the applicant's elimination of crime in a development or neighborhood will expand fair housing choice and will affirmatively further fair housing.

Rating Factor 4: Leveraging Resources - (Support of Residents, the Local Government and the Community in Planning and Implementing the Proposed Activities) (10 Points)

This factor addresses the ability of the applicant to secure community and government resources which can be combined with HUD's program resources to achieve program purposes.

(1) In assessing this factor, HUD will consider the following:

Evidence of commitment of funding, staff, or in-kind resources, partnership agreements, and on-going or planned cooperative efforts with law enforcement agencies, memoranda of understanding, or agreements to participate. Such commitments must be signed by an official of the organization legally able to make commitments for the organization. This evidence of commitment must include organization name, resources, and responsibilities of each participant. This also includes interagency activities already undertaken, participation in local, state, Tribal or Federal anti-drug related crime efforts such as: education, training and employment provision components of Welfare Reform efforts, Operation Weed and Seed, Operation Safe Home, local law enforcement initiatives and/or successful coordination of its law enforcement, or other activities with local, state, Tribal or Federal law enforcement agencies.

(2) In evaluating this factor, HUD will also consider the extent to which these initiatives are used to leverage resources for the housing authority community, and are part of the comprehensive plan and performance measures outlines in Rating Factor 3, Soundness of Approach - Quality of the Plan.

(a) An application must describe what role residents in the targeted developments, applicable community leaders and organizations, and law enforcement agencies have had in planning the activities described in the application and what role they will have in carrying out such activities.

(b) The application must include a discussion of the extent to which community representatives and Tribal, local, state and Federal Government officials, including law enforcement agency officials were actively involved in the design and implementation of the applicant's plan and will continue to be involved in implementing such activities during and after the period of PHDEP funding.

(c) The application must demonstrate the extent to which the relevant governmental jurisdiction has met its local law enforcement obligations under the Cooperation Agreement with the applicant (as required by the grantees Annual Contributions Contract with HUD). The applicant must describe the current level of baseline local law enforcement services being provided to the housing authority/developments proposed for assistance.

Rating Factor 5: Comprehensiveness and Coordination (10 Points).

This factor addresses the extent to which the applicant coordinated its activities with other known organizations, participates or promotes participation in a Community's Consolidated Planning Process, and is working towards addressing a need in a holistic and comprehensive manner through linkages with other activities in the community. In evaluating this factor, HUD will consider the extent to which the applicant demonstrates it has:

(1) Coordinated its proposed activities with those of other groups or organizations prior to submission in order to best complement, support and coordinate all known activities and if funded, the specific steps it will take to share information on solutions and outcomes with others. Any written agreements, memoranda of understanding in place, or that will be in place after award should be described.

(2) Taken or will take specific steps to become active in the community's Consolidated Planning process (including the Analysis of Impediments to Fair Housing Choice) established to identify and address a need/problem that is related to the activities the applicant proposes.

(3) Taken or will take specific steps to develop linkages to coordinate comprehensive solutions through meetings, information networks, planning processes or other mechanisms with:

(a) Other HUD-funded projects/activities outside the scope of those covered by the Consolidated Plan; and

(b) Other Federal, State, or locally funded activities, including those proposed, or on-going in the community.

IV. Application Submission Requirement.

Each applicant must comply with the submission requirements listed in Section IV of the **General Section** of the SuperNOFA. In addition, each application must specify whether it is for the FY 1997 or the FY 1998 funding competition. To qualify for a grant under this program, the application submitted to HUD shall also include those requirements listed under Section III of the PHDEP section of this SuperNOFA, including the plan to address the problem of drug-related crime in the developments proposed for funding. The applicant must accurately complete the form for HUD's application database entry. The form, with examples, is provided in the application kit.

V. Corrections to Deficient Applications.

The **General Section** of this SuperNOFA provides the procedures for corrections to deficient applications.

VI. Environmental Requirements.

It is anticipated that activities under the PHDEP will be categorically excluded under 24 CFR 50.19(b)(4),(b)(12), or (b)(13). If grant funds will be used to cover the cost of any non-exempt activities, HUD will perform an environmental review to the extent required by 24 CFR part 50, prior to grant awards.

FUNDING AVAILABLE FOR DRUG ELIMINATION GRANTS FOR FEDERALLY ASSISTED LOW-INCOME HOUSING (MULTIFAMILY HOUSING DRUG ELIMINATION)

PROGRAM DESCRIPTION: Approximately \$16,250,000 in funding is available for Federally Assisted Low Income Housing Drug Elimination Grants. This Multifamily Housing Drug Elimination Program section of the SuperNOFA does not apply to the funding available under Public and Indian Housing.

APPLICATION DUE DATES: Completed applications (an original and two copies) must be received no later than **6:00 pm local time** in the HUD Office with jurisdiction over the applicant project **[Insert date of 75 days after publication in Federal Register]**. See the **General Section** of this SuperNOFA for specific procedures governing the form of application submission (e.g., mailed applications, express mail, overnight delivery, or hand carried).

ADDRESS FOR SUBMITTING APPLICATIONS: Completed applications (an original and two copies) must be submitted no later than close of business to the HUD Office with jurisdiction over the applicant project. The application kit contains a list of the HUD Offices to which applications must be sent.

FOR APPLICATION KITS, FURTHER INFORMATION, AND TECHNICAL ASSISTANCE:

For Application Kits. For an application kit and any supplemental information, please call the SuperNOFA Information Center at 1-800-HUD-8929. Persons with hearing or speech impairments, may call the Center's TTY number at 1-800-843-2209. An application kit also will be available on the Internet through the HUD web site at <http://www.HUD.gov>. When requesting an application kit, please refer to **Multifamily Housing Drug Elimination Grants**, and provide your name, address (including zip code) and telephone number (including area code).

For Further Information and Technical Assistance. Policy questions of a general nature may be referred to Carissa Janis, Housing Project Manager, Office of Portfolio Management, Department of Housing and Urban Development, 451 Seventh Street, SW, Washington, DC 20410; (202) 708-3291, extension 2487. (This number is not toll free). Hearing or speech impaired persons may access this number via TTY by calling the Federal Information Relay Service at 1-800-877-8339. HUD will notify all applicants whether or not they were selected for funding.

ADDITIONAL INFORMATION:

I. Authority; Purpose; Amounts Allocated; and Eligibility.

(A) **Authority.** This program is authorized under Chapter 2, subtitle C, title V of the Anti-Drug Abuse Act of 1988 (42 U.S.C. 11901 et. seq.), as amended by section 581 of the National Affordable Housing Act of 1990 (Pub.L. 102-550, approved October 28, 1992). The regulations for the program are found in 24 CFR part 761, Drug Elimination Programs.

(B) **Purpose.** The purpose of this Multifamily Housing Drug Elimination Grant Program is to:

- (1) Enable owners of federally assisted low-income housing projects to deal effectively with drug-related criminal activity in and around the
- (2) project.

(2) Improve the physical structure and the surrounding environment to enhance security designed to discourage drug-related criminal activity. (3) Develop programs and security measures designed to reduce the use of drugs in and around federally assisted low-income housing projects, including drug-abuse prevention, intervention, referral, and treatment programs.

(C) **Amounts Allocated.** The maximum grant award amount is limited to \$125,000 per project. Any grant funds under this Multifamily Drug Elimination Grant Program of the SuperNOFA that are allocated, but that are not reserved for grantees, must be released to HUD Headquarters for reallocation. If the Award Office determines that an application cannot be partially funded and there are insufficient funds to fund the application fully, any remaining funds after all other applications have been selected will be released to HUD Headquarters for reallocation. Amounts that may become available due to deobligation will also be reallocated to Headquarters.

All reallocated funds will be awarded in the following manner: HUD Award Office will submit to Headquarters a list of applications, with their scores and amount of funding requested, that would have been funded had there been

sufficient funds in the appropriate allocation to do so. Headquarters will select applications from those submitted by the HUD Award Offices, using a random number lottery overseen by the Offices of Housing, General Counsel, and Inspector General, and make awards from any available reallocated funds.

Distribution of Funds. Each Award Office may recommend a total number of awards up to the amount allocated for the area covered by the Award Office. The Award Offices will receive the scores from each HUD Office which has received, rated, ranked, and scored its applications. The Award Offices will, in turn, request Headquarters to fund those properties with the highest score from each HUD Office. If sufficient funds remain, the next highest scored applications, regardless of HUD Office, will be awarded funds. HUD is allocating grant funds under this Multifamily Drug Elimination Grant Program section of the SuperNOFA to the four Award Offices, in accordance with the following schedule:

<u>AWARD OFFICE</u>	<u>COVERED</u>	<u>ALLOCATION</u>
Buffalo	Vermont	\$4,015,000
	Massachusetts	
	Connecticut	
	Rhode Island	
	New York	
	Maine	
	New Hampshire	
	New Jersey	
	Pennsylvania	
	Delaware	
	Maryland	
	District of Columbia	
	West Virginia	
	Virginia	
Knoxville	Kentucky	\$4,110,000
	Tennessee	
	North Carolina	
	South Carolina	
	Georgia	
	Alabama	
	Puerto Rico	
	Mississippi	
	Florida	
	Iowa	
	Kansas	
	Missouri	
	Nebraska	
	Minneapolis	
Minnesota		
Indiana		
Wisconsin		
Michigan		
Little Rock	Ohio	\$4,206,000
	Arkansas	
	Louisiana	
	New Mexico	

Oklahoma
Texas
Colorado
Montana
North Dakota
South Dakota
Utah
Wyoming
Arizona
California
Hawaii
Nevada
Alaska
Idaho
Oregon
Washington

(D) Eligible Applicants. Eligible applicants include owners of the following low-income housing projects: Section 221(d)(3), Section 221(d)(4), or Section 236 of the National Housing Act with project-based assistance. (Note: Section 221(d)(3) and Section 221(d)(4) market rate projects with tenant-based assistance are not eligible for funding); Section 101 of the Housing and Urban Development Act of 1965; or Section 8 of the United States Act of 1937. This includes State Housing Agency projects, Rural Housing and Community Development projects, and Moderate Rehabilitation projects with project-based Section 8 assistance. This does not include Section 8 tenant-based assistance). Owners of Section 8 tenant-based projects are also ineligible.

(E) Eligible Activities. Programs which foster interrelationships among the residents, the housing owner and management, the local law enforcement agencies, and other community groups impacting on the housing are greatly desired and encouraged. Resident participation in the determination of programs and activities to be undertaken is critical to the success of all aspects of the program. Working jointly with community groups, the neighborhood law enforcement precinct, residents of adjacent properties and the community as a whole can enhance and magnify the effect of specific program activities and should be the goal of all applicants.

(1) Physical improvements to enhance security. The improvement may include but are not limited to systems designed to limit building access to project residents, the installation of barriers, lighting systems, fences, bolts, locks; the landscaping or reconfiguration of common areas to discourage drug-related crime; and other physical improvements designed to enhance security and discourage drug-related activities. In particular, HUD is seeking plans that provide successful, proven, and cost-effective deterrents to drug-related crime that are designed to address the realities of federally assisted low-income housing environments. All physical improvements must also be accessible to persons with disabilities. For example, some types of locks or buzzer systems are not accessible to persons with limited strength, or mobility, or to persons who have hearing impairments and should not be utilized. Accessible alternatives should be utilities. All physical improvements must meet the accessibility requirements of 24 CFR part 8, Nondiscrimination Based on Handicap in Federally Assisted Programs and Activities of the Department of Housing and Urban Development.

(2) Programs to Reduce the Use of Drugs. Programs to reduce the use of drugs in and around the project, including drug-abuse prevention, intervention, referral, and treatment programs are eligible for funding under this program. The program should facilitate drug prevention, intervention, and treatment efforts, to include outreach to community resources and youth activities, and facilitate bringing these resources onto the premises, or provide resident referrals to treatment programs or transportation to out-patient treatment programs away from the premises. Funding is permitted for reasonable, necessary, and justified leasing of vehicles for resident youth and adult education and training activities directly related to "Programs to reduce the use of drugs" under this section. Alcohol-

related activities and programs are not eligible for funding under this Multifamily Housing Drug Elimination Grant Program section of the SuperNOFA.

(3) Drug Prevention. Drug prevention programs that will be considered for funding under this Multifamily Housing Drug Elimination Grant Program section of the SuperNOFA must provide a comprehensive drug prevention approach for residents that will address the individual resident and his or her relationship to family, peers, and the community. Prevention programs must include activities designed to identify and change the factors present in federally assisted low-income housing that lead to drug-related problems, and thereby lower the risk of drug usage. Many components of a comprehensive approach, such as refusal and restraint skills training programs or drug-related family counseling, may already be available in the community of the applicant's housing projects, and the applicant must act to bring those available program components onto the premises. Activities that should be included in these programs are:

(a) Drug Education Opportunities for Residents. The causes and effects of illegal drug usage must be discussed in a formal setting to provide both young people and adults the working knowledge and skills they need to make informed decisions to confront the potential and immediate dangers of illegal drugs. Grantees may contract (in accordance with 24 CFR Part 85.36) with drug education professionals to provide training or workshops. The drug education professional contracted to provide these services shall be required to base their services upon the program plan of the grantee. These educational opportunities may be a part of resident meetings, youth activities, or other gatherings of residents.

