About My Brothers' Keeper

My Brother's Keeper is a 501(c)(3) non-profit Christian ministry with locations in Easton and Dartmouth, MA that delivers furniture and food to families in need throughout Southeastern Massachusetts. Anyone living in our service area is eligible to receive our help, regardless of religion. All services are provided free of charge.

Then and Now. My Brother's Keeper was founded in 1988 by a husband and wife serving families in need from the basement of their home. Today, 3,000 volunteers and 9 full-time employees work together from two modern facilities to make 8,000 deliveries each year.

Unique. We are the only charity in our area delivering furniture free of charge as a core program. All services are delivered — vitally important to those without transportation or the physical means to move heavy items.

Faithful to our Mission. We offer a crucifix or some reminder of Christ as a gift at each delivery conveying the assistance comes from God through us.

Excellence. Because we serve in Christ's name, every item we deliver is new or in like-new condition, providing people with renewed hope and a sense of value.

Respect. We do not judge. We serve with dignity. No one seeking assistance is required to justify their need. Our delivery vehicles are unmarked to protect the privacy of those receiving our help.

Source of Funding. We depend solely on private donations from individuals, families, businesses, and foundations in our community.

Use of Funding. We work hard to be outstanding stewards. Volunteer services and in-kind donations enable more than 90% of all support to go directly to program services.

Capacity Building. We are growing tremendously! Since 2007, total deliveries have increased 72%, including 170% growth in Furniture Assistance.
