## School Accountability Report Card

### Reported Using Data from the 2014-15 School Year

#### Published During 2015-16

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### **School Description and Mission Statement (Most Recent Year)**

---

School Description: Cordova Villa Elementary School serves the community north of Highway 50. This spacious and beautifully manicured campus is a true neighborhood school, with a majority of students living within walking distance. Built in 1966, Cordova Villa retains the charm and quaintness of an older school while having all of the amenities of a new school including significant technology.

At Cordova Villa, we respect and celebrate individual differences. Our student enrollment, reported on the California Basic Educational Data System (CBEDS) in October 2014, was 451 students. We are home to many ethnic groups and languages including Armenian, English, Russian, Spanish, and Ukrainian, and many others.

The staff and administration are committed to inspiring our student body to become lifelong learners. Our school serves the needs of general education and special education students in preschool through fifth grade and we proudly offer programs that serve the individual needs of our students including Special Education, Speech, GATE, ASES, Intervention Programs, Transitional Kindergarten, and Preschool. For the 2015/2016 school year, Cordova Villa Elementary has 17 classrooms in grades TK – 5. This breaks down into the following classes: 1 Transitional Kindergarten, 4 kindergarten classes, 3 first grade classes, 3 second grade classes, 2 third grade classes, 2 fourth grade classes, 2 fifth grade classes, 3 Special Education Day Class, and 1 Learning Center classroom. Cordova Villa also has 1 PE instructor, and 3 music instructors.

Cordova Villa Elementary encourages and respects a connective relationship between home and school. We also value our community contacts and parent participation. We encourage strong parent support to assist us in providing an excellent educational program. Parent participation is encouraged to foster a close, cooperative relationship between home and school. Our PTA is very active, providing many activities and events for the students and families of Cordova Villa Elementary. Our Schoolwires webpage keeps parents informed about schedules, events and activities happening at school. Frequent communication, regular conferences, and parent involvement in the classroom all help to build a positive learning environment. Cordova Villa Elementary School is a Positive Behavior Intervention Support (PBIS) school.

Volunteers are welcomed each day at our school. They provide valuable assistance to students as well as to teachers and other staff members. We have tremendous support from our community and host the following programs on our campus: Community Partners Reading Program and the Big Brothers and Big Sisters Program. Another community partner, the Cordova Church of Christ donates many supplies to our school. Their contributions are greatly appreciated by our families. Members of our PTA assist with many projects and family events that families actively engage in.

The staff at Cordova Villa Elementary successfully provide a caring atmosphere where students can learn from outstanding professionals who are well trained and highly educated. It is our mission, along with that of the Folsom Cordova Unified School District, to provide excellence in educational programs that carry high expectations for each student's achievement and success.

**Mission Statement:** The mission of Cordova Villa Elementary is to provide a high-quality, standards-based education that supports the academic and social/emotional development of all students.

Cordova Villa Elementary is committed to inspiring students to achieve the highest standards of intellectual and personal development through a stimulating and comprehensive program within a caring, respectful, multicultural environment. The school community is committed to developing students who are resilient and adaptable, equipped with the knowledge, skills, and the disposition to continue their education and become responsible, successful adults.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### Teacher Credentials

Note: High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2015-16)

Year and month in which data were collected: September 17, 2015

Folsom-Cordova Unified held a Public Hearing on February 6, 2014, and determined that each school within the District has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the State Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption. The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

Core Curriculum Area	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy
Reading/Language Arts	Houghton Mifflin California Reading: Medallion Edition, Adoption Year 2002, Upgrade 2008	Yes	0.0%

### School Facility Conditions and Planned Improvements (Most Recent Year)

Cordova Villa Elementary was originally constructed in 1966 and is comprised of twenty-five classrooms (25 classrooms are currently in use), one cafeteria, one library, one staff lounge, one computer lab, and two playgrounds. The 2009 modernization included the remodeling of the main building, replacement of three portables, the construction of a new multipurpose room, and the refurbishment of the school fields and landscape.

The principal works daily with the custodial staff of one (1) full time and two (2) part time custodians to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the district office for review.

District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and highest priority is given to emergency repairs. While reviewing this report, please note that even minor discrepancies are reported in the inspection process. The items noted in the table have been corrected or are in the process of remediation.