(b) Family and Other Support Services. Drug prevention programs must demonstrate that they will provide directly or otherwise make available services designed to distribute drug education information, to foster effective parenting skills, and to provide referrals for treatment and other available support services in the project or the community for federally-assisted low-income housing families.

(c) Youth Services. Drug prevention programs must demonstrate that they have included groups composed of young people as a part of their prevention programs. These groups must be coordinated by adults with the active participation of youth to organize youth leadership, sports, recreational, cultural and other activities involving housing youth. The dissemination of drug education information, the development of peer leadership skills and other drug prevention activities must be a component of youth services.

(4) Economic/Educational Opportunities for Resident Youth. Drug prevention programs should demonstrate a capacity to provide residents the opportunity for referral to established higher education or vocational institutions with the goal of developing or building on the resident's skills to pursue educational, vocational, and economic goals. The program must also demonstrate the ability to provide residents the opportunity to interact with private sector businesses in their immediate community for the same desired goals.

(5) Intervention. The aim of intervention is to identify federally-assisted low-income housing resident drug users and assist them in modifying their behavior and in obtaining early treatment, if necessary. The applicant must establish a program with the goal of preventing drug problems from continuing once detected.

(6) Drug Treatment. Treatment funded under this program shall be in or around the premises of the project. Funds awarded under this program shall be targeted towards the development and implementation of new drug referral treatment services and/or aftercare, or the improvement of, or expansion of such program services for residents. Each proposed drug treatment program should address the following goals:

(a) Increase resident accessibility to drug treatment services;

(b) Decrease criminal activity in and around the project by reducing illicit drug use among residents;

(c) Provide services designed for youth and/or maternal drug abusers, e.g., prenatal/postpartum care, specialized counseling in women's issues; parenting classes, or other drug treatment supportive services.

Approaches that have proven effective with similar populations will be considered for funding. Programs should meet the following criteria:

(i) Applicants may provide the service of formal referral arrangements to other treatment programs not in or around the project when the resident is able to obtain treatment costs from sources other than this program.

Applicants may also provide transportation for residents to out-patient treatment and/or support programs.

(ii) Provide family/collateral counseling.

(iii) Provide linkages to educational/vocational counseling.

(iv) Provide coordination of services to appropriate local drug agencies, HIV-related service agencies, and mental health and public health programs.

(7) Working Partnerships. Applicants must demonstrate a working partnership with the Single State Agency or State license provider or authority with drug program coordination responsibilities to coordinate, develop and implement the drug treatment proposal. In particular, applicants must review and determine with the Single State Agency or State license provider or authority with drug program coordination responsibilities whether: A) the drug treatment provider(s) has provided drug treatment services to similar populations, identified in the application, for two prior years; and B) the drug treatment proposal is consistent with the State treatment plan and the treatment service meets all State licensing requirements.

(8) Resident Councils. Providing funding to resident councils to develop security and drug abuse programs.

(E) Ineligible Activities. The following activities are not eligible for funding:

(1) Any activity or improvement that is normally funded from project operating revenues for routine maintenance or repairs, or those activities or improvements that may be funded through reasonable and affordable rent increases;

(2) The acquisition of real property or physical improvements that involve the demolition of any units in the project or displacement of tenants;

(3) Costs incurred prior to the effective date of the grant agreement, including, but not limited to, consultant fees for surveys related to the application or its preparation;

(4) Reimbursement of local law enforcement agencies for additional security and protective services;

(5) The employment of one or more individuals to investigate drug-related crime on or about the real property comprising any federally-assisted low-income project and/or to provide evidence relating to such crime in any administrative or judicial proceeding;

(6) The provision of training, communications equipment and other related equipment for use by voluntary tenant patrols acting in cooperation with local law enforcement officials;

(7) Treatment of residents at any in-patient medical treatment programs or facilities;

(8) Detoxification procedures, short term or long term, designed to reduce or eliminate the presence of toxic substances in the body tissues of a patient;

(9) Maintenance drug programs. [Maintenance drugs are medications that are prescribed regularly for a long period of supportive therapy (e.g., methadone maintenance), rather than for immediate control of a disorder.]

II. Program Requirements.

In addition to the program requirements listed in the **General Section** of this SuperNOFA, applicants are subject to the additional requirements in this Section II. These requirements apply to all activities, programs, and functions used to plan, budget, and evaluate the work funded under this program. After applications have been ranked and selected, HUD and the applicant shall enter into a grant agreement setting forth the amount of the grant, the physical improvements or other eligible activities to be undertaken, financial controls, and special conditions, including sanctions for violation of the agreement.

(A) General. The policies, guidelines, and requirements of this NOFA, along with applicable HUD program regulations, HUD Handbooks, and the terms of grant/special conditions and subgrant agreements apply to the acceptance and use of assistance by grantees and will be followed in determining the reasonableness and allocability or costs. All costs must be reasonable and necessary.

(B) Term of Funded Activities. The term of funded activities may not exceed 12 months. Owners must ensure that any funds received under this program are not commingled with other HUD or project operating funds. To avoid duplicate funding, owners must establish controls to assure that any funds from other sources, such as Reserve for Replacement, Rent increases, etc., are not used to fund the physical improvements to be undertaken under this

program.

HUD may terminate funding if the grantee fails to undertake the approved program activities on a timely basis in accordance with the grant agreement. Grantees must adhere to grant agreement requirements and/or special conditions, and must submit timely and accurate reports.

(C) Subgrants - Subcontracting. A grantee may directly undertake any of the eligible activities under this Multifamily Drug Elimination Program section of the SuperNOFA or it may contract with a qualified third party, including incorporated Resident Councils. Resident groups that are not incorporated may share with the grantee in the implementation of the program, but may not receive funds as subgrantees. Subgrants to incorporated Resident Councils may be made only for eligible statutory activities and only under a written agreement executed between the grantee and the Resident Council. The agreement must include a program budget that is acceptable to the grantee, and that is otherwise consistent with the grant application budget. The agreement must obligate the incorporated Resident Council to permit the grantee to inspect and audit the Resident Council's financial records related to the agreement, and to account to the grantee on the use of grant funds, and on the implementation of program activities. In addition, the agreement must describe the nature of the activities to be undertaken by the subgrantee, the scope of the subgrantee's authority, and the amount of insurance to be obtained by the grantee and the subgrantee to protect their respective interests.

The grantee shall be responsible for monitoring and for providing technical assistance to any subgrantee to ensure compliance with HUD program requirements, including the regulations at 24 CFR part 84, Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations. The procurement requirements of Part 84 also apply to Resident Councils. The grantee must also ensure that subgrantees have appropriate insurance.

(D) Section 3 Economic Opportunity. Please see Section II(E) of the **General Section** of this SuperNOFA. The requirements of Section 3 are applicable to funding under this program.

(E) Forms, Certifications and Assurances. See **General Section** of the SuperNOFA for the applicable forms, certifications and assurances to be submitted.

(F) Affirmatively Furthering Fair Housing. The first two sentences of the requirement of Section II(D) of the **General Section** of the SuperNOFA do not apply to this program.

III. **Application Selection Process.**

(A) Rating and Ranking. Applications will be evaluated competitively and ranked against all other applicants that have applied for these Drug Elimination Grants.

The maximum number of points for this program is 102. This includes two EZ/EC bonus points, as described in the **General Section** of the SuperNOFA.

(B) Factors for Award Used to Evaluate and Rate Applications. The five factors in this section total 100 points. An application must receive a score of at least 51 points out of the total of 100 points provided for the five factors to be eligible for funding under this competition. The Award Office will select the highest ranking application from each HUD Office whose eligible activities can be fully funded. The Award Office will then select the highest scored unfunded application submitted to it regardless of Field Office and continue the process until all funds allocated to it have been awarded or to the point where there are insufficient acceptable applications for which to award funds. Each application submitted will be evaluated on the basis of the selection criteria set forth below.

Rating Factor 1: Capacity of the Applicant and Relevant Organizational Experience (20 Points).

This factor addresses the extent to which the applicant has proper organizational resources necessary to successfully implement the proposed activities in a timely manner. In rating this factor, HUD will consider the extent to which the application demonstrates the capabilities described below. In rating this factor, HUD will consider the following:

(1) The knowledge and experience of the staff and administrative capability to manage grants, including administrative support functions, procurement, lines of authority, and fiscal management capacity.

(a) For PHAs (and TDHEs that had previously applied as IHAs), HUD will consider such measurement tools

as PHMAP, uniform crime index, physical inspections, agency monitoring of records, Line of Credit Control System Reports (LOCCS), audits and such other relevant information available to HUD on the capacity of the owner or manager to undertake the grant.

(b) For owners of multifamily housing, HUD will consider the most recent Management Review (including Rural Development Management Review), HQS review, State Agency review and such other relevant information available to HUD on the capacity of the owner or manager to undertake the grant.

(c) A description of established performance goals to define the results expected to be achieved by all major grant activities proposed in the grant application, and a description of the goals expressed in an objective, quantifiable, and measurable form. The goals must be outcome or result-oriented and not out-put related. Outcomes include accomplishments, results, impact and the ultimate effects of the program on the drug or crime problem in the target/project area.

(2) The applicant's performance in administering Drug Elimination funding in the previous 5 years.

(a) For PHAs the applicant's past experience will be evaluated in terms of their ability to attain demonstrated measurable progress in tracking drug related crime, enforcement of screening and lease procedures in implementation of the "One Strike and You're Out Initiative" (as applicable), the extent to which the applicant has formed a collaboration with Tribal, State and local law enforcement agencies and courts to gain access to criminal conviction records of applicants to determine their suitability for residence in public housing. Such data will be measured and evaluated based on the Public Housing Management Assessment Program at 24 CFR part 901.

(b) The applicant must identify their participation in HUD grant programs within the preceding three years and discuss the degree of the applicant's success in implementing and managing (program implementation, timely drawdown of funds, timely submission of required reports with satisfactory outcomes related to the plan and timetable, audit compliance, whether there are any unresolved findings from prior HUD reports (.e.g. performance or finance) reviews of audits undertaken by HUD, the Office of Inspector General, the General Accounting Office or independent public accountants.

(3) Submission of evidence that applicants have initiated other efforts to reduce drug-related crime by working with Operation Safe Home, SNAP, Weed and Seed, or tenant and/or law enforcement groups.

(4) The applicant's performance in administering other Federal, State or local grant programs.

Rating Factor 2: Need/Extent of the Problem (25 Points)

This factor addresses the extent to which there is a need for funding the proposed program activities to address a documented problem in the target area (i.e., the degree of the severity of the drug-related crime problem in the project proposed for funding). In responding to this factor, applicants will be evaluated on the extent to which a critical level of need for the proposed activities is explained and an indication of the urgency of meeting the need in the target area. Applicants must include a description of the extent and nature of drug-related crime "in or around" the housing units or developments proposed for funding.

Applicants will be evaluated on the following:

(1) **(15 points)** "Objective Crime Data" relevant to the target area. For objective crime data, an applicant can be awarded up to 15 points. Such data should consist of verifiable records and not anecdotal reports. Where appropriate, the statistics should be reported both in real numbers and as an annual percentage of the residents in each development (e.g., 20 arrests in a two-year period for distribution of heroin in a development with 100 residents reflects a 20% occurrence rate). Such data may include:

(a) Police records or other verifiable information from records on the types or sources of drug related crime in the targeted developments and surrounding area;

(b) The number of lease terminations or evictions for drug-related crime at the targeted developments; and

(c) The number of emergency room admissions for drug use or that result from drug-related crime. Such information may be obtained from police Departments and/or fire departments, emergency medical service agencies and hospitals. The number of police calls for service from housing authorities developments that include resident initiated calls, officer-initiated calls, domestic violence calls, drug distribution complaints, found drug paraphernalia,

gang activity, graffiti that reflects drugs or gang-related activity, vandalism, drug arrests, and abandoned vehicles.

For PHAs, such data should include housing authority police records on the types and sources on drug related crime "in or around" developments as reflected in crime statistics or other supporting data from Federal, State, Tribal or local law enforcement agencies.

(2) **(10 Points)** Other Crime Data: Other supporting data on the extent of drug-related crime. For this section, an applicant can received up to 10 points. To the extent that objective data as described above may not be available, or to complement that data, the assessment must use data from other verifiable sources that have a direct bearing on drug-related crime in the developments proposed for assistance under this program. However, if other relevant information is to be used in place of **objective data**, the application must indicate the reasons why **objective data** could not be obtained and what efforts were made to obtain it and what efforts will be made during the grant period to begin obtaining the data. Examples of the data should include (but are not necessarily limited to):

(a) Surveys of residents and staff in the targeted developments surveyed on drug-related crime or on-site reviews to determine drug/crime activity; and government or scholarly studies or other research in the past year that analyze drug-related crime activity in the targeted developments.

