Joining this award winning scheme... couldn't be simpler

1 Register your group by filling in the form below.

Order a Community Card for each of your members/supporters and tell them about the scheme.

2 When your members/supporters shop in any Chelmsford Star outlet they will earn you points for the majority of purchases over £1.

(some exclusions apply)

3 These points are transferred to your community account. Every 1000 points are worth £5, and you will receive a quarterly statement to keep you informed of your balance.

4 You can withdraw your balance at any point (in £5 increments) as a cheque to spend on what you wish, or you can save the points up indefinitely.

When you cash in your points, we will donate an extra 50% to your organisation.