The district participates in the State School Deferred Maintenance Program, which provides matching funds on a dollar-for-dollar basis to assist school districts with expenditures for major repair or replacement of existing school building components. Typically this includes roofing, plumbing, heating, electrical systems, interior or exterior painting, and floor systems.

Date of inspection: 10/02/15

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP], Science California Standards Tests); and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### Opportunities for Parental Involvement (Most Recent Year)

Parent involvement is essential to the academic success of children. Therefore each year we allocate a portion of our budget to fund parent workshops and parent education. Volunteers are encouraged to be involved in the classroom, on field trips, as well as other school wide events.

Opportunities for family involvement go beyond the instructional day. Parents are a required component of the school site plan, site council and bilingual advisory council, and PTA. Parents are asked to join our family math nights, family literacy classes, student performances as well as the "make and take" events where the entire family learns together. Our ELAC committee hosts regular meetings as well as evening events to recognize the cultural diversity of our families and students. The School Site Council plays a key role in reviewing the school's safety and site plans. It also approves School Improvement Plan expenditures. Our PTA offers an opportunity for parents to be involved in betterment of our school.

We are proud to have a computer in the school office dedicated for parents' use to enhance communication through access to Schoolwires, and we provided parent training for our Spanish speaking parents for six weeks during the summer. We are confident that these measures will not only enhance parent involvement but will allow us to disseminate important and/or urgent information to our families in a quick and efficient manner.

Contact Information:

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact the Principal, Jessica Hutchinson, or Taleen Guss, Administrative Assistant at Cordova Villa Elementary, (916) 366-6181.

**State Priority: School Climate**

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**Suspensions and Expulsions**

<b>Expulsions</b>	0.00	0.00	0.00	0.35	0.32	0.21	0.13	0.10	0.09

**School Safety Plan (Most Recent Year)**

Cordova Villa's campus is safe and clean. There were 15 student accidents reported at our school in the 2014-15 school year. Restrooms and eating facilities are maintained daily. Classrooms are cleaned every day. Reported safety hazards are reviewed and resolved immediately. Safety plans and emergency plans are updated each fall and spring.

Our school is always seeking ways to improve safety. The Safe and Orderly team meets regularly and oversees monthly drills. School phones/radios allow for quick communication and tracking of missing persons. Students are taught to freeze at the sound of a whistle and to listen for important directions.

**Types of Services Funded (Fiscal Year 2014-15)**

District Revenue Sources

In addition to general state funding, Cordova Villa Elementary receives state and federal funding from the following categorical funds and other support programs: Title 1, Title 2, Title 3-LEP, English Learners/Low Income (EL/LI), and state funds for after school interventions for at-risk students.

Data Sources

Data within the SARC was provided by Folsom-Cordova Unified School District, retrieved from the 2013-14 SARC template, and/or located on Dataquest (<http://data1.cde.ca.gov/dataquest>). Dataquest is a search engine, maintained by the California Department of Education (CDE), which allows the public to search for facts and figures pertaining to schools and districts throughout the state. Among the data available, parents and community may find information about school performance, test scores, student demographics, staffing, and student misconduct/intervention.

**Professional Development (Most Recent Three Years)**

Each employee is encouraged to grow professionally through self evaluation and reflection; by attending college and university classes as well as statewide workshops; by reading professional literature; and by networking. District-sponsored inservice and training are provided through our Professional Development Academy (PDA), a model of lead teachers and site level reading, math, science and technology coaches. In addition, our district staff has worked collaboratively to implement our Peer Assistance Review (PAR) program, which works in unison with BTSA (Beginning Teacher Support and Assessment) to provide an induction program for qualified new teachers. We support our teachers in pursuing National Board Certification and currently have over 44 National Board Certified teachers within the district. The district is involved with both ATP (Administrator Training Program) and AB 742 (Teacher Training), trainings which increase the capacity of all staff to deliver a standards-based curriculum.

**Counseling & Support Staff**

It is the goal of Cordova Villa Elementary to assist students in their social and personal development as well as academics. The school gives special attention to students who experience achievement problems, difficulty coping with personal and family problems, trouble with decision making, or handling peer pressure.