(b) Vandalism cost at the targeted developments, to include elevator vandalism (where appropriate) and other vandalism attributable to drug-related crime.

(c) Information from schools, health service providers, residents and Federal, State, local, and Tribal officials, and the verifiable opinions and observations of individuals having direct knowledge of drug-related crime and the nature and frequency of these problems in developments proposed for assistance. (These individuals may include Federal, State, Tribal, and local government law enforcement officials, resident or community leaders, school officials, community medical officials, substance abuse, treatment (dependency/remission) or counseling professionals, or other social service providers.)

(d) The school dropout rate and level of absenteeism for youth that the applicant can relate to drug-related crime. If crime or other statistics are not available at the development or precinct level the applicant must use other verifiable, reliable and objective data.

(e) To the extent that the applicant's community's Consolidated Plan identifies the level of the problem and the urgency in meeting the need, references to these documents should be included in the response. The Department will review more favorably those applicants who used these documents to identify need, when applicable.

Rating Factor 3: Soundness of Approach - (Quality of the Plan) (35 Points)

This factor addresses the quality and effectiveness of the applicant's proposed work plan. In rating this factor, HUD will consider the impact of the activity; if there are tangible benefits that can be attained by the community and by the target population.

An application must include a detailed narrative describing each proposed activity for crime reduction and elimination efforts for each development proposed for assistance, the amount and extent of resources committed to each activity or service proposed, and process used to collect, maintain, analyze and report Part I and II crimes as defined by the Uniform Crime Reporting (UCR System), as well as police workload data. The process must include the collection of police workload data such as, but not limited to, all calls for service at the housing authority by individual development, pattern over a period of time, type of crime, and plans to improve data collection and reporting.

In evaluating this factor, HUD will consider the following:

(1) The quality of the applicant's plan to address the drug- related crime problem, and the problems associated with drug-related crime in the developments proposed for funding, the resources allocated, and how well the proposed activities fit with the plan.

(2) The anticipated effectiveness of the plan and proposed activities in reducing or eliminating drug-related crime problems immediately and over an extended period, including whether the proposed activities enhance and are coordinated with on going or proposed programs sponsored by HUD such as Neighborhood Networks, Campus of Learners, Computerized Community Connections, Operation Safe Home, "One Strike and You're Out," Department of

Justice Weed and Seed Efforts, or any other prevention intervention treatment activities.

(3) The rationale for the proposed activities and methods used including evidence that proposed activities have been effective in similar circumstances in controlling drug-related crime. Applicants that are proposing new methods for which there is limited knowledge of the effectiveness, should provide the basis for modifying past practices and rationale for why they believe the modification will yield more effective results.

(4) The process it will use to collect, maintain, analyze and report Part I and II crimes as defined by the Uniform Crime Reporting (UCR System), as well as police workload data. The applicant's proposed analysis of the data collected should include a method for assessing the impact of activities on the collected crime statistics on an on-going basis during the award period.

(5) Specific steps the applicant will take to share and coordinate information on solutions and outcomes with other law-enforcement and governmental agencies, and a description of any written agreements in place or that will be put in place.

(6) The extent to which the applicant's elimination of crime in a development or neighborhood will expand fair housing choice and will affirmatively further fair housing.

Rating Factor 4 -- Leveraging Resources (10 Points)

In assessing this factor, HUD will consider the following:

(1) The extent to which the owner is participating in programs that are available from local governments or law enforcement agencies

(2) The level of participation and support by the local government or law enforcement agency for the applicant's proposed activities. This may include letters of support to the owner, documentation that the owner participates in town hall type meetings to develop strategies to combat crime, or any other form of partnership with local government or law enforcement agencies.

(3) The level of assistance received from local government and/or law enforcement agencies.

(4) The extent to which an applicant has sought the support of residents in planning and implementing the proposed activities.

- Evidence that comments and suggestions have been sought from residents to the proposed plan for this program and the degree to which residents will be involved in implementation.
- Evidence of resident support for the proposed plan.

Rating Factor 5 -- Comprehensiveness and Coordination (10 Points)

This factor addresses the extent to which the applicant coordinated its activities with other known organizations, participates or promotes participation in a community's Consolidated Planning process, and is working towards addressing a need in a holistic and comprehensive manner through linkages with other activities in the community.

In evaluating this factor, HUD will consider the extent to which the applicant demonstrates it has:

(1) Coordinated its proposed activities with those of other groups or organizations prior to submission in order to best complement, support and coordinate all known activities and if funded, the specific steps it will take to share information on solutions and outcomes with others. Any written agreements, memoranda of understanding in place, or that will be in place after award should be described.

(2) Taken or will take specific steps to become active in the community's Consolidated Planning process (including the Analysis of Impediments to Fair Housing Choice) established to identify and address a need/problem that is related to the activities the applicant proposes.

(3) Taken or will take specific steps to develop linkages to coordinate comprehensive solutions through meetings, information networks, planning processes or other mechanisms with:

- (a) Other HUD-funded projects/activities outside the scope of those covered by the Consolidated Plan; and
- (b) Other Federal, State, or locally funded activities, including those proposed or on-going in the community.

IV. Application Submission Requirements.

An applicant is allowed to submit only one application for funding under this program. A separate application

must be submitted for each project. If the grant is to serve connecting or adjacent properties, an applicant may submit one application that will serve all properties. In such a case, the applicant must describe in detail in its application how the grant will serve the properties. Only one project would receive the funding even though the grant would be serving several properties. The application includes the forms, certifications and assurances listed in the **General Section** of the SuperNOFA.

V. Corrections to Deficient Applications.

The **General Section** of the SuperNOFA provides the procedures for corrections to deficient applications.

VI. Environmental Requirements.

It is anticipated that activities under this program are categorically excluded under 24 CFR 50.19(b)(4), (b)(12), or (b)(13). If grant funds will be used to cover the cost of any non-exempt activities, HUD will perform an environmental review to the extent required by 24 CFR part 50, prior to grant award.

FUNDING AVAILABILITY FOR PUBLIC AND INDIAN HOUSING DRUG ELIMINATION TECHNICAL ASSISTANCE PROGRAM

PROGRAM DESCRIPTION: Approximately \$2 million is available for funding short-term, technical assistance services for the Public and Indian Housing Drug Elimination Technical Assistance (PHDE-TA) Program. The purpose of this program is to provide short-term (90 days for completion) technical assistance consultant services to assist public housing agencies (PHAs), Tribes and Tribally Designated Housing Entities (TDHEs), resident management corporations (RMCs), incorporated resident councils (RCs) and resident organizations (ROs) in responding immediately to drug and drug-related crime in public and Tribal housing communities.

APPLICATION DUE DATE: One original application must be received at the Office of Community Safety and Conservation (OCSC), Room 4112 at the HUD Headquarters Building at 451 Seventh Street, SW, Washington DC, 20410, **no later than 12:00 midnight on [Insert date that is 75 days after Federal Register publication]**. See the **General Section** of this SuperNOFA for specific procedures governing the form of application submission (e.g., mailed applications, express mail, overnight delivery, or hand carried).

A copy of the application must be submitted to the appropriate HUD Field Office HUB with delegated housing responsibilities over an applying housing entity, or from the AONAPs with jurisdiction over the Tribes and Tribally Designated Housing Entities.

Applicants will also be required to submit with their applications to OCSC, a Confirmation Form documenting that the appropriate HUD Field Office received the TA application (this form is a threshold requirement).

PHDE-TA applications will be reviewed on a continuing basis until **[Insert date 75 days after date of publication in the Federal Register]**, or until funds available under this program are expended. Due to the reduced availability of funds in FY 1998, HUD encourages early submission of applications. There is no application deadline for consultants or for HUD-initiated Public Housing Drug Elimination Technical Assistance (PHDE-TA).

ADDRESS FOR SUBMITTING APPLICATIONS: Office of Community Safety and Conservation, Department of Housing and Urban Development, Room 4112, 451 Seventh Street, SW, Washington DC, 20410.

FOR APPLICATION KITS, FURTHER INFORMATION, AND TECHNICAL ASSISTANCE:

For Application Kits. For an application kit and any supplemental information, please call the SuperNOFA Information Center at 1-800-HUD-8929. Persons with hearing or speech impairments may call the Center's TTY number at 1-800-843-2209. An application kit also will be available on the Internet through the HUD web site at <http://www.hud.gov>. When requesting an application kit, please refer to the **Public Housing Drug Elimination Technical Assistance Program**, and provide your name, address (including zip code) and telephone number (including area code).

For Further Information and Technical Assistance. For answers to your questions or for technical assistance, please call the local HUD Field Office HUB with delegated housing responsibilities over an applying housing entity, or the AONAPs with jurisdiction over the Tribes and Tribally Designated Housing Entities. The list of local HUD Field Office with jurisdiction over the applicant is provided in the application kit.

ADDITIONAL INFORMATION:

I. Authority; Purpose; Amount Allocated; Eligibility

(A) **Authority.** The FY 1998 HUD Appropriations Act under the heading, "Drug Elimination Grants for Low-Income Housing (Including Transfer of Funds)."

(B) **Purpose.** The funds for the Drug Elimination Technical Assistance (TA) Program are strictly used to hire HUD-registered consultants, whose fields of expertise address the strategies requested to eliminate drugs and drug-related crimes in public housing authorities (PHAs), Tribes, and tribally-designated housing entities (TDHEs), resident management corporations (RMCs), resident councils (RCs) or resident organizations (ROs) nationwide.

(C) **Amount Allocated.** For FY 1998, up to \$2 million in funding is available for Public Housing Drug Elimination Technical Assistance.

(D) **Eligible Applicants.** Public housing agencies (PHAs), Tribes and Tribally Designated Housing Entities (TDHEs),

incorporated resident councils (RCs), resident organizations (ROs) in the case of Tribes and TDHEs, and resident management corporations (RMCs) are eligible to receive short-term technical assistance services under this PHDE-TA Program section of the SuperNOFA. More specific eligibility requirements follow:

(1) An eligible RC or RO must be an incorporated nonprofit organization or association that meets all seven of the following requirements:

(a) It must be representative of the residents it purports to represent.

(b) It may represent residents in more than one development or in all of the developments of a PHA or Tribe or TDHE, but it must fairly represent residents from each development that it represents.

(c) It must adopt written procedures providing for the election of specific officers on a regular basis (but at least once every 3 years).

(d) It must have a democratically elected governing board. The voting membership of the board must consist of residents of the development or developments that the resident organization or resident council represents.

(e) It must be supported in its application by a public housing authority or a Tribe or TDHE.

(f) It must provide evidence of incorporation.

(g) It must provide evidence of adopted written procedures for electing officers.

(2) An eligible RMC must be an entity that proposes to enter into, or that enters into, a management contract with a PHA under 24 CFR part 964, or a management contract with a Tribe or TDHE. An RMC must have all seven of the following characteristics:

(a) It must be a nonprofit organization incorporated under the laws of the State or Indian tribe where it is located.

(b) It may be established by more than one resident organization or resident council, so long as each approves the establishment of the corporation; and has representation on the Board of Directors of the corporation.

(c) It must have an elected Board of Directors.

(d) Its by-laws must require the Board of Directors to include representatives of each resident organization or resident council involved in establishing the corporation.

(e) Its voting members must be residents of the development or developments it manages.

(f) It must be approved by the resident council. If there is no council, a majority of the households of the development must approve the establishment of such an organization to determine the feasibility of establishing a corporation to manage the development.

(g) It may serve as both the resident management corporation and the resident council, so long as the corporation meets the requirements of 24 CFR part 964 for a resident council. (In the case of a resident management corporation for a Tribe or TDHE, it may serve as both the RMC and the RO, so long as the corporation meets the requirements of this PHDE-TA Program section of the SuperNOFA for a resident organization.)

(3) Applicants can only submit one application per award period. Applicants are eligible to apply to receive technical assistance if they are already receiving technical assistance under this program, as long as the request creates no scheduling conflict with other PHDE-TA requests. For HUD-initiated TA, the recipient may receive more than one type of technical assistance concurrently unless HUD, in consultation with the recipient, determines that it may negatively affect the quality of the PHDE-TA.

(4) Applicants are eligible to apply to receive technical assistance whether or not they are already receiving drug elimination funds under the Public and Indian Housing Drug Elimination Program.

(5) The applicant must have substantially complied with the laws, regulations, and Executive Orders applicable to the Drug Elimination TA Program, including applicable civil rights laws.

(E) Eligible Consultants.

(1) HUD is seeking individuals or entities who have experience working with public or Tribal housing or other low-income populations to provide short-term technical assistance under this PHDE-TA Program section of the SuperNOFA. Consultants who have previously been deemed eligible and are part of the TA Consultant Database need not reapply, but are encouraged to update their file with more recent experience and rate justification. To

qualify as eligible consultants, individuals or entities should have experience in one or more of the following general areas:

(a) PHA/Tribe or TDHE-related experience with: agency organization and management; facility operations; program development; and experience working with residents and community organizations.

