PERSONAL FINANCIAL STATEMENT (Do not use for business statements)

PLEASE COMPLETE FULLY (Describe any unusual assets or liabilities)

NOTICE: Nevada is a "Community Property" state, which generally means that all property, goods, salaries and debt's acquired, earned or contracted after marriage belong, by law, to the marital community. "Sole and Separate Property" is generally defined as those goods, property, income and debt's acquired prior to marriage or by gift or inheritance after marriage.

PLEASE READ CAREFULLY:

Inis Financial Statement, unless otherwise marked below, is to be considered as the assets, liabilities and income of bo	otn
spouses (marital community) to be relied upon in connection with credit extended by Bank to that marital community. Credit may	be
extended on one signature, unless, under applicable State law, or Bank reasonably believes, both signatures are required. Supply	all
information below.	

This Financial Statement is to be considered as my sole and separate assets and income therefrom and all debts for which I am obligated by my signed promise to pay and does not contain information on assets, income or creditworthiness of spouse or marital community.
