## Nature Day Camps

*"I sincerely believe that for the child, and for the parent seeking to guide him, it is not half so important to know as to feel. If facts are the seeds that later produce the knowledge and wisdom, then the emotions and the impressions of the senses are the fertile soil in which the seeds must grow. The years of early childhood are the time to prepare the soil. . ." Rachel Carson*

McKeever's Nature Day Camps are designed to connect children with the natural world through play, adventure and fun – all of which takes place at McKeever, its forests, fields and streams and the many plants and animals that live here. Each day and throughout the week, we will instill a 'sense of wonder' while children explore and discover the natural world around them. A big part of each day's activities will be using the senses of touching, seeing, hearing and listening in the natural world.

Our Nature Day Camp is from 9 AM to 3 PM Monday through Friday. Children need to pack a lunch. Morning and afternoon snacks are provided.

**To register, complete bottom portion, send form along with payment (check made payable to SRU/McKeever) to: McKeever Center, 55 McKeever Lane, Sandy Lake, PA 16145. Upon receipt of your registration, a confirmation packet will be sent with information about the camp, arrival times, what to bring list, health form and directions to the center. Cost includes T-shirt, morning and afternoon snacks.**

Scholarships are available through the Richard Freni Memorial Scholarship or the Sandy Creek Conservancy Scholarship. Applications are available on McKeever's website or contact the center.