(b) Anti-crime- and anti-drug-related experience with: prevention/intervention programs; and enforcement strategies.

(c) Experience as an independent consultant, or as a consultant working with a firm with related experience and understanding of on-site work requirements, contractual, reporting and billing requirements.

(2) HUD is especially interested in encouraging TA consultant applications from persons who are qualified and have extensive experience planning, implementing, and/or evaluating the following professional areas:

(a) Lease, screening and grievance procedures;

(b) Defensible space, security and environmental design;

(c) Parenting, peer support groups and youth leadership;

(d) Career planning, job training, tutoring and entrepreneurship;

(e) Community policing, neighborhood watch and anti-gang work;

(f) Strengthening resident organizing, involvement, and relations with management; and

(g) "One Strike You're Out" programs.

(3) Additional requirements for consultants include the following:

(a) In addition to the conflict of interest requirements in 24 CFR part 85, no person who is an employee, agent, officer, or appointed official of the applicant may be funded as a consultant to the applicant by this Drug Elimination Technical Assistance Program.

(b) Consultants who wish to provide drug elimination technical assistance services through this program shall not have had any involvement in the preparation or submission of any PHDE-TA proposal. Any involvement of the consultant is considered a conflict of interest, making the consultant ineligible for providing consulting services to the applicant and will disqualify the consultant from future consideration. This prohibition shall also be invoked for preparing and distributing prepared generic or sample applications, when HUD determines that any application submitted by a PHA, Tribe or TDHE, RC, RO or RMC duplicates a sufficient amount of any prepared sample to raise issues of possible conflict of interest.

(4) HUD-registered consultants are eligible to receive funds to be reimbursed for up to \$15,000 for conducting the short-term technical assistance, but long-term results are expected from each job. After the work is completed, evaluations are submitted from the housing authorities on the consultants' work performance. The evaluations are carefully reviewed to make sure the housing authorities are satisfied with the services provided through HUD. Afterwards, the consultants are reimbursed by HUD, which completes the PHDE-TA. In extreme cases of technical assistance needs, staff members of HUD headquarters and field offices may recommend specialized technical assistance for which HUD-registered consultants can receive up to \$25,000 in funds. HUD encourages housing authorities/agencies and eligible resident organizations with or without a drug elimination grant in their communities to use this resource.

(F) Ineligible Consultants. Consultants and/or companies currently debarred or suspended by HUD are not eligible to perform services under this program.

(G) Eligible Activities.

(1) Funding is limited to technical assistance for carrying out activities authorized under Chapter 2, Subtitle C, Title V of the Anti-Drug Abuse Act of 1988 (42 U.S.C. 11901 et. seq.), as amended by section 581 of the National Affordable Housing Act of 1990 (Pub.L. 101-625, approved November 28, 1990) (NAHA), and section 161 of the Housing and Community Development Act of 1992 (Pub. L. 102-550, approved October 28, 1992) (HCDA 1992).

(2) The PHDE-TA program is intended to provide short-term, immediate assistance to PHAs, Tribes and TDHEs, RMCs, RCs, and ROs in developing and/or implementing their strategies to eliminate drugs and drug-related

crime. Short-term technical assistance means that consultants shall only be reimbursed for a maximum of 30 days of work, which must be completed in less than 90 days from the date of the approved statement of work. The program will fund the use of consultants who can provide the necessary consultation and/or training for the types of activities outlined below. HUD will fund the use of consultants to assist the applicant undertaking tasks including preparing a proposed strategic or long range plan for reducing drugs and drug-related crime, or conducting a needs assessment or comprehensive crime survey. The PHDE-TA program also funds efforts in:

(a) Assessing, quantifying and establishing performance measurement systems (including gathering baseline statistics) relating to drug and drug-related crime problems in public or Tribal housing development(s) and surrounding community(ies);

(b) Designing and identifying appropriate anti-crime and anti-drug-related practices and programs in the following areas:

(i) Law enforcement strategies, including negotiating with the local police, working with Federal law enforcement, Operation Safe Home, Weed and Seed, and other Federal anti-crime efforts;

(ii) Crime data collection for establishing baseline performance measurements;

(iii) Youth leadership development; youth anti-gang, anti-violence, anti-drug initiatives; youth peer mediation and conflict resolution to deal directly with anger/violence to prevent future violent episodes;

(iv) Resident Patrols;

(v) Security and physical design.

(c) Training for housing authority staff and residents in anti-crime and anti-drug prevention practices and programs;

(d) Evaluating current anti-crime and anti-drug-related crime programs.

(3) The following are activities which are eligible for **HUD-Initiated Technical Assistance** under the Public and Indian Housing Drug Elimination Technical Assistance Program. Eligible parties may receive technical assistance initiated and approved by HUD in circumstances determined by HUD to require immediate attention because of severe drug and crime issues and the presence of one of the following circumstances:

(a) HAs that were unsuccessful in gaining Drug Elimination Program Grants;

(b) Applicants having demonstrated an inability to explain the nature and extent of local drug or crime activities;

(c) Applicants with a demonstrated inability to identify or develop potential solutions to their local drug or crime problem;

(d) Applicants unable to develop local anti-drug, anti-crime partnerships;

(e) Applicants lacking the capability to carry out a plan due to a lack of anti-drug, anti-crime-related training;

(f) Applicants with an inability to effectively make progress to address pervasive drug-related violence;

(g) Applicants where there is an inability between tenants, and/or between tenants and management to effectively communicate about drug- and crime-related issues;

(h) Applicants that need an evaluation performed on their "One Strike You're Out" program; and

(i) Applicants lacking the capability to perform a program evaluation of current anti-drug, anti-crime activities.

(H) Ineligible Activities. Funding is not permitted for:

(1) Any type of monetary compensation for residents.

(2) Any activity that is funded under any other HUD program, including TA and training for the incorporation of resident councils or RMCs, and other management activities.

(3) Salary or fees to the staff of the applicant, or former staff of the applicant within a year of his or her leaving the housing authority or resident organization.

(4) Underwriting conferences.

(5) Conference speakers.

(6) Program implementation, proposal writing, the financial support of existing programs, or efforts requiring

more than 30 billable days of technical assistance over a 90 day period; the purchase of hardware or equipment, or any activities deemed ineligible in the Drug Elimination Program, excluding consultant's fees.

II. Program Requirements.

(A) Individual Award Amounts. Applications received from HAs and qualified RCs, ROs, and RMCs; and Tribes and their Tribally Designated Housing Entities (TDHEs) are eligible for a maximum amount of Technical Assistance (TA) no greater than \$15,000. HUD-initiated TA is eligible for a maximum of \$25,000 where HUD determines the circumstances require levels of assistance greater than \$15,000, such as more than 30 billable days are required over a 90-day period for the technical assistance, as one example.

(1) Applications for short-term technical assistance may be funded up to \$15,000, with HUD providing payment directly to the authorized consultant for the consultant's fee, travel, room and board, and other approved costs at the approved government rate.

(2) For technical assistance initiated by HUD, the TA may be for any amount up to \$25,000 when HUD staff determine that more than 30 billable days of technical assistance over a 90-day period is justified.

(B) Receipt of More than One Application. If HUD receives more than one application from a HA, or group of RCs, ROs, or RMCs in proximity to one another, HUD may exercise discretion to consider any two or more applications as one, recommending one or more consultants and executing contracts for any combination of applications.

(C) Forms, Certifications and Assurances. In addition to the forms, certifications and assurances listed in Section IV of the **General Section** of the SuperNOFA, the following, as directed by the application kit, must be complied with:

(1) Applications must be signed and certified by both the Executive Director or Tribal Council or authorized TDHE official and a resident leader, certifying the following:

(a) That a copy of the application was sent to the local HUD Field Office, Director of Public Housing Division, or Administrator, Office of Native American Programs; and

(b) That the application was reviewed by both the housing authority Executive Director or Tribal Council or authorized TDHE official, and a resident leader of the organization that is applying for the PHDE-TA and contains the following:

(i) A four page (or fewer) application letter responding to each of the threshold criteria listed below in Section III(C) of the PHDE-TA section of the SuperNOFA, or the completed application forms available in the application kit; and

(ii) A certification statement, or the form provided in the application kit, signed by the executive director of the housing authority and the authorized representative of the RMC or incorporated RC or RO, certifying that any technical assistance received will be used in compliance with all requirements in the SuperNOFA.

(D) Affirmatively Furthering Fair Housing. Section II(D) of the **General Section** does not apply to this technical assistance program.

III. Application Selection Process.

(A) General. Applications will be reviewed on a continuing first-come, first-served basis, until funds under this PHDE-TA Program section of the SuperNOFA are no longer available or until the application deadline noted in this PHDE-TA Program section of the SuperNOFA. Applications for PHDE-TA will be reviewed as they are received. Applicants are encouraged to submit their applications as early as possible in the fiscal year to ensure that they avoid situations where applications are not eligible for funding. Consultant applications will be received throughout the year with no deadline. Eligible applications will be funded in the order in which negotiations for a statement of work are completed between the consultant and the PHDE-TA program administrator until all funds are expended.

(B) Threshold Criteria for Funding Consideration.

(1) The applicant must meet the requirements outlined in this PHDE-TA Program section of the SuperNOFA.

(2) The application must not request an ineligible activity.

(3) The application must answer the following questions:

(a) What is the nature of the drug-related crime problem in your community in terms of the extent of such

crime, the types of crime, and the types of drugs being used? This should include quantifiable or qualitative data on drug problems or criminal activity.

(b) What is the nature of the housing authority's working relationships with law enforcement agencies, particularly local agencies? How will PHDE-TA be used to improve those relationships?

(c) Are housing authority residents selling or using drugs, or committing the crimes?

(d) What about non-residents?

(e) What are the problem(s) you need technical assistance to address and how will you know that the technical assistance provided was successful in addressing the problem.

Applicants cannot request PHDE-TA by answering "to conduct a needs assessment or survey;" they must be able to answer the above questions, and discuss what prevents them from identifying, describing and/or measuring the problems.

(4) The application must answer the following questions:

(a) Describe what type of technical assistance you need and how you will know it has been successful?

(b) What specific output, outcome, results, or deliverables do you expect from the consultant?

(5) The application must describe the steps you and your organization are currently taking to measure, understand or address the drug-related crime problem in your development or housing authority.

(6) The application must describe how the proposed assistance will allow you to develop an anti-drug, anti-crime strategy; or describe how the proposed assistance fits into your current strategy.

(7) The application must describe and provide documentation evidencing commitment to providing continued support of anti-drug and anti-crime activities. This must include the community's recommendations in developing and implementing the grant application and in working cooperatively in ensuring success occurs. Applications must include a description of how the community was involved in developing the application and resolutions of support from law enforcement officials and community service providers. The application must include a memorandum of understanding or other written agreement between the parties involved (e.g., housing authority, applicant, law enforcement officials and community service providers).

(8) The application must include a form, "HUD Field Office/AONAP Confirmation Form."

(C) Application Awards.

(1) If the application is deemed eligible for funding and sufficient funds are available, the applicant will be contacted by HUD or its agent to confirm the work requirements.

(2) If HUD receives more than one application from a HA or TDHE; or group of RCs, ROs or RMCs in proximity to one another, HUD may exercise discretion to consider any two or more applications as one, assuming that the applications are received at the same time, or before approval by the Office of Finance and Accounting and the Office of Procurement and Contracts, executing the contract, and providing notification to the consultant to proceed to work. The TA Consultant Database is then searched for at least three consultants who have:

(a) A principal place of business or residence located within a reasonable distance from the applicant, as determined by HUD or its agent;

(b) The requisite knowledge and skills to assist the applicant in addressing its needs; and

(c) The most reasonable fees.

A list of the suggested consultants is forwarded to the applicant from the consultant data base which is updated annually. From this list, the applicant recommends a consultant to provide the requested technical assistance.

(3) The applicant must contact at least three TA consultants from the list provided. HUD may request confirmation from each recommended consultant. If HUD determines that any consultant was not contacted, HUD may consider the recommendation by the applicant void, and can choose a consultant independent of the applicant. After contacting each consultant, the applicant must send a written justification to HUD with a list of the consultants in order of preference, indicating any that are unacceptable, and stating the reasons for its preference. If the applicant finds that all referred consultants lack the requisite expertise, they must provide written documentation justifying this

decision. If after HUD review, it is determined that the justification provided is adequate, the applicant will be provided with a second list of potential consultants. If the applicant does not provide HUD the written justification of consultant choice within 30 calendar days, HUD reserves the right to cancel the Technical Assistance. There is no guarantee that the applicant's first preference will be approved. Consultants will only be approved for the PHDE-TA if the request is not in conflict with other requests for the consultant's services.

