

## **Student Photo Release Form (formerly called Website Consent Form)**

This form once signed by a parent(s) gives permission to use either as a team, individual or a photo where your child/children are dancing, in our annual newsletter, website, bulletin board, newspaper, poster and/or pamphlet. The purpose is for providing information about the school in a visual form. For many students seeing their photograph gives them a sense of pride, it presents a picture of their contribution and important of their time at Shan-e-Punjab. As well for parents/students and Shan-e-Punjab it helps to make the community at large aware of the hard work the students are doing to promote culture and sharing their culture with others in a positive, safe and education manner. A good example is when at a key community event we hand out pamphlets which make reference to performance milestones such as the following:

- Invitation to the Celebration of Diwali – BC Office of the Auditor General
- Invitation to the proclamation ceremony of the month of May as Asian Heritage Month by the Premier's Office at the BC Legislature.
- Invitation to participate in the longest running Bhangra competitions in North America, Bhangra Nation, held in Ontario in 2009.

These are just some examples when using photographs are so very important. Photographs are only to be used to provide a larger than life image than just words on a piece of paper and we always intend to use them in good faith and honour.

Photographs are only to be used for the purposes of youth programs provided at Shan-e-Punjab Dance School.
