### President's Note

Greetings all,  
Now that the holidays are over and we have started our new diet, again, we can start thinking about the direction we want for our organization in the new year.

We have two committees this year that will play a large roll in the direction of the BCGA in the coming years. The membership committees task is to define the qualifications for new applicants and establish requirements for our current membership. The continuing education committee develops the educational program for the upcoming year for the membership.

Attendance is encouraged for both of these committees.

Just as a reminder,  
If you build up the soil with organic material, the plants will do just fine.

Mikey

### January Gardening To Do List

From Backyard Gardeners located at:  
[http://www.backyardgardener.com/Gardening\\_Month/zonejan01.html](http://www.backyardgardener.com/Gardening_Month/zonejan01.html)

#### Zone 3

- Order seeds
- Cut back on feeding houseplants (do not feed dormant houseplants)
- Water cymbidiums weekly until they bloom

#### Zone 4

- Order seeds
- Sow seeds indoors for hardy spring-blooming plants
- Cut back on feeding houseplants (do not feed dormant houseplants)

#### Zone 5

- Order seeds
- Sow seeds for hardy spring-blooming plants
- Cut back on feeding houseplants (do not feed dormant houseplants)
- Sow frost-tolerant perennials indoors

## WINTER POTLUCKS FOR MEMBERS

Many of you have attended the summer potluck series for BCGA members to visit one another's gardens and to enjoy a casual social outing and meal. These events have proved so popular that members requested similar events in the winter. Since there isn't much to see in gardens this time of year, it was suggested that we have snowshoe/potluck events.

We are patiently awaiting snow right now, but Bob Blair and Penny have offered to host such get-togethers this winter. We will contact the membership with dates and times.

It is not necessary for everyone to snowshoe in order to attend; these social gatherings are part of our stated purpose: "Education Community Service Camaraderie." It is an opportunity for members to get better acquainted, to mingle.

If anyone has an idea for another activity that could form the basis of a potluck social, or are willing to host a potluck, let Becky Reynolds [rplace180@yahoo.com](mailto:rplace180@yahoo.com) or Ann Warwick [w.redguy@frontier.com](mailto:w.redguy@frontier.com) know about it. We are also planning our summer garden visits. If you want to host a potluck anytime this year, just set a date and let us know.

### Links!

Penny Barton sent this link for an ergonomic shovel designed for women:

[http://greenherontools.com/hershovel\\_more.html](http://greenherontools.com/hershovel_more.html)

Women have a different skeleton and muscle mass distribution than men, and this shovel is designed for that. Green Heron Tools has the trademarked the name „Hergonomic' for their line of tools. They also state that this shovel is appropriately designed for men who are older (less upper body strength) or shorter than the „average man' that the majority of tools are designed for.

---

From Janae Dale comes this extremely interesting link: <http://onemilliongardens.com>

This site offers a FREE 52 week, online gardening course that focuses on growing food, whether a rooftop, a small plot in your backyard or a small farm.

The course offers the 52 week course, online videos, tips on seed saving, composting and pest control, free membership in their social network, offers for free gardening stuff and events, and kids gardening activities, recipes and more.

---

Also from Janae is a wonderful picture of Jeanetically modified plants:

The picture is from [BBB Seed Heirloom Vegetable & Wildflower Seeds](#), a small, family owned seed company in Colorado. They have a lot more interesting pictures; click on „Photo' and then „Wall' for more pictures of unusual plantings- in shoes, old beds, trucks, and more.

## BCGA LIBRARY

The BCGA office, located at 804 Airport Way, Suite E (for those who have not visited yet) has a sizeable library, part donated by former members, part salvaged from the collection we formerly had at the extension office, and some purchased by the organization. The books are for the use of the membership. Anyone who is a member of BCGA may borrow the books.

In order to keep track of these reference materials, there is a sign-out sheet in the office. Just put the date of taking the book, the title of the book and your name on the sheet, and, when you return the

volume, put the date of return on the sheet. We suggest a limit of one month for borrowing. If the book remains unreturned past a month, you may receive a phone call to remind you that others may wish to read the same material. The office is open five days a week, from eight to five, and is left unlocked for the use of all members.

## BCGA MEMBERSHIP MEETING— Jan 4, 2012

Present: Bob Blair, Howie Fennimore, Kim Peterson, Penny Barton, Ann Warwick, Jan Wilfert, Zoe Bolton, Janae Dale, Jay Baker, Becky Reynolds, Jenna Bertus, Mikey Haven, and Gail Swan

Board Members absent: Linda Gjording & Penny Goodman

Meeting was called to order @ 9am by President, Mikey Haven

Dec minutes were approved as written

Treasurers report: \$3125.71

\$299 was spent on a PA system with wireless mike & amplifie

\$150 was spent on acquiring the MG DVD from Toni Fitzgerald @ Wash State

Mikey is working on getting a lap-top for the office—probably refurbished & maybe free

2 meetings to be held on Monday Jan 9:  
membership meeting @ 10AM  
continuing ed meeting @ 1PM

Bob Blair offered his property for a “snow-shoe party in late Jan or early Feb; Penny Barton has also offered to host one—just waiting for more snow

Becky Reynolds has a book & DVD by Michael Polan titled “Botany of Desire”; perhaps we can watch the DVD in the conference room while having lunch; date to be announced

Home Hort: committee will be meeting soon to put spring series together

School gardens: Janae has been to Charter school; they have 2 raised beds & need more so all students that want to participate can have space; a

meeting is to be held soon with Michelle to see what needs to be done; Janae hopes to attend that meeting; the Sagle school has no gardens at this time; Linda Kirchmann & Ann Warwick are mentoring the students at Kootenai school  
Suggestion made: form a plan of what BCGA is willing to do for the schools & present to Michelle

Library update: Jenna has made 2 list of books in the library—1 by author & 1 by title; Zoe will put these in the Garden Gate & Ann will put a clipboard in the office for signing books out & in

Native Plant Society has a new book on Landscaping with native plants—available @ Vanderfords; also “A Walking Tour Of Sandpoint”—about trees in town; Penny will purchase for library

Janae met with “Mt Sky” printing to check on labels to put inside the books that have been donated to us by members as a memorial; also checking on thank you cards with our logo

Steve Holt—owner of “Eureka Institute” @ Garfield came to talk; would like to have BCGA put on gardening classes at his gardens—both class room & hands on; he has a ¼ acre garden for both veggies & flowers; Mikey will schedule a field trip so we can further assess the facility & what the expectations would be from us

Memorials: Penny will look at property on Friday to see where we can plant some trees; she will meet with IDT for some suggestions

Zoe will print the 2012 membership directory

Meeting adjourned @ 11:05

---

*“Just when winter appears interminable, and it seems not one more bleak and bitter day can be endured, the first harbinger of the gardener’s spring arrives: the nursery catalogs!”*

*Martha Smith, Beds I Have Known 1990*

*“The best way to tell the vegetables from the weeds is to watch your neighbor’s chickens”*

*Jack Judge, English actor, songwriter*