(4) HUD or its agent will work with the consultant and applicant to develop a "statement of work." The statement of work should include: a time line and estimated budget; a discussion of the kind of technical assistance and skills needed to address the problem, and how the technical assistance requested will address these needs; and a description of the current crime and drug elimination strategy, and how the requested technical assistance will assist that strategy. If the applicant does not currently have a strategy, there should be a statement of how the technical assistance will help them develop a crime and drug elimination strategy. When HUD has completed the authorization to begin work, the consultant is contacted to start work. The consultant must receive written authorization from HUD or its authorized agent before beginning to provide technical assistance under this PHDE-TA Program section of the SuperNOFA. The applicant and the relevant Field Office or Area Office of Office of Native American Programs will also be notified. Consultants will only be reimbursed for a maximum of 30 days of work, which must be completed in fewer than 90 days from the date of the approved statement of work. Work begun before the authorized date will be considered unauthorized work and may not be compensated by HUD.

(D) Application Process for Consultants.

(1) Individuals or entities interested in being listed in the PHDE-TA Consultant Database should prepare their applications and send them to the address specified in the application kit. Before they can be entered into the Consultant Database, consultants must submit an application that includes the following information:

(a) The Consultant Resource Inventory Questionnaire, including at least three written references, all related to the general areas listed in this PHDE-TA Program section of the SuperNOFA. One or two of the written references must relate to work for a public housing authority, Tribe or TDHE, RC, RO or RMC; (b) A resume;

(c) Evidence submitted by the consultant to HUD that documents the standard daily fee previously paid to the consultant for technical assistance services similar to those requested under this PHDE-TA Program section of the SuperNOFA.

(i) For consultants who can justify up to the equivalent of ES-IV, or \$462.00 per day, this evidence may include an accountant's statement, W-2 Wage Statements, or payment statements, and it should be supplemented with a signed statement or other evidence from the employer of days worked in the course of the particular project (for a payment statement) or the tax year (for a W-2 Statement).

(1) For consultants who can justify above the equivalent of ES-IV, or \$462.00 per day, there must be three forms of documentation of the daily rate:

(2) A previous invoice and payment statement showing the daily rate charged and paid, or the overall amount paid and the number of days for work of a similar nature to that offered in this PHDE-TA program;

(3) A certified accountant's statement outlining the daily rate with an explanation of how the rate was calculated by the accountant. This should include at a minimum the total number of jobs of a similar nature completed by the consultant in the past 12 months, an explanation of the specific jobs used to calculate the rate, and the daily rates for each of the jobs used to justify the rate; and

(3) A signed statement from the consultant that the certified daily rate was charged for work of a nature similar to that being provided for the Drug Elimination Technical Assistance Program. The accountant must be able to demonstrate independence from the consultant's business.

(2) No one individual may have active at one time any more than three contracts or purchase orders nor be involved with more than one company at a time that has active Technical Assistance contracts. If an individual is working as a member of a multi-person firm, the key individual for the specific contract must be listed on the contract as the key point of contact. The key point of contact must be on-site more hours than any other contracted staff billing

to the purchase order, and that individual may have no more than three purchase orders active at the same time.

(3) HUD will determine a specific fee to pay a consultant based upon the evidence submitted under this PHDE-TA Program section of this SuperNOFA.

(4) Consultants may not be requested by name in any application. HUD or its agent will recommend consultants considering at least three elements including previous experience, proximity and cost. Section I of this PHDE-TA section of this SuperNOFA explains this further.

(5) An employee of a housing agency (HA), Tribe, or TDHE may not serve as a consultant to his or her employer. A HA employee who serves as a consultant to other than their employer must be on annual leave to receive the consultant fee.

IV. Application Submission Requirements.

In addition to the program requirements listed in the **General Section** of this SuperNOFA, each TA application must conform to the requirements of the Public and Indian Housing Drug Elimination Technical Assistance Application Kit, both in format and content. A PHDE-TA application must include both the descriptive letter (or form provided in the application kit) and certification statement (or form provided in the application kit) to be eligible for funding.

V. Corrections to Deficient Applications.

The **General Section** of the SuperNOFA provides the procedures for corrections to deficient applications.

VI. Environmental Requirements.

In accordance with 24 CFR 50.19(b)(9), the assistance provided under this program relates only to the provision of technical assistance and therefore is categorically excluded from the requirements of the National Environmental Policy Act and is not subject to environmental review under the related laws and authorities. This determination is based on the ineligibility of real property acquisition, construction, rehabilitation, conversion, leasing, or repair for HUD assistance under this program.

FUNDING AVAILABILITY FOR THE NEW APPROACH ANTI-DRUG PROGRAM (Formerly known as the Safe Neighborhood Grant Program)

PROGRAM DESCRIPTION: Approximately \$20 million is available for funding for the New Approach Anti-Drug Program (formerly known as the Safe Neighborhood Grant Program). The purpose of these competitive grants under the New Approach Anti-Drug Program is to assist owners or managers of certain housing developments to: (1) augment security; (2) assist in the investigation and prosecution of drug-related criminal activity in and around the housing developments; and (3) provide for the development of capital improvements directly relating to the security of the developments.

APPLICATION DUE DATE: Applications must be physically received on or before **6:00 pm, local time [Insert date 75 days from date of publication in the FEDERAL REGISTER]** at the address shown below. See the **General Section** of this SuperNOFA for specific procedures governing the form of application submission (e.g., mailed applications, express mail, overnight delivery, or hand carried).

ADDRESS FOR SUBMITTING APPLICATIONS: An original and two copies of the application must be physically received by the deadline at the local Field Office with delegated public or assisted housing responsibilities attention: Director, Office of Public or Assisted Housing, or, in the case of the Native American population, to the local HUD Administrator, Area Offices of Native American Programs (AONAPs), as appropriate.

FOR APPLICATION KITS, FURTHER INFORMATION, AND TECHNICAL ASSISTANCE:

For Application Kits. For an application kit and any supplemental information, please call the SuperNOFA Information Center at 1-800-HUD-8929. Persons with hearing or speech impairments may call the Center's TTY number at 1-800-2209. An application kit also will be available on the Internet through the HUD web site at <http://www.HUD.gov>. When requesting an application kit, please refer to the **New Approach Anti-Drug Program**, and provide your name, address (including zip code) and telephone number (including area code).

For Further Information and Technical Assistance. For program, policy, and other guidance, contact Henry Colonna, Department of Housing and Urban Development, Virginia State Office, 3600 West Broad Street, Richmond, VA 23230-4920, telephone (804) 278-4505, x 3027, or (804) 278-4501 (the TTY number).

ADDITIONAL INFORMATION:

I. Authority; Purpose; Amount Allocated; and Eligibility.

(A) Authority. The FY 1998 HUD Appropriations Act.

(B) Purpose of the New Approach Anti-Drug Program (Formerly the Safe Neighborhood Grant Program).

(1) The purpose of these competitive grants is to assist entities managing or operating Federally assisted multifamily housing developments, public and Indian housing developments (including those Indian housing units formerly defined as public housing under section 3 of the U.S. Housing Act of 1937 and now counted as current assisted stock under the Indian Housing Block Grant Program), or other multifamily-housing developments for low-income families supported by non-Federal governmental housing entities or similar housing developments supported by nonprofit private sources, to augment security (including personnel costs), assist in the investigation and/or prosecution of drug-related criminal activity in and around such developments, and provide for the development of capital improvements at such developments directly relating to the security of such developments. Housing authorities shall form partnerships as sub-grantees to be eligible for assistance.

(2) With these grants, HUD is taking a comprehensive neighborhood/community-based approach to crime. Crime fighting efforts are most effective when partnering takes place with law-enforcement agencies at various levels and with a full range of community stakeholders (such as public housing agencies (PHAs) and Tribally Designated Housing Entities (TDHEs)). Applicants who are owners/operators of eligible housing will be required to have as a subgrantee the unit of general local government (city or county - preferably with the local police department and the local district attorney or prosecutor's office) and other community stakeholders including the owners and residents of assisted housing developments in the benefitting neighborhoods to address crime in an entire neighborhood (a neighborhood may include more than one assisted housing development). Applicants shall also form partnerships

with the following entities, if applicable: community residents; neighborhood businesses; and non-profit providers of support services, including spiritually-based organizations and their affiliates.

(C) Amount Allocated.

(1) Available Funding. Twenty million dollars (\$20 million) is available for funding under the New Approach Anti-Drug Program, as provided in the FY 1998 Appropriations Act.

(2) Maximum Grant Award. The maximum grant award amount is limited to \$250,000 per application.

(3) Reduction of Requested Grant Amounts. HUD may award an amount less than requested if:

(a) HUD determines the amount requested for an eligible activity and/or any budget line item is unreasonable;

(b) Insufficient amounts remain under the allocation to fund the full amount requested by the applicant, and HUD determines that partial funding is a viable option;

(c) HUD determines that some elements of the proposed plan are suitable for funding and others are not; or

(d) HUD determines that a reduced grant would prevent duplicative Federal funding.

(4) Distribution of Funds. HUD is allocating funds to the highest scoring applications that have met all program threshold requirements and have been ranked by HUD or its agent.

(5) Grant Reductions After Award. HUD may rescind and/or recapture grant funds based on the failure of the grantees or the grantee's partners to perform in accordance with the Grant Agreement, including the project application that will be incorporated in the Grant Agreement by reference. In addition, grant funds not expended for eligible purposes and in accordance with OMB cost principles by the end of the grant term will be recaptured by HUD.

(D) Eligible Applicants.

(1) General. Grants may be made to a lead applicant that must be an owner/operator of one or more housing developments that have received some form of financial support from a unit of government or from a private non-profit entity. Unless the lead applicant is a unit of general local government which operates the assisted project, the lead applicant must own an assisted housing development in the neighborhood to be assisted. Housing authorities shall form partnerships as sub-grantees to be eligible for assistance. Indian tribes or Tribally Designated Housing Entities may apply for assistance if they have eligible project areas and eligible assisted housing (see Section I(H) of this New Approach Anti-Drug Program section of the SuperNOFA). New Approach Anti-Drug Program grants may be awarded to entities that manage or operate Federally assisted multifamily housing.

(2) Lead Applicant.

(a) The lead applicant, which if the application is selected for funding will be the grantee, must be an owner/operator of one or more housing developments that has received some form of financial support from a unit of government or from a private nonprofit entity. Housing Authorities shall form partnerships as sub-grantees to be eligible for assistance. Such support must be designated and assigned by the funding source specifically for the housing rather than for any specific resident household which may, however, benefit from the support in the form of reduced rent. The housing support may be provided on a one-time or periodic basis to pay for or waive: project development costs; costs of financing; operating costs (which include but are not limited to utilities, taxes, fees, and debt service payments); (iv) owner taxes; (v) unit rent levels; or (vi) tenant rent payments.

(b) Unless the lead applicant is a unit of general local government which owns the assisted project, the lead applicant must also own an assisted housing development (as defined in Section I(H) of this New Approach Anti-Drug Program section of the SuperNOFA) in the neighborhood to be assisted. The lead applicant may not have any outstanding findings of civil rights violations.

(c) Housing authorities may not be the lead applicant; housing authorities must form partnerships as sub-grantees to be eligible for assistance.

(3) Subgrantees and Partnerships.

(a) Memorandum of Understanding. The application must include a number of subgrantees. The chief executive officer or empowered designee of each subgrantee must enter into a Memorandum of Understanding

(MOU) with the applicant. The MOU must describe the subgrantee's commitment to serve as a subgrantee, and must specify the expertise and/or resources that the subgrantee will contribute towards the success of the grant activity. The MOU must be included as part of the application.

(b) Required Subgrantees. The following entities must be included as subgrantees in the application:

(i) The unit(s) of general local government with primary law enforcement and community development jurisdiction over the project. The MOU of this entity must commit the local police department, prosecutor's office, and community development office to actively support the grant project in partnership with the grantee. The MOU must also describe the level of current services being provided by these entities, and the level of services above this baseline which the entities are committed to providing in support of the grant.

(ii) The owners of assisted housing developments in the neighborhood that will benefit from grant funding. HUD is inclined to reward applications in neighborhoods which have demonstrated that more than one assisted housing development will benefit, and where owners have agreed to participate in the grant activities.

(iii) Residents of each assisted low income project in the neighborhood that will benefit from grant funding. The residents' commitment must include the extent to which they are involved in the planning, and will be participating in and support the Action Plan. This commitment must be signed either by individuals from a majority of project resident households, or by one or more organized resident groups that, combined, have been endorsed by a majority of project resident households or recognized by a governmental entity as representing a majority of project residents.

(c) Encouraged Partnerships. In addition to the required subgrantees specified above, applicants are encouraged to partner with other appropriate neighborhood and community stakeholders, including: Neighborhood businesses and business associations; Nonprofit service providers; Neighborhood resident associations; and faith communities or religious institutions.

(E) Eligible Activities. The following is a listing of eligible activities under this program and guidance as to their parameters (the term TDHEs includes those IHAs applying for FY 1997) funding:

(1) Augmenting Security (Including Personnel).

