

What Can I Do Before Lent Begins?

With Lent only two weeks away we may ask ourselves "What can I do before Lent begins?" Anything worth doing is worth preparing for. Just imagine that this Lent is going to be different from every other Lent we've experienced. Imagine that there will be many graces offered me this year. Let's even imagine that God is going to help transform our lives, with greater freedom, greater joy, deeper desires for love and service. So, preparing our hearts is a process of preparing our desires. This means practicing our sense of anticipation of the Lord changing our hearts during the upcoming Lenten season.