(a) General. Subject to a Cost Reimbursement Agreement, the grantee may reimburse local law enforcement entities for the costs of additional police presence (police salaries and other expenses directly related to such presence or security) in and around assisted housing developments in the neighborhood over and above baseline services currently provided.

(b) Baseline Services. Additional/supplemental security services are permitted but must be over and above the local police department's current level of baseline services. An applicant seeking funding for augmenting security must describe the local police department's current level of baseline services to the neighborhood (including ordinary and routine services, patrols, police officer responses to 911 communications and other calls for services, and investigative follow-up of criminal activity). The description of baseline services must include the number of officers and the actual percent of their time assigned to the development(s) proposed for funding. The applicant must then demonstrate to what extent the proposed funded activity will represent an increase over and above this baseline.

(c) Police Presence. For any grant, at least 70 percent of such reimbursed costs must be for police presence in or immediately adjacent to the premises of assisted housing developments and the remainder of such reimbursed costs must be for police presence within the project area.

(d) Crime Fighting Strategy.

(i) In its criteria for awarding points in the funding competition, HUD is strongly encouraging that additional law enforcement in the assisted housing developments and surrounding neighborhoods be targeted to implementing an overall crime fighting strategy, rather than merely responding to crime emergencies. Two potentially effective anti-crime strategies that can benefit from additional police presence are:

(1) Combined multi-agency task force initiatives, in which local and Federal law enforcement agencies pool resources, first, to infiltrate organizations that promote violent and/or drug-related crime in the neighborhood and, second, to initiate strategic and coordinated mass arrests to break up these organizations; and

(2) Community policing (i.e., sustained proactive police presence in the development or neighborhood, often

conducted from an on site substation or mini-station, that involves crime prevention, citizen involvement, and other community service activities, as well as traditional law enforcement).

(ii) If reimbursement is provided for community policing activities that are committed to occur over a period of at least 3 years and/or are conducted from a police substation or administration within the neighborhood, the costs during the grant period of constructing such a station or of equipping the substation with communications and security equipment to improve the collection, analysis and use of information about criminal activities in the properties and the neighborhood may be reimbursed.

(iii) Federal law enforcement activities may not be funded by the New Approach Program Grant.

(2) Security Services Provided by Other Entities (such as the Owner of an Assisted Housing Development).

(a) General.

(i) Coordination. The activities of any contract security personnel funded under this grant must be coordinated with other law enforcement and crime prevention efforts under the plan approved by HUD. Efforts to achieve such coordination must be described in the plan. The coordination efforts must include frequent periodic scheduled meetings of security personnel with housing project management and residents, local police and, as appropriate, with other public law enforcement personnel, neighboring residents, landlords, and other neighborhood stakeholders.

(ii) Proven Ability to Address Crime Problems. HUD is inclined, as stated elsewhere in this New Approach Anti-Drug Program section of the SuperNOFA, to reward applicants that partner with entities that have a proven ability to address crime problems.

(b) Reimbursement of State and Local Law Enforcement Agencies.

(i) Subject to a Cost Reimbursement Agreement, the grantee may reimburse local or State prosecuting offices and related public agencies for the prosecution or investigation of crime committed in the neighborhood related to the Action Plan. Such reimbursement must be for costs over and above what the office or agency incurred for such purposes for crimes committed in the same geographic area during the period equal in length and immediately prior to the period of reimbursement.

(ii) For any grant, at least 70 percent of such reimbursed costs must be in connection with crimes committed in or immediately adjacent to the premises of Assisted Housing developments and the remainder of such reimbursed costs directly related to crime committed elsewhere in the neighborhood.

(c) Hiring of Private Investigator Services. Subject to appropriate justification, grantees and subgrantees are permitted to use grant funds to hire private investigator services to investigate crime in and around the premises of an assisted housing development and/or the surrounding neighborhood. Based on HUD's inclination to reward applicants that partner with entities that have a proven ability to address crime problems, HUD is strongly inclined to provide more points under the rating factors entitled "Quality of Plan" and "Strength of Partnerships" to applications that propose reimbursing municipal police departments or prosecutor offices than those reimbursing private operators, for investigative or prosecutorial services (See Section III of this New Approach Anti-Drug Program section of this SuperNOFA).

(3) Capital Improvements to Enhance Security. Grantees and subgrantees may use grant funds for capital improvements to enhance security. All such improvements must be accessible to persons with disabilities. For example, locks or buzzer systems that are not accessible to people with restricted or impaired strength, mobility, or hearing may not be funded by the grant. Defensible space improvements must comply with civil rights requirements and cannot exclude or segregate persons based upon their race, color, or national origin from benefits, services, and other terms and conditions of housing. Under the selection criterion entitled "Quality of Plan," HUD is generally inclined to reward capital improvements to enhance the security of an entire neighborhood as opposed to specific projects at the expense of other dwellings in the neighborhood. The capital improvements may include, but are not limited to:

(a) The new construction or rehabilitation of structures housing police substations or mini-stations;

(b) The installation of barriers, speed bumps, the installation of fences, barriers, and appropriate use of close circuit television (CCTV);

(c) Improved door or window security such as locks, bolts, or bars; and (d) The landscaping or other reconfiguration of common areas to discourage drug-related criminal activities.

(F) Eligible Project Areas.

(1) The project area must be a "neighborhood." For purposes of the New Approach Anti-Drug Program, the term "neighborhood" means:

(a) A geographic area within a jurisdiction of a unit of general local government (but not the entire jurisdiction unless the population is less than 25,000) designated in comprehensive plans, ordinances, or other local documents as a neighborhood, village, or similar geographical designation; or

(b) The entire jurisdiction of a unit of general local government with a population of less than 25,000 persons.

(2) The project area must include at least one assisted low-income housing project under:

(a) Section 221(d)(3), section 221(d)(4), or section 236 of the National Housing Act (12 U.S.C. 1715], 1715z-1), provided that such project has been provided a Below Market Interest Rate mortgage, interest reduction payments, or project-based assistance under Rent Supplement, Rental Assistance Payments (RAP) or Section 8 programs.

(b) Section 101 of the Housing and Urban Development Act of 1965 (12 U.S.C. 1701s);

(c) Section 8 of the United States Housing Act of 1937 (42 U.S.C. 1437f). This includes housing with project-based Section 8 assistance, whether or not the mortgage was insured by HUD-FHA, but does not include projects which receive only Section 8 tenant-based assistance (i.e., certificates or vouchers).

(3) HUD will award only one grant per project area.

(G) Ineligible Project Areas. FHA-insured projects which have no project-based subsidy but have tenants receiving housing vouchers or Section 8 tenant certificates are not considered Federally assisted housing and would not qualify an area for eligibility.

(H) Eligible Assisted Housing.

The following definitions apply to this program.

(1) Assisted Housing Development.

(a) For purposes of this program, the term "assisted housing development" means four or more adjoining, adjacent, or scattered site (within a single neighborhood) housing units, developed simultaneously or in stages, having common ownership and project identity, and receiving a project-based financial subsidy from a unit of government at the Federal, State, or local level, or from a private nonprofit entity.

(b) Such subsidy must be associated with a requirement and/or contractual agreement that all or a portion of the units be occupied by households with incomes at or below those of families at the low income limit defined by the U.S. Housing Act of 1937, or by households at or below an alternative limit that falls below this statutory low income limit, at rents which the public or nonprofit entity determines to be affordable.

(2) Assisted Housing Unit. For purposes of this program, the term "assisted housing unit" means a unit within an assisted housing development for which occupancy is restricted to households with incomes at or below that of "low income families" as defined by the U.S. Housing Act of 1937 or to households meeting an income standard below that defined as "low income;" and rents are restricted to amounts that the public or nonprofit entity determines to be affordable.

(3) Project Based Subsidies. For purposes of this program, the term "project based subsidies" is defined as financial assistance that is initially designated and assigned by the funding source specifically for the project rather than to eligible assisted resident households which might also benefit from these subsidies, and provided on a one time up-front or on a periodic basis to the project or its owner to write down, subsidize, or waive: project development costs; costs of financing; project operating costs (including but are not limited to: utilities, taxes, fees, maintenance and debt service payments); owner taxes; unit rent levels; or tenant rent payments.

(I) Ineligible Activities. New Approach Anti-Drug Program Grant funding is not permitted for any of the activities listed below, unless otherwise specified in this New Approach Anti-Drug Program section of this SuperNOFA.

(1) Crime prevention, treatment, or intervention activities are not permitted in this program.

(2) Costs incurred before the effective date of the grant agreement, including but not limited to consultant fees related to the development of an application or the actual writing of the application.

(3) Purchase of controlled substances for any purpose. Controlled substance shall have the meaning provided in section 102 of the Controlled Substance Act (21 U.S.C. 802).

(4) Compensating informants, including confidential informants. These should be part of the baseline services provided and budgeted by local law enforcement agencies.

(5) Although participation in activities with Federal drug interdiction or drug enforcement agencies is encouraged, these grant funds shall not be transferred to any Federal agency.

(J) Implementation Principles. HUD has established the following principles in its plan for implementing these New Approach Anti-Drug Program Grants:

(1) Drug- and crime-fighting activities, if only directed to a single assisted housing development, may have the unfortunate effect of simply moving the problem to nearby housing and businesses. With these grants, HUD is taking a comprehensive neighborhood/community-based approach to crime. Applicant owners/operators of eligible housing will be required to partner with the unit of general local government (city or county) and other stakeholders to address crime in an entire neighborhood (which may include more than one assisted housing development). (Units of local government that are owners/operators of eligible housing may also be designated grantees whether or not the neighborhood designated for assistance includes housing that they own.)

(2) Crime fighting efforts are most effective when partnerships are formed with law-enforcement agencies and with a full range of community stakeholders. Applicants will be required to demonstrate that they have formed a partnership with units of general local government, preferably with the local police department and the local district attorney or prosecutor's office playing key roles in this partnership. Applicants shall also form partnerships with the following entities, if applicable:

(a) Federal law enforcement agencies (such as the HUD Office of Inspector General (OIG), the U.S. Attorney's Office, the FBI, the Drug Enforcement Administration (DEA), and the U.S. Marshal's Office) and State and local law enforcement agencies;

(b) All owners of assisted housing developments in the targeted neighborhood; and

(c) Residents of these assisted housing developments and of the community.

(d) Neighborhood businesses; and

(e) Non-profit providers of support services, including spiritually-based organizations and their affiliates.

(3) Law enforcement strategies, however effective in the short run, need to be combined with efforts to address the underlying causes of crime and deter its reappearance. The long term solution to the crime problems of assisted housing developments and their surrounding neighborhoods rest in changing the conditions--and the culture that exists.

(4) Encouraging Partnerships.

(a) HUD encourages the use of effective working partnerships in new locations to leverage the many Federal resources that are available to eliminate crime in and around public and assisted housing developments through the Drug Elimination Grant, Operation Safe Home, and Weed and Seed programs. HUD now wishes to encourage these successful partnerships to address similar problems in and around privately-owned, Federally assisted housing. In addition to rewarding partnerships, HUD is requiring that at least one project in each targeted neighborhood be multifamily housing with either:

(i) A HUD-insured, held, or direct mortgage and Rental Assistance Payments (RAP), Rent Supplement, or interest reduction payments; or

(ii) Section 8 project-based assistance with or without HUD interest in the project mortgage.

(b) This emphasis on HUD assisted privately-owned housing does not negate the eligibility of other low-

income housing developments assisted by Federal, State, and local government, and not-for-profit sources to apply for the New Approach Anti-Drug Program. By awarding points for neighborhoods with high concentrations of assisted housing, HUD is encouraging applicants to address the needs of multiple assisted housing developments which may feature a mix of ownership types and subsidy sources.

(5) Complying with Civil Rights Requirements. With the very real need to protect occupants of HUD-sponsored housing and the areas around the housing, the civil rights of all citizens must be protected. Proposed strategies should be developed to ensure that crime-fighting and drug prevention activities are not undertaken in such a manner that civil rights or fair housing statutes are violated. Profiling on any prohibited bases may not be allowed. In addition, all segments of the population should be represented in developing and implementing these crime-fighting strategies.

(6) Coordination with Other Law Enforcement Efforts. In addition to working closely with residents and local governing bodies, it is critically important that owners establish ongoing working relationships with Federal, State, and local law enforcement agencies in their efforts to address crime and violence in and around their housing developments. HUD firmly believes that the war on crime and violence in assisted housing can only be won through the concerted and cooperative efforts of owners and law enforcement agencies working together in cooperation with residents and local governing bodies. As such, HUD encourages owners to participate in Departmental and other Federal law enforcement agencies' programs, as described below:

(7) Safe Neighborhood Action Program (SNAP).

(a) The Safe Neighborhood Action Program (SNAP) initiative, announced June 12, 1994 by HUD, the National Assisted Housing Management Association (NAHMA), and the U.S. Conference of Mayors (USCM), is an anti-crime and empowerment strategies initiative in HUD-assisted housing neighborhoods in 14 SNAP cities. The major thrust of SNAP is the formation of local partnerships in 14 targeted cities where ideas and resources from government, owners and managers of assisted housing, residents, service providers, law enforcement officials, and other community groups meet to work on innovative, neighborhood anti-crime strategies.

(b) There is no funding associated with SNAP, which relies on existing ideas and resources of the participants. Some common initiatives from these SNAP teams have included the following: community policing; crime watch programs; tenant selection policies; leadership training; individual development or job skills training; expansion of youth activities; police tip line or form; community centers; anti-gang initiatives; police training for security officers; environmental improvements; and a needs assessment survey to determine community needs.

(c) In addition, a HUD-sponsored initiative to increase the presence of AmeriCorps' VISTAs in assisted housing units has led to the placement of 25 VISTAs on 12 SNAP teams. The AmeriCorps VISTA program, which incorporates a theme of working within the community to find solutions to community needs, has provided additional technical assistance to the SNAP teams.

(d) The cities participating in the SNAP initiative include: Atlanta, Ga; Boston, Mass; Denver, Co; Houston, TX; Newark, NJ; Philadelphia, PA; Baltimore, MD; Columbus, OH; Detroit, MI; Los Angeles, CA; New Orleans, LA; Little Rock, AR; Richmond, VA; and Washington, DC.

(e) For more information on SNAP, contact Henry Colonna, National SNAP Coordinator, Virginia State Office, 3600 West Broad Street, Richmond, VA 23230-4920; telephone (804) 278-4505, extension 3027; or (804) 278-4501 (TTY). For more information on AmeriCorps' VISTAs in Assisted Housing, contact Deanna E. Beaudoin, National VISTAs in Assisted Housing Coordinator, Colorado State Office, First Interstate Tower North, 633 17th Street, Denver, CO 80202; telephone (303) 672-5291, extension 1068; or (303) 672-5248 (TTY). These numbers are not toll-free.

II. Program Requirements.

The following requirements apply to all activities, programs, or functions used to plan, budget, implement, and evaluate the work funded under this program.

(A) Grant Agreement. After applications have been ranked and selected, HUD and the applicant shall enter into a grant agreement setting forth the amount of the grant, the physical improvements or other eligible activities to

be undertaken, financial controls, and special conditions, including sanctions for violation of the agreement. The Grant Agreement will incorporate the HUD approved applications, as may be amended by any special condition in the Grant Agreement. HUD will monitor grantees, utilizing the Grant Agreements to ensure that grantees have achieved commitments set out in their HUD approved grant application. Failure to honor such commitments would be the basis for HUD determining a default of the Grant Agreement, and exercising available sanctions, including grant suspension, termination, and/or the recapture of grant funds.

(B) Requirements Governing Grant Administration, Audits and Cost Principles. The policies, guidelines, and requirements of this New Approach Anti-Drug Program section of the SuperNOFA, 48 CFR part 31, 24 CFR parts 44, 45, 84 and/or 85, OMB Circulars A-87 and/or A-122, other applicable administrative, audit, and cost principles and requirements, and the terms of grant/special conditions and subgrant agreements apply to the acceptance and use of assistance by grantees. The requirements cited above, as applicable, must be followed in determining procedures and practices related to the separate accounting of grant funds from other grant sources, personnel compensation, travel, procurement, the timing of drawdowns, the reasonableness and allocability of costs, audits, reporting and closeout, budgeting, and preventing conflict of interests or duplicative charging of identical costs to two different funding sources. All costs must be reasonable and necessary.

(C) Term of Grant. Grant funds must be expended within 24 months after HUD executes a Grant Agreement. There will be no extensions or waivers of this grant term.

(D) Subgrants and Subcontracting.

(1) In accordance with an approved application, a grantee may directly undertake any of the eligible activities under this New Approach Anti-Drug Program section of the SuperNOFA, it may contract with a qualified third party, or it may make a subgrant to any entity approved by HUD as a member of the partnership, provided such party is a unit of government, is incorporated as a not-for-profit organization, or is an incorporated for-profit entity that owns and/or manages an assisted housing project benefiting from the grant. Resident groups that are not incorporated may share with the grantee in the implementation of the program, but may not receive funds as subgrantees. For-profit organizations other than owners or managers of an Assisted Housing project benefiting from the grant that have been approved by HUD as part of the partnership may only receive grant funds subject to the applicable Federal procurement procedures (See 24 CFR parts 84 or 85).

(2) Subgrants may be made only under a written agreement executed between the grantee and the subgrantee. The agreement must include a program budget that is acceptable to the grantee, and that is otherwise consistent with the grant application budget. The agreement must require the subgrantee to permit the grantee to inspect the subgrantee's work and to follow applicable OMB and HUD administrative requirements, audit requirements, and cost principles, including those related to procurement, drawdown of funds for immediate use only, and accounting to the grantee for the use of grant funds and implementation of program activities. In addition, the agreement must describe the nature of the activities to be undertaken by the subgrantee, the scope of the subgrantee's authority, and the amount of any insurance to be obtained by the grantee and the subgrantee to protect their respective interests.

(3) The grantee shall be responsible for monitoring, and for providing technical assistance to, any subgrantee to ensure compliance with applicable HUD and OMB requirements. The grantee must also ensure that subgrantees have appropriate insurance liability coverage.

(E) Environmental Requirements. Prior to the award of grant funds under the program, HUD will perform an environmental review to the extent required under the provisions of 24 CFR part 50. Should the environmental review indicate adverse environmental impacts, the application may be downgraded or rejected.

(F) Ineligible Contractors. The provisions of 24 CFR part 24 relating to the employment, engagement of services, awarding of contracts or funding of any contractors or subcontractors during any period of debarment, suspension, or placement in ineligibility status apply to this grant.

(G) Employment preference. A grantee under this program shall give preference to the employment of residents of Assisted Housing projects in the neighborhood to be assisted by this grant, and shall comply with section 3 of the

Housing and Urban Development Act of 1968 (12 U.S.C. 1701u) and 24 CFR part 135, to carry out any of the eligible activities under this program, so long as residents provided such preferences have comparable qualifications and training as nonresident applicants.

(H) Drawdown of Grant Funds. All grantees will access the grant funds through HUD's Line of Credit Control System-Voice Response System in accordance with procedures for minimizing the time lapsing between drawdowns and use of funds for eligible purposes as described in 24 CFR parts 84 and/or 85, as applicable.

(I) Reports and Closeout. Each grantee receiving a grant shall submit to HUD a semiannual progress report in a format prescribed by HUD that indicates program expenditures and measures performance in achieving goals. At grant completion, the grantee shall participate in a closeout process as directed by HUD which shall include a final report in a format prescribed by HUD that reports final program expenditures and measures performance in achieving program goals. Closeout will culminate in a closeout agreement between HUD and the grantee and, when appropriate, in the return of grant funds which have not been expended in accordance with applicable requirements.

(J) Suspension or Termination of Funding. HUD may suspend or terminate funding if the grantee fails to undertake the approved program activities on a timely basis in accordance with the grant agreement, adhere to grant agreement requirements or special conditions, or submit timely and accurate reports.

(K) Affirmatively Furthering Fair Housing. The first two sentences of the requirement in Section II(D) of the **General Section** of the SuperNOFA do not apply to this program.

III. Application Selection Process.

(A) Rating and Ranking.

(1) HUD will evaluate all eligible applications based on the factors for award identified in this Section III.

(2) After the applications have been scored, HUD will rank by Field Office on a national basis. Awards will be made in ranked order until all funds are expended.

HUD will select the highest ranking applications whose eligible activities can be fully funded. Where there is insufficient funds to fully fund all applicants by Field Office, HUD will award remaining funds, regardless of Field Office, to the next highest ranking applicant. HUD will continue the process until all funds allocated to it have been awarded or to the point where there are insufficient acceptable applications for which to award funds.

(3) In the event of a tie, HUD will select the applicant with the highest score in Factor 1. If Factor 1 is scored identically, the scores in Factors 2, 3 and 4 will be compared in that order, until one of the applications receives a higher score. If both applications still score the same then the application which requests the least funding will be selected in order to promote the more efficient use of resources. In the event of a tie and there is not sufficient funds to fully fund an applicant, HUD will offer remaining funds to the highest ranking applicant following the procedures above.

(B) Factors For Award To Evaluate and Rank Applications.

The maximum number of points for this program is 102. This includes two EZ/EC bonus points, as described in the **General Section** of the SuperNOFA. An application must receive a score of at least 70 points to be eligible for funding.

Rating Factor 1: Capacity of the Applicant and Relevant Organizational Experience (20 Points)

This factor addresses the extent to which the applicant has proper organizational resources necessary to successfully implement the proposed New Approach Anti-Drug Program activities in an effective, efficient, and timely manner. In rating this factor, HUD will consider the extent to which the application demonstrates the capabilities described below:

(1) **(7 Points)** The applicants' successful experience combined with its subgrantees' successful experience in utilizing similar strategies to alleviate crime. To receive maximum points under this section, the applicant must have worked in partnership with one or more of its subgrantees (or, under some circumstances, two or more of the subgrantees may have worked together in partnership) using a similar strategy that reduced crime in and/or around Assisted Housing developments. The applicant must demonstrate the reduction in the occurrence of crime as indicated in Selection Factor 3 of this component of the SuperNOFA. Examples of other Federal programs which

promote such partnerships are HUD's Operation Safe Home Program, Safe Neighborhood Action Program and, to some extent, the Drug Elimination Grant Program. In the absence of previous partnerships, the experience of the applicant will weigh more heavily than the experience of any single subgrantee in HUD's assignment of partial points under this subfactor.

(2) **(6 Points)** The strength of the applicants' partnership as it relates to eliminating the crime problem identified in Factor 2. Points in this area will be awarded based on the strength of resource commitments by subgrantees (both in terms of the amount of resources committed and the firmness of the commitments); evidence of the subgrantees' (including project tenants') pre-application role in the development of the plan and prospective role in program implementation; indications of the capacity of the Assisted Housing developments' ownership and management (based on available management reviews by governing public entities) to undertake their share of responsibilities in the partnership (including evidence of whether project management carefully screens applicants for units and takes appropriate steps to deal with tenants known to exhibit or suspected of exhibiting criminal behavior) and to cooperate with law enforcement actions by other partners on their project premises; the willingness of the unit of general local government (lead applicant) to use its prosecutor's office as its lead agency in implementing the grant; utilization of additional partners other than those required under the heading "Eligible Applicants" (for example, neighborhood business organizations); and the effectiveness of the partnership structure (synergistic arrangements of collective action will receive more points than a simple advisory committee of subgrantees).

(3) The applicants' administrative capacity to implement the grant. Points will be awarded based on the quality and amount of staff allocated to the grant activity by the grantee; the anticipated effectiveness of the grantee's systems for budgeting, procurement, drawdown, allocation, and accounting for grant funds and matching resources in accordance with OMB administrative requirements; and the lines of accountability for implementing the grant activity, coordinating the partnership, and assuring that the applicant's and subgrantees' commitments will be met. In assessing this factor, HUD will consider the following factors with the indicated total available points:

(a) **(4 Points)** The applicant must identify their participation in HUD grant programs within the preceding three years, and discuss the degree of the applicant's success in implementing and managing (program implementation, timely drawdown of funds, timely submission of required drawdown of funds, timely submission of required reports with satisfactory outcomes related to the plan and timetable, audit compliance and other HUD reviews) these grant programs.

(b) **(3 Points)** The local HUD Field Office shall evaluate the extent of the applicant's success or failure in implementing and managing an effective program under previous grants (prior three years). This evaluation will be based on, but not limited to, the relationship between the extent of the crime detailed in Factor 2 during the preceding years, and outcomes regarding reducing/eliminating drug-related crime described in the plans and achievements of proposed strategies regarding crime reduction goals outlined in HUD program performance outcome measurements relating to reducing drugs and crime activities, and HUD reviews, audits, and other monitoring methods.

Rating Factor 2: Need/Extent of the Problem (25 Points)

This factor addresses the extent to which there is a need for funding the proposed program activities to address a documented problem in the target area (i.e., the degree of the severity of the drug-related crime problem in the project proposed for funding). In responding to this factor, applicants will be evaluated on the extent to which a critical level of need for the proposed activities is explained and an indication of the urgency of meeting the need in the target area. Applicants must include a description of the extent and nature of drug-related crime "in or around" the housing units or developments proposed for funding.

Applicants will be evaluated on the following:

(1) **(15 points)** "Objective Crime Data" relevant to the target area. For objective crime data, an applicant can be awarded up to 15 points. Such data should consist of verifiable records and not anecdotal reports. Where appropriate, the statistics should be reported both in real numbers and as an annual percentage of the residents in each development (e.g., 20 arrests in a two-year period for distribution of heroin in a development with 100 residents reflects a 20% occurrence rate). Such data may include:

(a) Police records or other verifiable information from records on the types or sources of drug related crime in the targeted developments and surrounding area;

(b) The number of lease terminations or evictions for drug-related crime at the targeted developments; and

(c) The number of emergency room admissions for drug use or that result from drug-related crime. Such information may be obtained from police Departments and/or fire departments, emergency medical service agencies and hospitals. The number of police calls for service from housing authorities developments that include resident initiated calls, officer-initiated calls, domestic violence calls, drug distribution complaints, found drug paraphernalia, gang activity, graffiti that reflects drugs or gang-related activity, vandalism, drug arrests, and abandoned vehicles.

For PHAs, such data should include housing authority police records on the types and sources on drug related crime "in or around" developments as reflected in crime statistics or other supporting data from Federal, State, Tribal or local law enforcement agencies.

(2) **(10 Points)** Other Crime Data: Other supporting data on the extent of drug-related crime. For this section, an applicant can received up to 10 points. To the extent that objective data as described above may not be available, or to complement that data, the assessment must use data from other verifiable sources that have a direct bearing on drug-related crime in the developments proposed for assistance under this program. However, if other relevant information is to be used in place of **objective data**, the application must indicate the reasons why **objective data** could not be obtained and what efforts were made to obtain it and what efforts will be made during the grant period to begin obtaining the data. Examples of the data should include (but are not necessarily limited to):

(a) Surveys of residents and staff in the targeted developments surveyed on drug-related crime or on-site reviews to determine drug/crime activity; and government or scholarly studies or other research in the past year that analyze drug-related crime activity in the targeted developments.

(b) Vandalism cost at the targeted developments, to include elevator vandalism (where appropriate) and other vandalism attributable to drug-related crime.

(c) Information from schools, health service providers, residents and Federal, State, local, and Tribal officials, and the verifiable opinions and observations of individuals having direct knowledge of drug-related crime and the nature and frequency of these problems in developments proposed for assistance. (These individuals may include Federal, State, Tribal, and local government law enforcement officials, resident or community leaders, school officials, community medical officials, substance abuse, treatment (dependency/remission) or counseling professionals, or other social service providers.)

(d) The school dropout rate and level of absenteeism for youth that the applicant can relate to drug-related crime. If crime or other statistics are not available at the development or precinct level the applicant must use other verifiable, reliable and objective data.

(e) To the extent that the applicant's community's Consolidated Plan identifies the level of the problem and the urgency in meeting the need, references to the Consolidated Plan should be included in the response. The Department will review more favorably those applicants who used the Consolidated Plan to identify need, when applicable.

Rating Factor 3: Soundness of Approach (Quality of the Plan)
(35 Points)

This factor addresses the quality and effectiveness of the applicant's proposed work plan. In rating this factor, HUD will consider the impact of the activity; if there are tangible benefits that can be attained by the community and by the target population.

An application must include a detailed narrative describing each proposed activity for crime reduction and elimination efforts for each development proposed for assistance, the amount and extent of resources committed to each activity or service proposed, and process used to collect, maintain, analyze and report Part I and II crimes as defined by the Uniform Crime Reporting (UCR System), as well as police workload data. The process must include the collection of police workload data such as, but not limited to, all calls for service at the housing authority by individual development, pattern over a period of time, type of crime, and plans to improve data collection and

reporting.

In evaluating this factor, HUD will consider the following:

(1) **(15 Points)** The quality of the applicant's plan to address the drug-related crime problem, and the problems associated with drug-related crime in the developments proposed for funding, the resources allocated, and how well the proposed activities fit with the plan.

(2) **(10 Points for (2) and (3))** The anticipated effectiveness of the plan and proposed activities in reducing or eliminating drug-related crime problems immediately and over an extended period, including whether the proposed activities enhance and are coordinated with on going or proposed programs sponsored by HUD such as Neighborhood Networks, Campus of Learners, Computerized Community Connections, Operation Safe Home, "One Strike and You're Out," Department of Justice Weed and Seed Efforts, or any other prevention intervention treatment activities.

(3) The rationale for the proposed activities and methods used including evidence that proposed activities have been effective in similar circumstances in controlling drug-related crime. Applicants that are proposing new methods for which there is limited knowledge of the effectiveness, should provide the basis for modifying past practices and rationale for why they believe the modification will yield more effective results.

(4) **(10 Points for (4) and (5))** The process it will use to collect, maintain, analyze and report Part I and II crimes as defined by the Uniform Crime Reporting (UCR System), as well as police workload data. The applicant's proposed analysis of the data collected should include a method for assessing the impact of activities on the collected crime statistics on an on-going basis during the award period.

(5) Specific steps the applicant will take to share and coordinate information on solutions and outcomes with other law-enforcement and governmental agencies, and a description of any written agreements in place or that will be put in place.

(6) The extent to which the applicant's elimination of crime in a development or neighborhood will expand fair housing choice and will affirmatively further fair housing.

Rating Factor 4: Leveraging Resources (Support of Residents, the Local Government and the Community in Planning and Implementing the Proposed Activities) (10 Points)

This factor addresses the ability of the applicant to secure community and government resources, in-kind services from local governments, non-profit or for-profit entities, private organizations be combined with HUD's program resources to achieve program purposes. In assessing this factor, HUD will consider the following:

(1) Evidence of commitment of funding, staff, or in-kind resources, partnership agreements, and on-going or planned cooperative efforts with law enforcement agencies, memoranda of understanding, or agreements to participate. Such commitments must be signed by an official of the organization legally able to make commitments for the organization. This evidence of commitment must include organization name, resources, and responsibilities of each participant. This also includes interagency activities already undertaken, participation in local, state, Tribal or Federal anti-drug related crime efforts such as: education, training and employment provision components of Welfare Reform efforts, Operation Weed and Seed, Operation Safe Home, local law enforcement initiatives and/or successful coordination of its law enforcement, or other activities with local, state, Tribal or Federal law enforcement agencies.

In evaluating this factor, HUD will also consider the extent to which these initiatives are used to leverage resources for the housing authority community, and are part of the comprehensive plan and performance measures outlines in Rating Factor 3, Soundness of Approach - Quality of the Plan.

(2) An application must provide a description of the Neighborhood and the Assisted Housing Developments in the Neighborhood, and the extent to which the community organizations, and law enforcement agencies have had in planning the activities described in the application and what role they will have in carrying out such activities.

(3) The application must include a discussion of the extent to which community representatives and Tribal, local, State and Federal Government officials, including law enforcement agency officials were actively involved in the design and implementation of the applicant's plan and will continue to be involved in implementing such activities during and after the period of PHDEP funding.

(4) The application must demonstrate the extent to which the relevant governmental jurisdiction has met its local law enforcement obligations under the Cooperation Agreement with the applicant (as required by the grantees Annual Contributions Contract with HUD). The applicant must describe the current level of baseline local law enforcement services being provided to the housing authority/developments proposed for assistance.

Rating Factor 5: Comprehensiveness and Coordination (10 points)

This factor addresses the extent to which the applicant coordinated its activities with other known organizations, participants or promotes participation in a community's Consolidated Planning process, and is working towards addressing a need in a holistic and comprehensive manner through linkages with other activities in the community.

In evaluating this factor, HUD will consider the extent to which the applicant demonstrated it has:

(1) Coordinated its proposed activities with those of either groups of organizations prior to submission in order to best complement, support and coordinate all known activities and if funded, the specific steps it will take to share information on solutions and outcomes with others. Any written agreements, memoranda of understanding in place, or that will be in place after award should be described.

(2) Taken or will take specific steps to become active in the community's Consolidated Planning process (including the Analysis of Impediments to Fair Housing Choice) established to identify and address a need/problem that is related to the activities the applicant proposes.

(3) Taken or will take specific steps to develop linkages to coordinate comprehensive solutions through meetings, information networks, planning processes or other mechanisms with:

(a) Other HUD-funded project/activities outside the scope of those covered by the Consolidated Plan; and

(b) Other Federal, State, or locally funded activities, including those proposed or on-going in the community.

IV. Application Submission Requirements.

Each New Approach Anti-Drug application must conform to the requirements of the applicable application kit, both in format and content. Each New Approach Anti-Drug application must provide the following items in addition to the submission requirements listed in Section III of the New Approach Anti-Drug Program section of the SuperNOFA and Section IV of the **General Section** of this NOFA:

(A) Application Cover Letter;

(B) Congressional Summary -- Summary of the proposed program activities in five (5) sentences or less:

(C) The neighborhood description must include a basic description (e.g., boundaries and size), population, number of housing units in the neighborhood, a map, a population profile (e.g., relevant census data on the socio-economic, ethnic and family makeup of neighborhood residents), and the basis on which the area meets the definition of "neighborhood" as described in this notice (i.e., describe and include a copy of the comprehensive plan, ordinance or other official local document which defines the area as a neighborhood, village, or similar geographical designation). If the entire jurisdiction is defined as a neighborhood by virtue of having a population at less than 25,000, indicate the jurisdiction's population under the 1990 census and describe/include more recent information which gives the best indication as to the current population.

(D) The description of the Assisted Housing development(s) in the neighborhood. This must include the name of the project; the name of the project owner; the nature, sources, and program titles of all project based subsidies or other assistance provided to the project by units of government or private nonprofit entities (any names of public or nonprofit programs other than programs sponsored by HUD should be accompanied by a description of the program and the name and business phone number of a contact person responsible for administering the program for the subsidy provider); the number of housing units in the project; and the number of housing units in the project that meet the definition of "assisted housing units" in this notice, and a description of the restrictions on rents and resident incomes that, in combination with the subsidy provided to the project, qualify the units as assisted/affordable in accordance with the definition in this New Approach Anti-Drug Program section of the SuperNOFA; and the number, geographic proximity (adjoining, adjacent, or scattered site, and if scattered site, the

distance between the two buildings which are furthest apart), and type (single family detached, townhouse, garden, elevator) of buildings in the project.

(E) Application for Federal Assistance form (Standard Form SF-424) signed by the chief executive officer of the lead applicant organization.

(F) A description of the subgrantees. The description must include the names of the subgrantees' relative roles and contributions of each subgrantee in implementing grant activities; structures for partnership coordination and joint decision making, e.g., form of partnership interaction (task force, advisory group or corporate entity), lines of accountability, degree of grant decision making power conferred by the applicant/grantee to its partners, frequency of meetings, etc.; the roles, if any, of subgrantees, especially project tenants) in designing the Action Plan; which subgrantees (if any) will be designated to receive and dispense grant funds for grant activities; and how the applicant (grantee) proposes to direct and monitor its partners to account for funds received or expended and to ensure that commitments are met; and a profile of each subgrantee including governmental or nonprofit status (copies of official up-to-date IRS verification of status must be provided for all nonprofit institutions), a detailed description of their experience and success in similar or related anti-crime initiatives, roles in and financial or in-kind contributions to the partnership, and the approximate value of any in-kind contributions.

(G) Accompanying the description must be letters from each subgrantee signed by their respective chief executive officers, describing their role if any in designing the application and, especially, the Action Plan; detailing the amounts and types of financial and other contributions to be made by the subgrantee firmly committing the subgrantee to such contributions; affirming the specific role(s) that the subgrantee will undertake in implementing Plan activities, including its agreement to act as subgrantee, and summarizing the subgrantee's experience in undertaking similar or related activities.

(H) With respect to subgrantees that are owners of Assisted Housing development(s), the application should include external assessment or evidence of the quality of the development's ownership or management (e.g., available management reviews by governing public entities) that relates to the capacity of the ownership and management to undertake their share of responsibilities in the partnership; and such related concerns as whether project management carefully screens applicants for units and takes appropriate steps to deal with tenants known to exhibit or suspected of exhibiting criminal behavior) and cooperates with law enforcement actions by other partners on their project premises.

(I) Overall budget and timetable that includes separate budgets, goals, milestones, and timetables for each activity and addresses milestones towards achieving the goals described above; and indicates the contributions and implementation responsibilities of each partner for each activity, goal, and milestone.

(J) Staffing. The number of staff years, the titles and professional qualifications, and respective roles of staff assigned full or part-time to grant implementation by the applicant/grantee.

(K) Coordination. The applicant/grantee's plan and lines of accountability (including an organization chart) for implementing the grant activity, coordinating the partnership, and assuring that the applicant's and subgrantees' commitments will be met. There must be a discussion of the various agencies of the unit of government that will participate in grant implementation (which must include the prosecutor's office and at least one, but preferably both, of the following: the police department and an agency dealing with community development), their respective roles (i.e., which has the lead), and their lines of communication.

V. Corrections to Deficient Applications.

The **General Section** of this SuperNOFA provides the procedures for corrections to deficient applications.

APPENDIX A TO SUPERNOFA

HUD Field Office Contact Information

Not all Field Offices listed handle all of the programs contained in the SuperNOFAs. Applicants should look to the SuperNOFAs for contact numbers for information on specific programs. Office Hour listings are local time. Persons with hearing or speech impediments may access any of these numbers via TTY by calling the Federal Relay Service at 1-800-877-8339.
